UNIVERSITY LIFE: A CONVERGENCE; THE INDIVIDUAL AND THE MASS

*Every man beareth the whole stamp
of the human condition—Montaigne*

*I am an unmentionably small worm in the endless
empyrean of space, a speck of misery, caught
for a moment on the warm edge of a racing
planet amid the nightmare vastness of stars and
clashing matter, and so fragile and insignificant
that let there be the slightest change in my
environment I would no longer
exist—Schopenhauer*

. . . the mind is restless, turbulent,
strong and unyielding . . . as
difficult to subdue as the
wind—Bhagavad-Gita

*... I travel not to go anywhere, but to
go. The great affair is to move—
R. L. Stevenson*

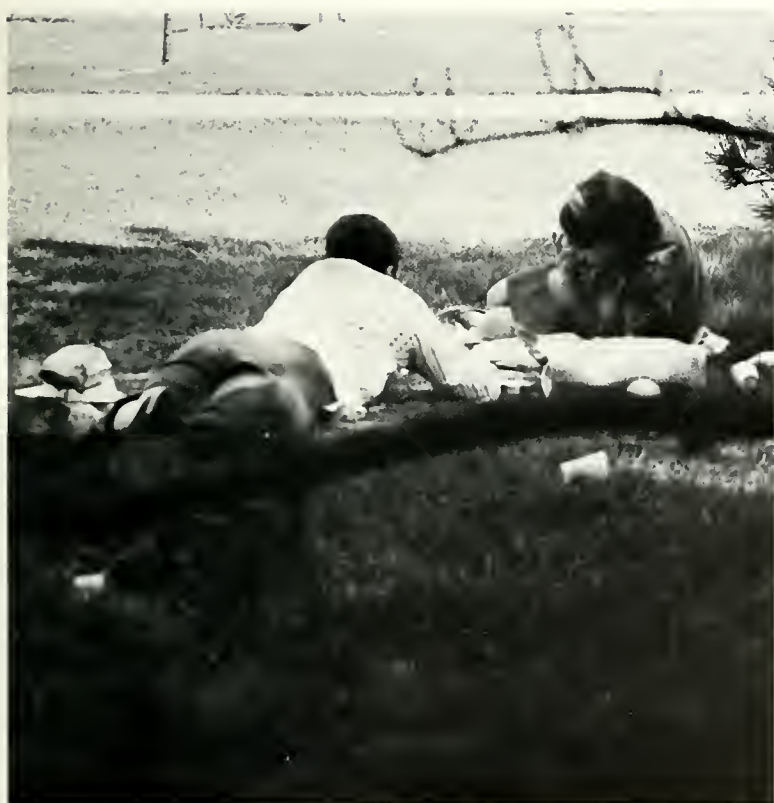

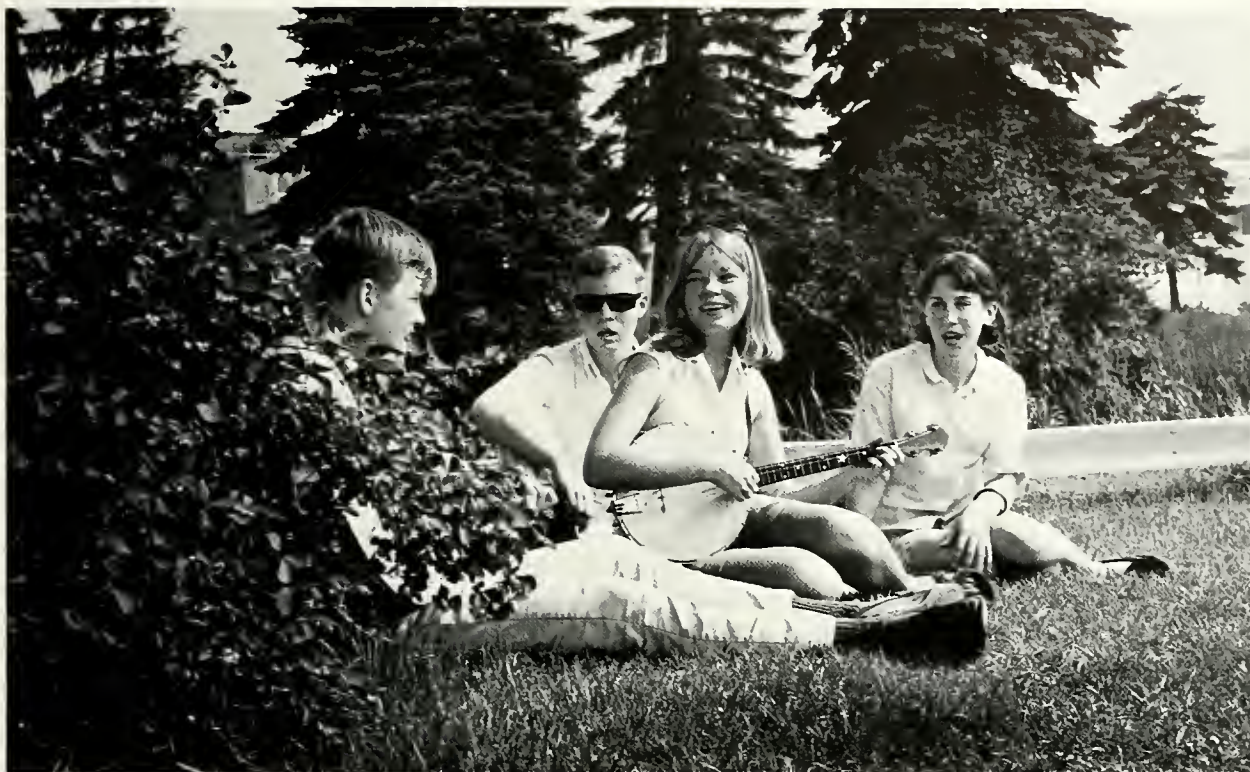

*... an impulse towards flight,
flight from the spot which was
the theatre of a rigid, cold
and passionate service—*
Thomas Mann

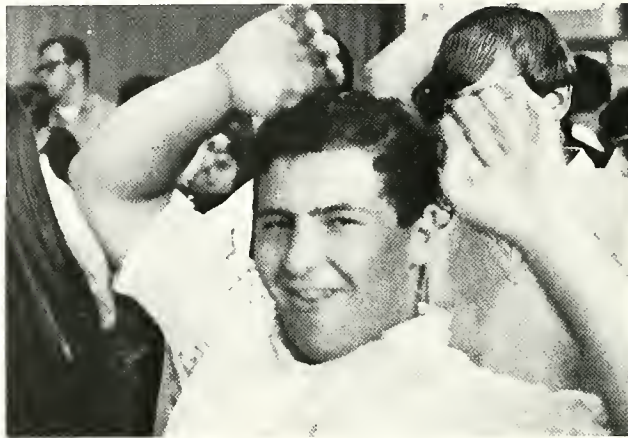

*He felt above him the vast indifferent
dome and the calm processes of the
heavenly bodies; and the earth
beneath him, the earth that had
borne him had taken him to her
breast—James Joyce*

*He had mused upon that which he
had so often thought to be his
destiny and when the moment had
come for him to obey the call he had
turned aside, obeying a wayward
instinct—James Joyce*

*Each human element is meant to
represent humanity in its own
way—Schleiermacher*

*We are all human yet our humanity
consists in our diversity—H. Herder*

*All that is valuable in human society
depends upon the opportunity
accorded to the
individual—Einstein*

CLIFFORD C. FURNAS
President, State University of New York at Buffalo

DEDICATION Many dedicated administrators are needed to guide the growth of a university. The growing pains of an expanding educational system must be attended to in order that the foundation for leadership and responsibility can be laid for future generations. The efforts of one man in particular have been directed to this end. Under his leadership the State University of New York at Buffalo has started on its way to being one of the finest educational institutions in the nation. His contribution will long be remembered. With deep gratification, we dedicate the 1966 BUFFALO-NIAN to **Clifford C. Furnas**.

ADMINISTRATION ADMINISTRATION ADMINIS

RATION ADMINISTRATION ADMINISTRATION

PRESIDENT'S MESSAGE

Now, at the close of the 1965-66 academic year, is an appropriate time both for looking backward and far looking ahead. For some, this is a time of commencement—the end of formal academic training and the beginning of life in a world even more complex than the multiversity. Looking backward, we are able to see the isolated moments of university experience combine to form a meaningful whole.

Here, the past has been a period of growth. Each graduating student has shown steady progress in his chosen academic field, progress acknowledged by the conferring of degrees. And as each student progressed, the University itself grew, expanding opportunities for even greater individual growth.

During the past four years, the rate of development of the University has been truly remarkable. This fall, enrollment exceeded 20,000 students for the first time. Both faculty appointments and facilities have been doubled since 1960 in order to accommodate this exploding student population.

To a university, growth means more than physical expansion. Today, more stringent entrance requirements are bringing an increasingly higher quality student to the campus. The institution of interdisciplinary studies, new research programs, and services is making it possible for the University to meet needs which did not exist when the classical curriculum was being formulated.

The past is important because it is the prelude to the future—the future of the student and of the University. We hope that your experience here enables each of you to join confidently with us in looking ahead and saying:

Tomorrow to fresh woods, and pastures new.

Clifford C. Furnas

SAMUEL B. GOULD
President, State University of New York

I know the 1966 BUFFALONIAN is published primarily for Seniors; after all, it "belongs" by tradition to this year's graduating class. Nevertheless, what I have to say is perhaps of interest to every student who receives the yearbook, which includes all undergraduates, and possibly some graduates as well.

Many of you who will leaf through the 1966 BUFFALONIAN in remembrance of last year will graduate with more than one issue of this handsome yearbook, and will turn to these in years to come in an attempt to recapture your college experience.

I certainly cannot predict what the process of reviewing one to four years in college may reveal to you, but it would be interesting to know what the past years in college have meant to you in retrospect.

Shall I have the uneasy feeling that some of you passed through the University without any real understanding of its role or of the way it works? How well have you come to know the University? Have you accumulated only grade points, a degree, and some vocational skills, or have you gained some additional understanding of the learning process? Were you a four-year stranger here, or did you form some lasting friendships? Will the University be unchanged between the dates of your entrance and your graduation, or did you participate in some way—in concert with other students, faculty, and administration—to increase its excellence and usefulness to society?

If your answers to my troublesome questions are in the affirmative, you are indeed fortunate. Similarly, State University at Buffalo is fortunate in knowing that a good number of its thousands of alumni leave the campus with a truly deep dedication to the encouragement and support of the educational process.

I hope we shall hear from you often in the years ahead. Meantime, my best wishes to you in all your future undertakings.

Sincerely,
Samuel B. Gould
President

RICHARD A. SIGGELKOW
Dean of Students

JEANNETTE SCUDDER
Dean of Women

Learning cannot be considered solely as a classroom function, for a college education provides a foundation on which to build a full and meaningful life.

The Student Personnel Services program is designed to complement the university's overall objectives and meet the educational, personal and social needs of students. Major concerns are for individual development, the encouragement and supervision of significant group activities, appropriate counseling, orientation, and referral functions.

Included are the office of the Dean of Women, the Dean of Men, Graduate Student Liaison Dean, the Counseling center, the Student Union, the Placement office, Foreign Student Affairs, and the Residence halls.

The *Student Counseling Center* helps students cope with the pressures, challenges, and opportunities within a university environment. The center works with students experiencing a wide variety of problems, including vocational choice, academic achievement, and better understanding of personal feelings and attitudes.

We believe that students benefit most from assistance when they learn how to utilize their own resources in resolving their present and future problems.

Student Activities are important in that students can explore new interests and gain practical training. Leadership experience results from such responsibilities as student government or participation in faculty-student discussions about national or international affairs.

A student court hears cases involving student behavior. Norton Hall is a center of university life, promoting fellowship, and developing a broad social, cultural, educational, and recreational program.

The *Placement Office* aids undergraduates, graduate students, and alumni obtain employment in teaching, industry, and government throughout the United States and even in foreign countries. The placement staff also conducts special seminars in letter writing, interview techniques, and ethical practices. Part-time employment is another important phase of this office.

The *Residence Hall* program is equally concerned with the personal and intellectual growth of students. The major purpose is again intellectual—to help prepare each student for the classroom, to develop optimum conditions for learning, and to encourage qualities necessary for the achievement of educational goals. Through self-government, opportunities are provided for responsible citizenship and effective group membership.

ACADEMICS ACADEMICS ACADEMICS ACADEMICS

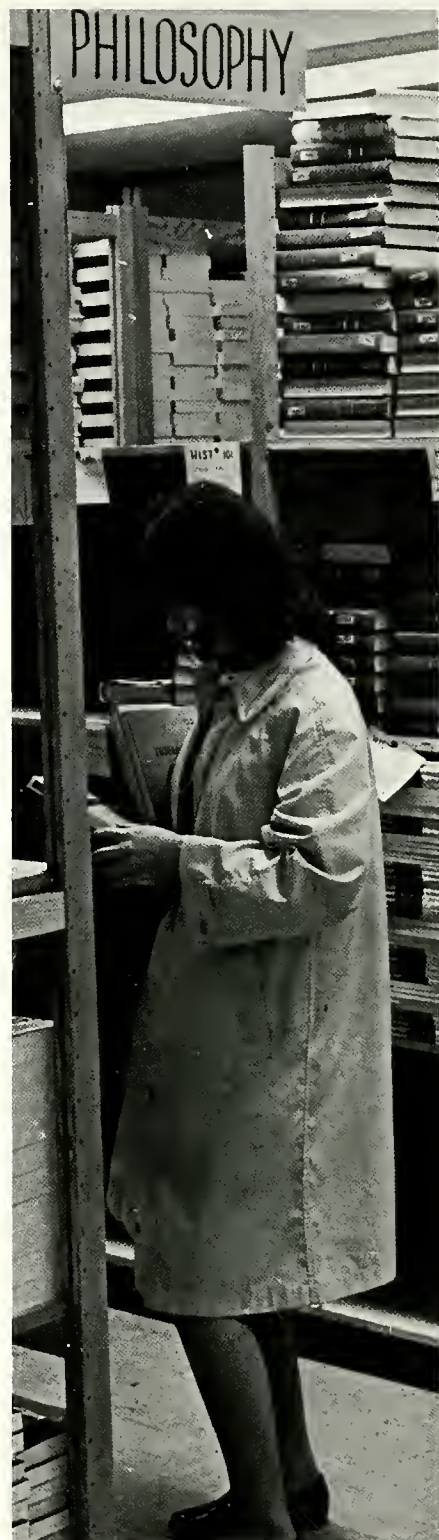

MICS ACADEMICS ACADEMICS ACADEMICS

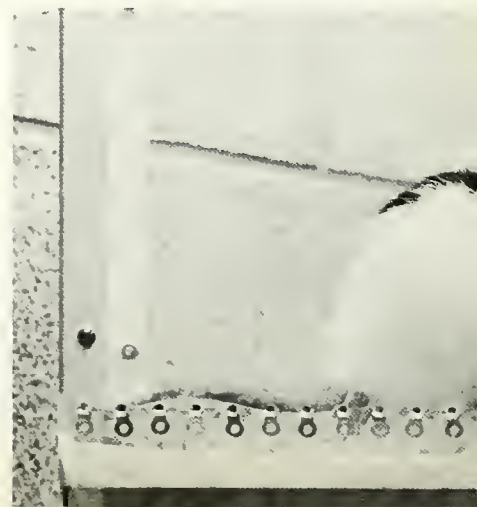

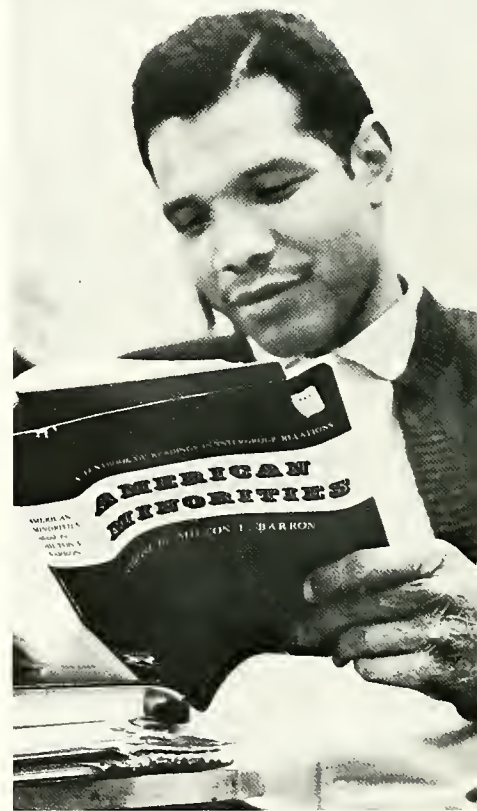

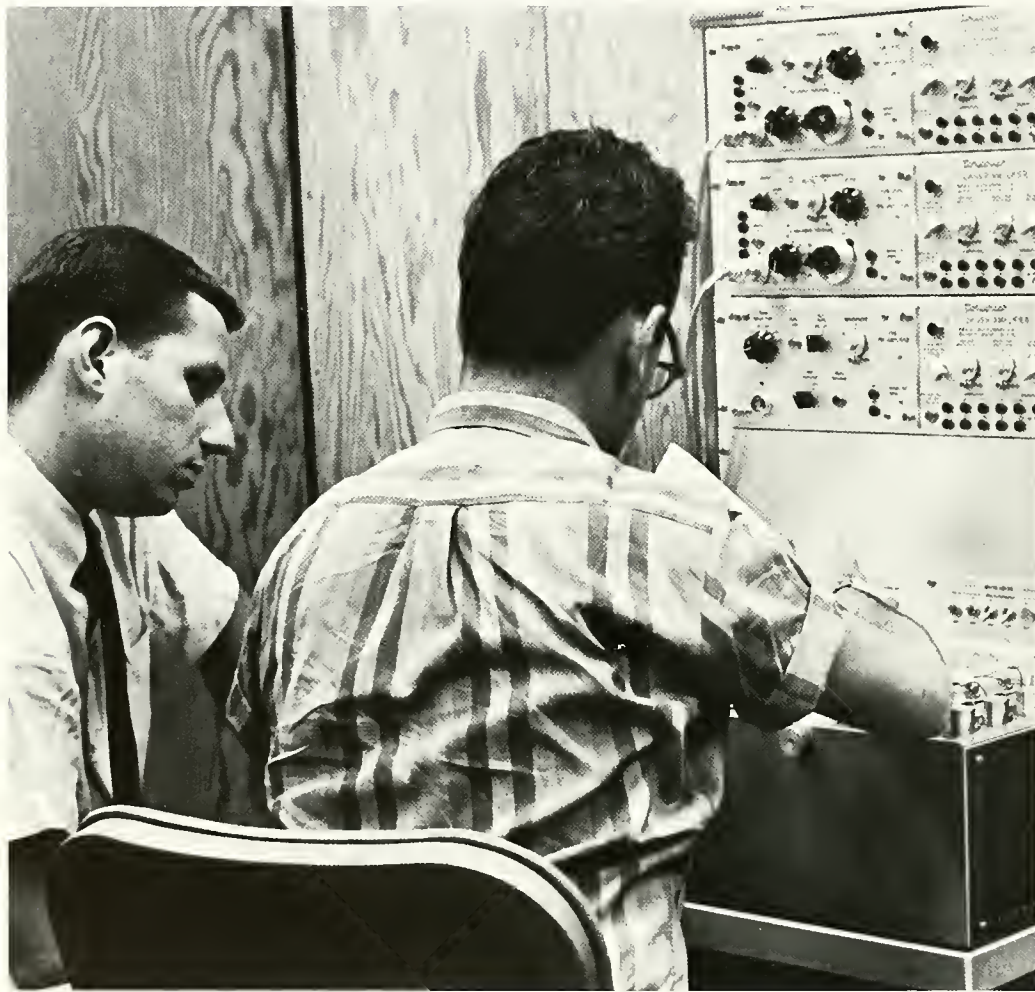

The question of the "academic dialogue" is a vital one at our university. Is this dialogue—implying a two-way expression of ideas—obscured in the large lecture halls and mass personality of an ever-growing institution? Has each student been lost in the blur of the many, becoming merely a passive receptor to the knowledge of those who instruct him? It is our feeling that no student who desires to participate in the dialogue of the university is denied this expression; rather, all are encouraged to think, seek, discover, and express—each in his own manner. For those who desire it, the academic dialogue is a reality and the individual is manifested in a very real way.

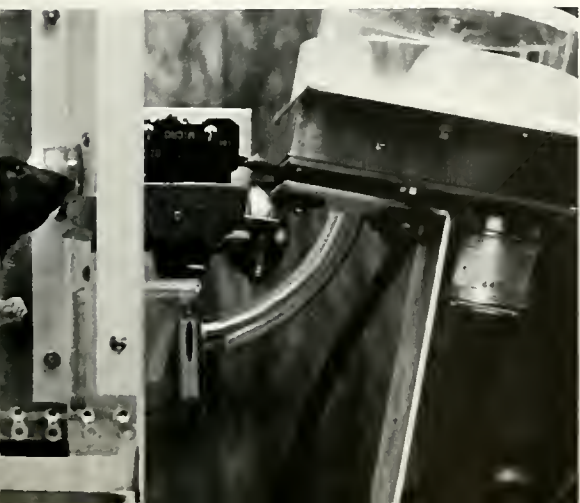

*The whole theory of the universe is directed
unerringly to one single individual—namely to
YOU.—Walt Whitman*

SOCIAL SCIENCES

The social sciences cover a vast field, but at the center of it all is man and, as always, man seeks to understand man. For the historian, this understanding may come through a knowledge of the past, to understand man by what he has done. The psychologist seeks to know man in any era. He may study the infamous rat to find clues to the behavior of man, or, through testing and questioning, deal directly with man himself. The sociologist wants to know men, for man does not live by himself. How does the individual function in society, how does society function in life? To the anthropologist, man and his society make up a culture, a culture which has grown and is growing, which has changed and is changing, and which must be studied for a full understanding of man's being.

The questions and the studies absorb the student as well as the professor and when each contributes the answer becomes fuller. Especially in honors and special programs, but even in the ordinary classroom, the individual may contribute what he can and, always absorb what he will.

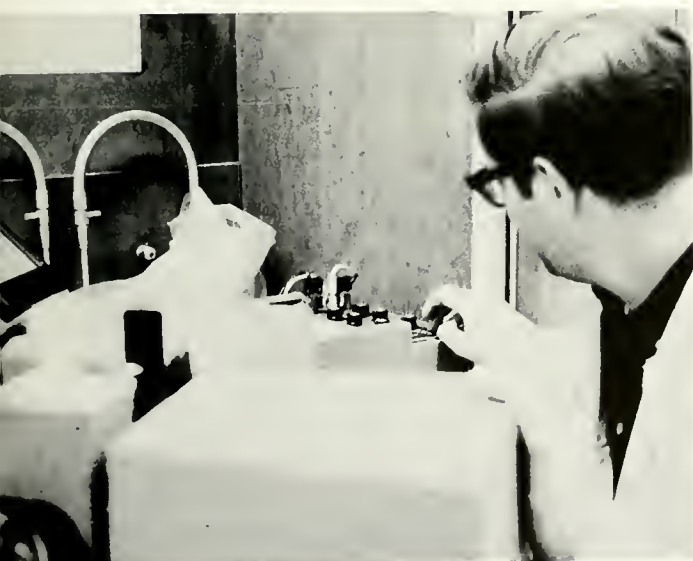

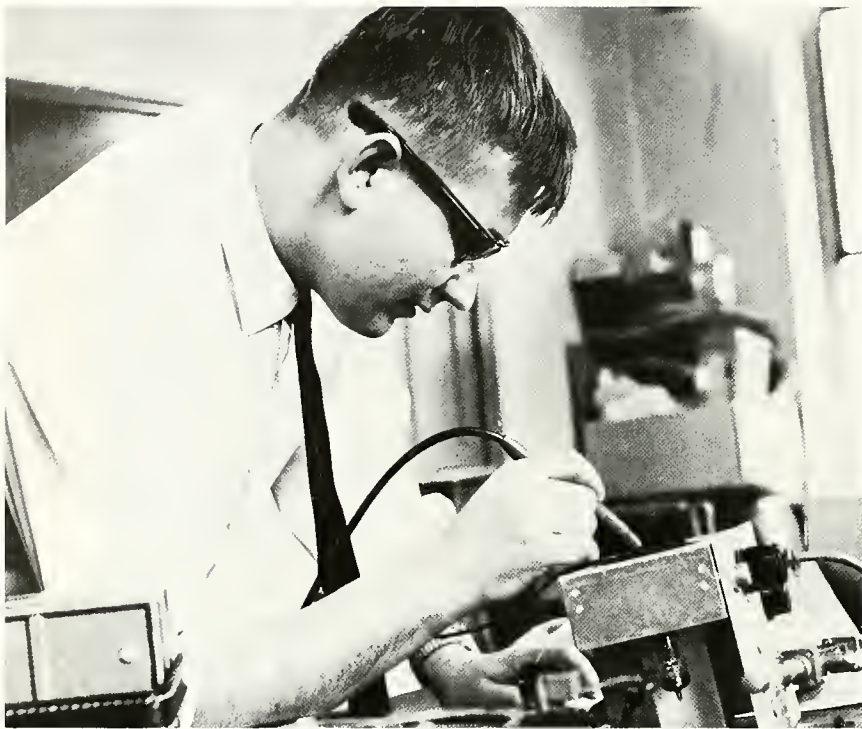

CHEMISTRY

In all fields of science, whether the individual is studying the little, or perhaps the unknown, or whether he is simply going over the work which has been done before him, he is being trained to think, do and discover for himself. Beyond the basic survey sources, the individual becomes an important being, to be guided and helped by his professors. In research particularly, the "academic dialogue" becomes a reality. This is an area that is not the sacred realm of the professor; rather, the professor leads the way for all who wish to enter. The opportunity is there, open for any who wish to seize it and seek their answer to the question—What is life?

The secret of matter—explored, questioned. Can the secret be known to man, can man control the essence? The chemist adds his knowledge. He wonders, works and explores; with him, perhaps lies the knowledge of life's essence.

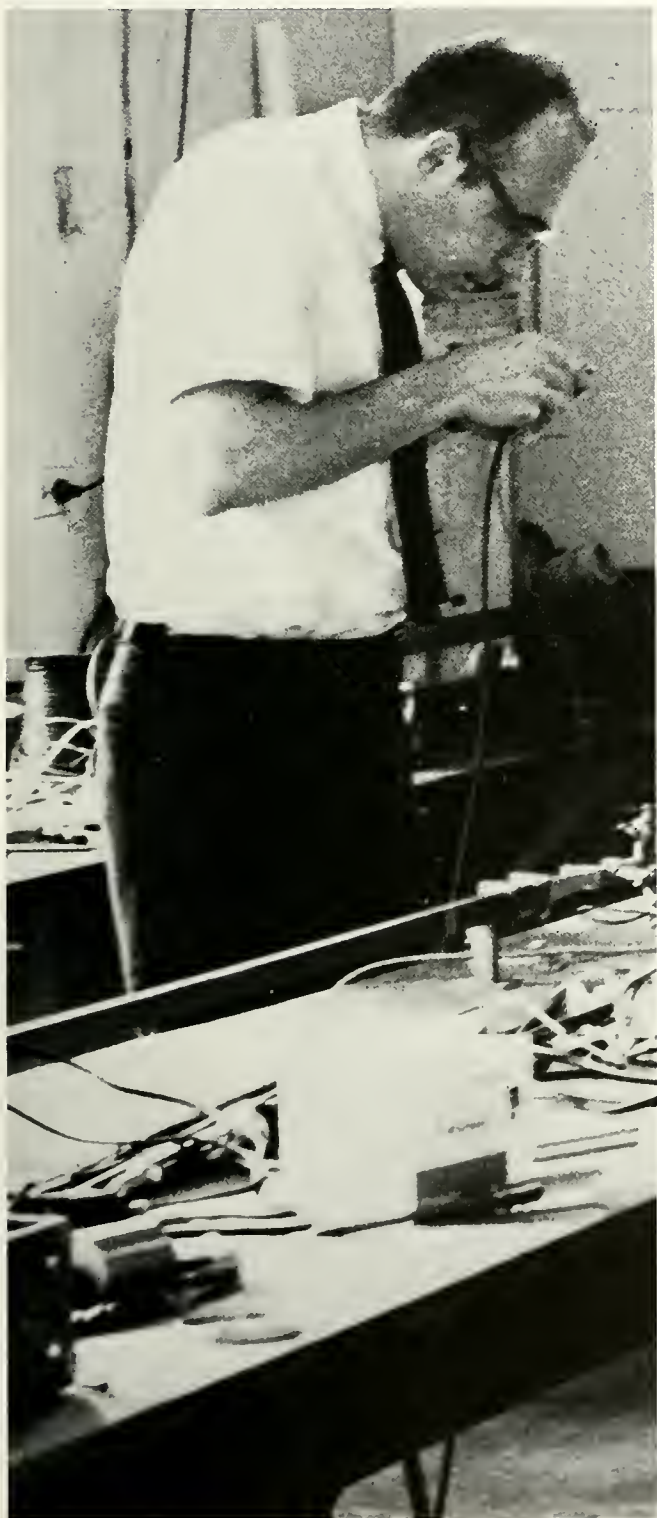

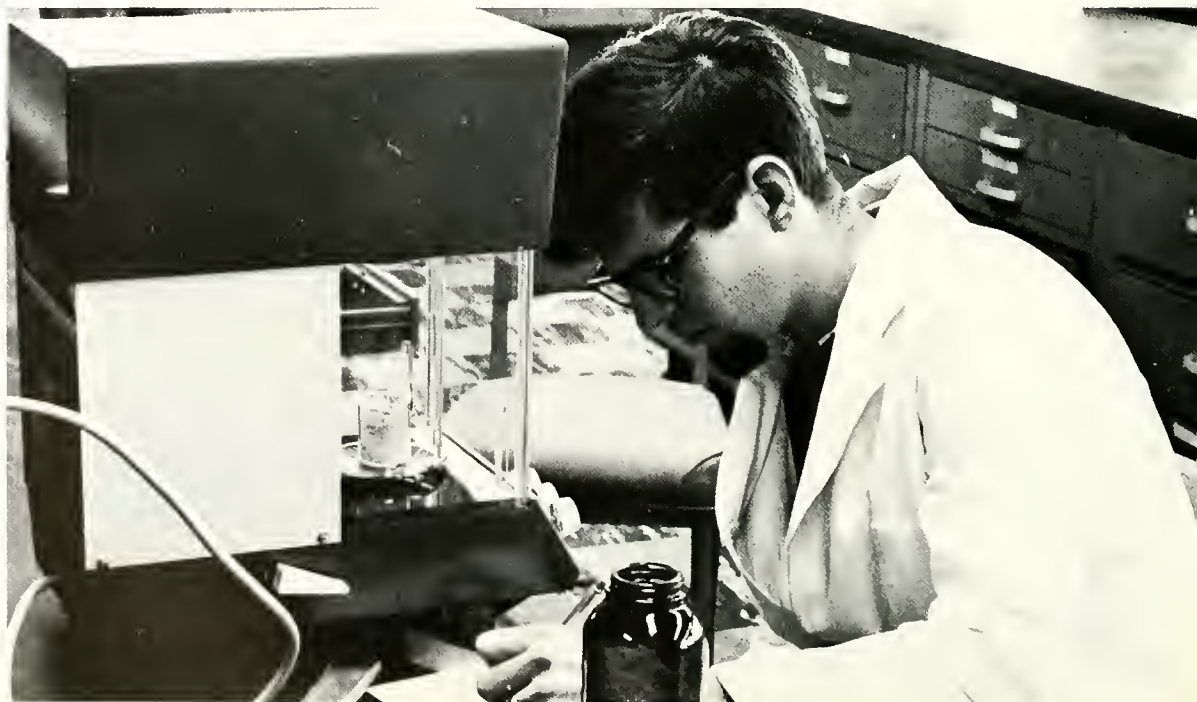

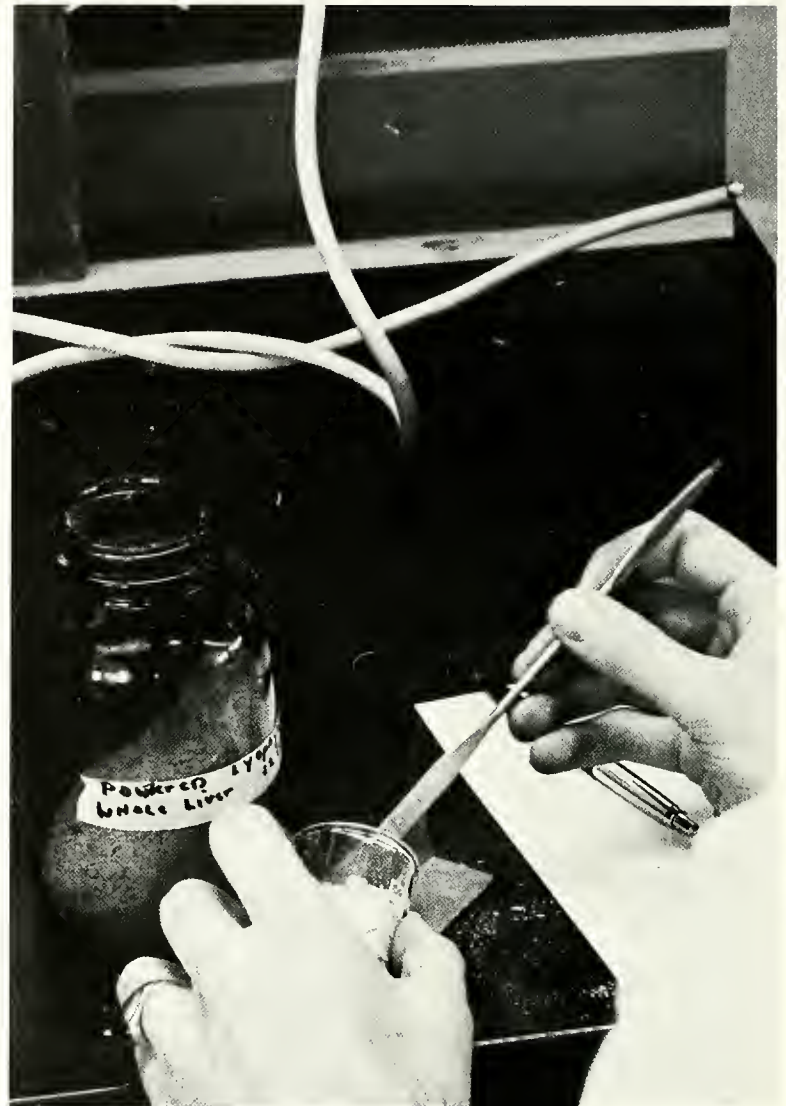

PHYSICS

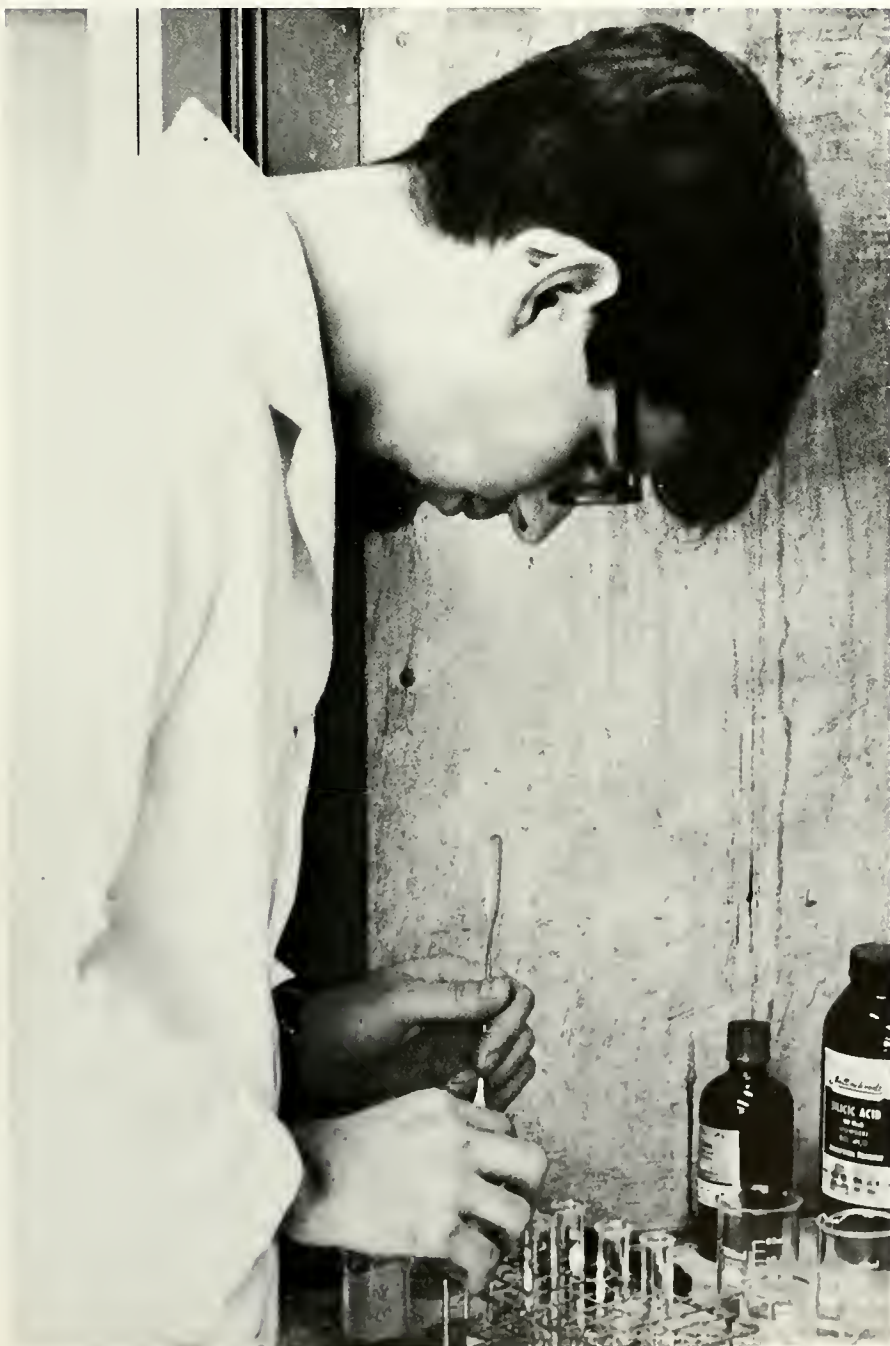

For some, the answer to that question is to be sought in the physical universe, the universe of matter, energy and motion. So they seek in order to find the secret of energy and molecules, of motion and matter. Einstein and the Theory of Relativity say the universe is a space-time dimension. To our physicists, the unit of reality is the physical world.

BIOLOGY

For others, the question of life may be answered in the flower or under the microscope, on the veins of a leaf or in the blood of a cat. Always wondering, the biologist discovers more of the how and why of existence. With him, perhaps, lies the knowledge of life's essence; with them all perhaps the knowledge of life.

Some say that music has more power to move than any other art. For music lives as life itself, seeming to breath, move and feel as though blood ran through its veins and its own heart gave it life. And in its movement it sweeps up man—from he who's heart quickens to the drum beat to the most sophisticated concert goer, from the primitive who deals with the concepts of "hot," "cold," "good," "bad," to the Hindu who's pantheon of gods is so full that it includes Moses and Jesus.

In Baird Hall, life bustles and the music motivating each individual seems to give an extra vigor and motion to their activities. The individual in the music department is an important part of the atmosphere of creativity and education and, in fact, these two elements are inseparable. Each is stimulated to the concentration and development of his fullest capacity. The individual here is surrounded by such men as Leo Smit and the Budapest String Quartet; he has the constant inspiration of those who are part of the Creative Associates. And always there is the free interchange of feeling and experience, of knowledge and ideas. It is both on academic and creative "dialogue" that includes all, from the least experienced undergraduate to the most revered professor.

MUSIC

The world of the visual arts can be rich and beautiful. On the canvas, with clay, through a camera—the artist is being trained to discern life in a way most meaningful for him. The fleeting and ineffable is made into something concrete and real. And, in turn, the material may be rendered into that which is spiritual and profound.

But this is no undisciplined expression; the artist must be a student as well, learning to use tools and explore worlds before unknown to him. As a student, the instructor becomes one of the most important parts of a creative life. In his relationships with those who instruct him, the student may learn to develop his artistic talent. He learns, too, to broaden his scope of expression and to probe deeper into that which he seeks to express. Because of the active interchange of ideas, the student-artist may come to explore all the possibilities of his art. Each student as an artist is distinctly individual and his instructors, aware of this, strive to guide each, as well as all, in becoming less a student and more an artist.

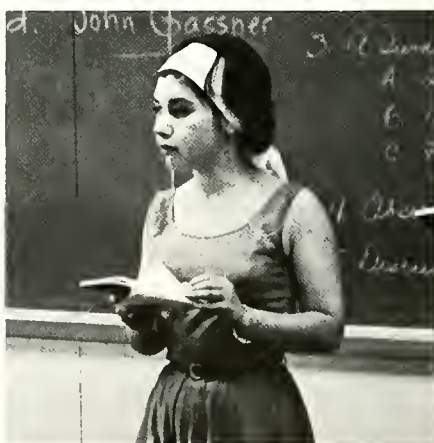

ART

DRAMA

The theatre has become an essential part of the University program, bringing to the general audience plays of high calibre and excellence. For the individual, it is a prime opportunity for expression. In the Drama department, one finds a close interrelationship of faculty and students, providing a constant open forum for discussion and ideas; on the stage, the individual puts his own sensitivity into the role he must make real. But for the individual, drama involves a strong sense of commitment. The stage is not like the magic of make-believe—it is hard work and discipline.

Drama demands more than raw talent, it insists upon a constant devotion, it draws upon every bit of time and energy an individual can give it, and then asks for still more. For the individual on the stage, the theatre becomes more than a vehicle for his expression; it is a monument to his devotion, discipline, energy, and commitment. In this light, the University stands as only the beginning of the individual's growth and development.

SPORTS SPORTS SPORTS SPORTS SPORTS SP

TS SPORTS SPORTS SPORTS SPORTS SPORTS

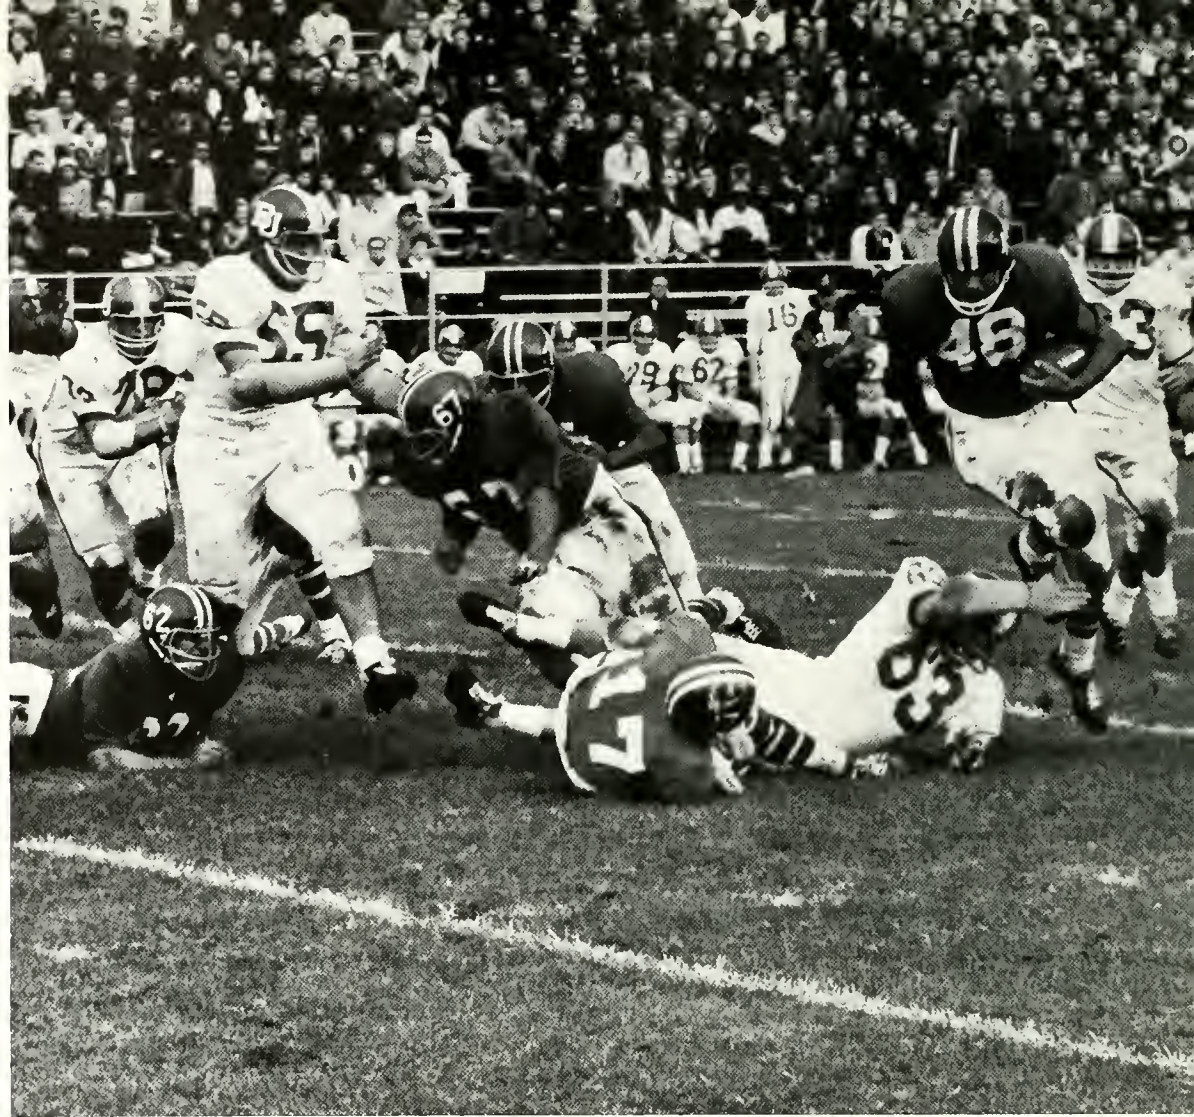

FOOTBALL

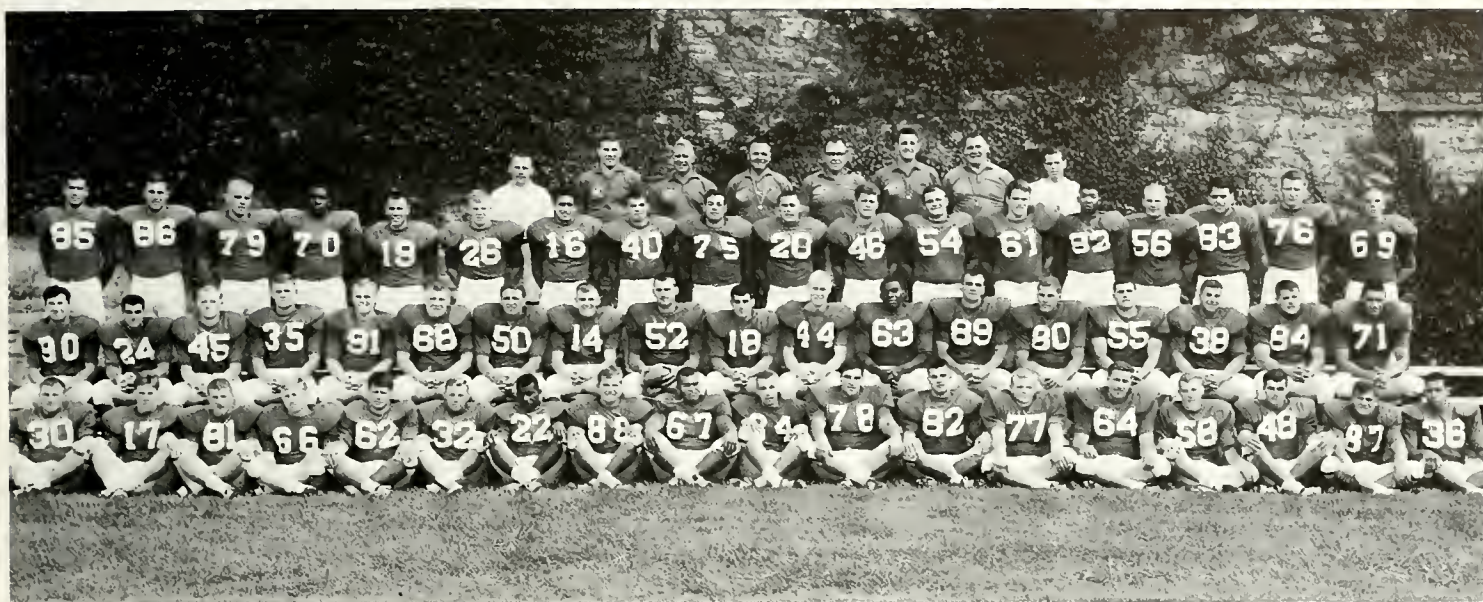

Head coach Dick Offenheimer's Bulls showed a remarkable ability to rise to the occasion under the most adverse conditions. Just when the inexperienced offensive unit started to jell, it suffered a severe setback when sophomore quarterback Rick Wells broke his leg. The team floundered until Nick Capuana in his role as fireman, successfully combined with the number two defensive team in the country to lead U.B. to a 5-3-2 season.

Such defensive stalwarts as Captain Joe Holly, Craig Helenbrook, All-East stars Gerry LaFountain and E. G. Poles, along with surprising offensive performances from sophomores Lee Jones and Dick Ashley, brought the team to their supreme achievement in the triumph over Delaware. Although there will be a loss of many lettermen due to graduation, promising freshmen like Martha, Svec and Kowalewski present a bright note for the future.

SEATED: T. Brennan, R. Wells, L. Lehner, T. Pettit, M. Rissell, T. Hoke, B. Washington, D. Pierozzolo, D. Brisky, S. Baronowski, M. Amorese, R. Rishel, T. Hurd, D. Ashley, L. Jones. ROW 2: J. Oscodol, T. Ridolfi, J. Savage, J. Smigelski, M. Douglas, R. MacKellar, J. Duprey, F. Geringer, Captain J. Holly, R. Ridolfi, J. Webber, E. Greenard Poles, D. Burden, C. Helenbrook, J. Garofalo, D. Przykuta, G. La Fountain, B. Taylor. ROW 3: P. Kleiber, J. Dunn, J. Ratel, R. Pugh, D. Enyart, J.

BASKETBALL

Once again Coach Len Serfustini's basketball Bulls will notch a winning season. With three crucial games yet to be played, the UB cagers are 13-6. The most outstanding feature of this year's team has been their ability to play cliff hanger basketball, despite a marked improvement over last year's schedule. The thriller of the year was the 73-70 victory that UB eked out over Akron, during which Harvey Poe shot a UB season high of 29 points. The promise of a post-season bid awaits this year's team, who have shown that they can play against the best competition and still triumph.

The great pivot play of Bill Borth, the deft shooting of Harvey Poe and the amazing driving of Norward Goodwin will all be missed next year. However, the run, pass, shoot offense of Ed Muto's yearlings, plus the brilliant play of sophomore Artie Walker, Bob Thamas, and Doug Bernard enhance the probability of another successful season next year.

SEATED: R. Grefe, B. Thomas, L. Brassel. ROW 2: R. Barkowski, Manager; B. Barth, D. Curran, D. Bernard, H. Poe, J. Culbert, E. Muto, Assistant Coach.

ROW 3: P. Goldstein, A. Walker, J. Cavanaugh, L. Serfustini, Head Coach; N. Goodwin, R. Mann, J. Williams.

GOLF

For the fourth consecutive year, the University of Buffalo's golf team won the Brooklea Invitational Tournament. Ed Nusblatt was the low medalist for this event.

Coach Len Serfustini's linksmen boasted an 8—2 dual match record. Led by Ed Nusblatt, Tony Santelli, Mike Lawler and Doug Bernard, U.B. captured first place in the regional ECAC held at Syracuse and came in a strong eighth in the ECAC finals played at Farmindale, Long Island.

Although Ed Nusblatt and Mike Lawler will be lost through graduation, the return of Tony Santelli and Doug Bernard will insure a successful season for next year.

CROSS COUNTRY

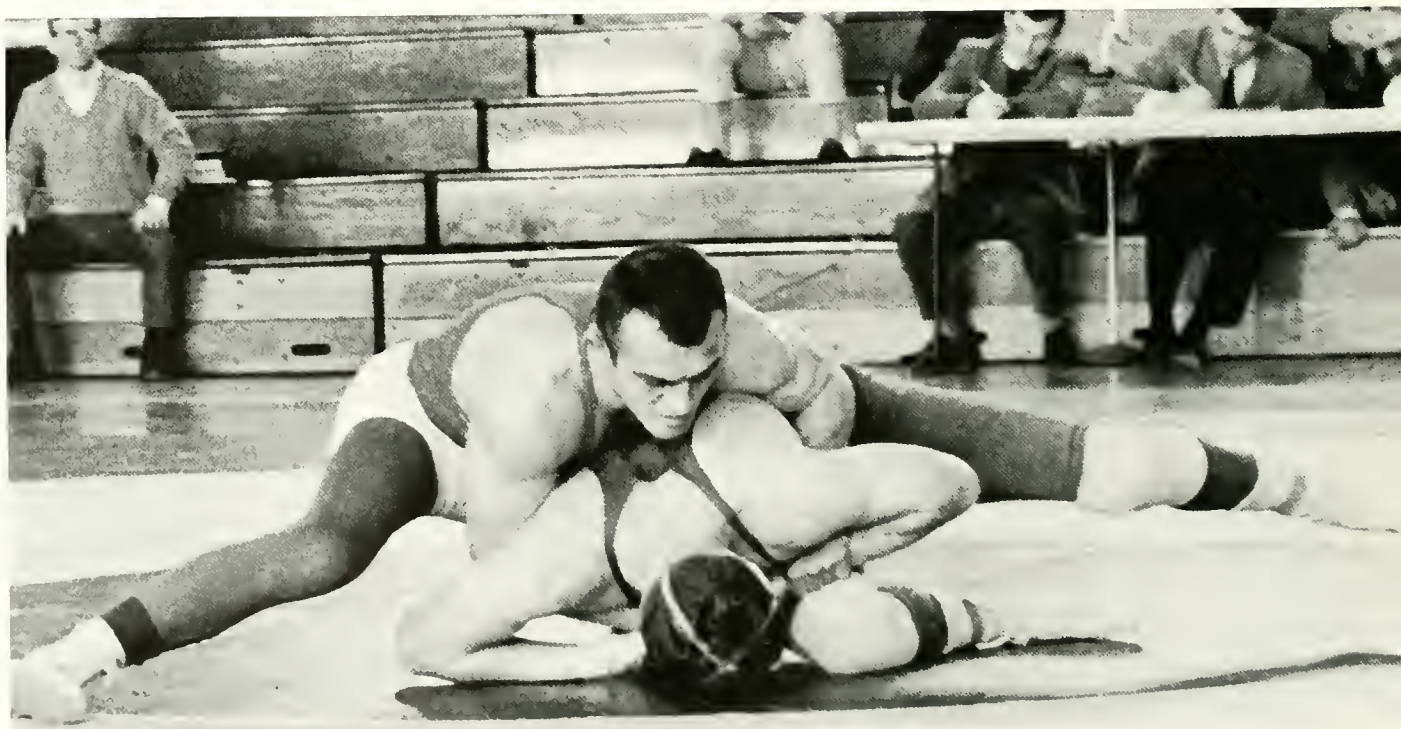

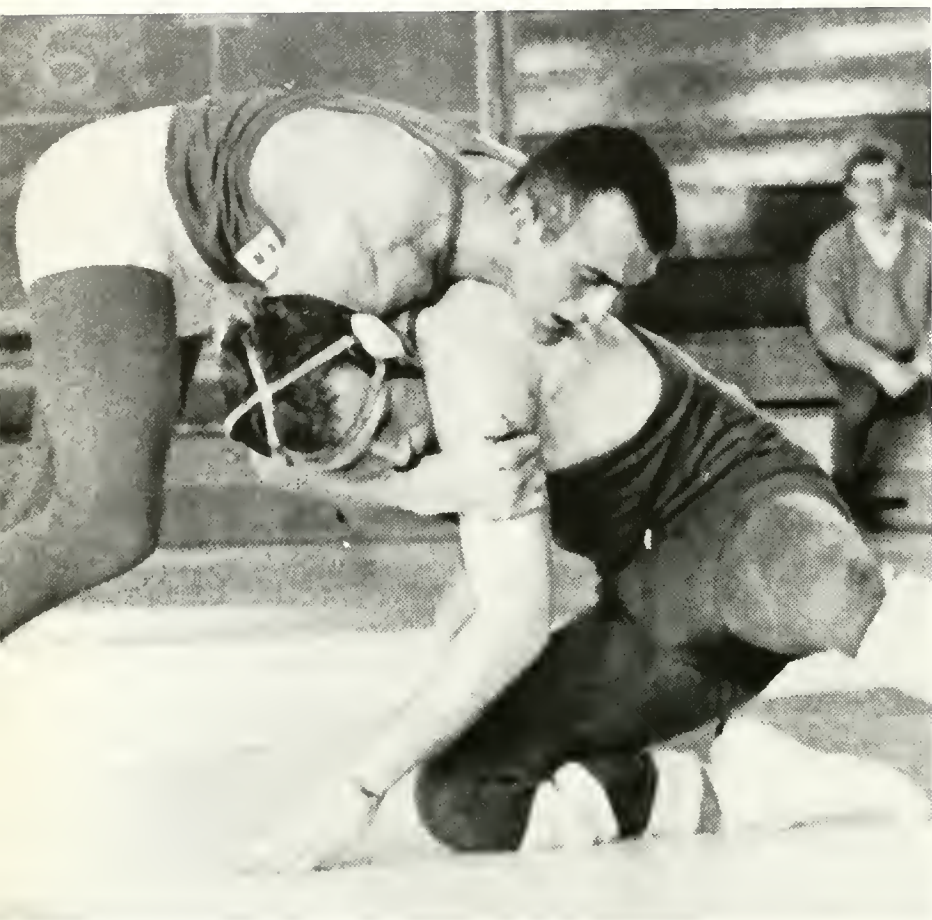

Once again injuries plagued Coach Emery Fisher's harriers as they finished the season with a 3—7 record. The highlights of the campaign were victories over Niagara, RIT, and Fredonia State. In addition, UB placed sixth in the Lemoyne Invitational and ninth in the Cortland NYSCYT.

Although Jock Kerns, Captain and M.V.P. will be graduating, an experienced nucleus, bolstered by many talented freshmen remains. If Captain-elect Bill Suedmeyer stays healthy, next year should indeed be a banner year.

WRESTLING

Although this year was expected to be one of rebuilding, Coach Ron LaRoque's matmen have encountered more adversities than expected. The loss of versatile Bill Miner, early in the season, coupled with other ill-timed injuries have handicapped the Bulls in their rigorous mat schedule. Captain Norm Keller and undefeated Gary Fowler have been outstanding for the matmen. The return of nine lettermen and the addition of several excellent frosh prospects will enable the team to improve on this year's record, barring injuries of course.

The University of Buffalo Hockey Team opened its 1965-66 season with a new coach and missing four graduated All-League players, but the ice Bulls were still rated among the favorites in the Finger Lakes Intercollegiate Hockey League.

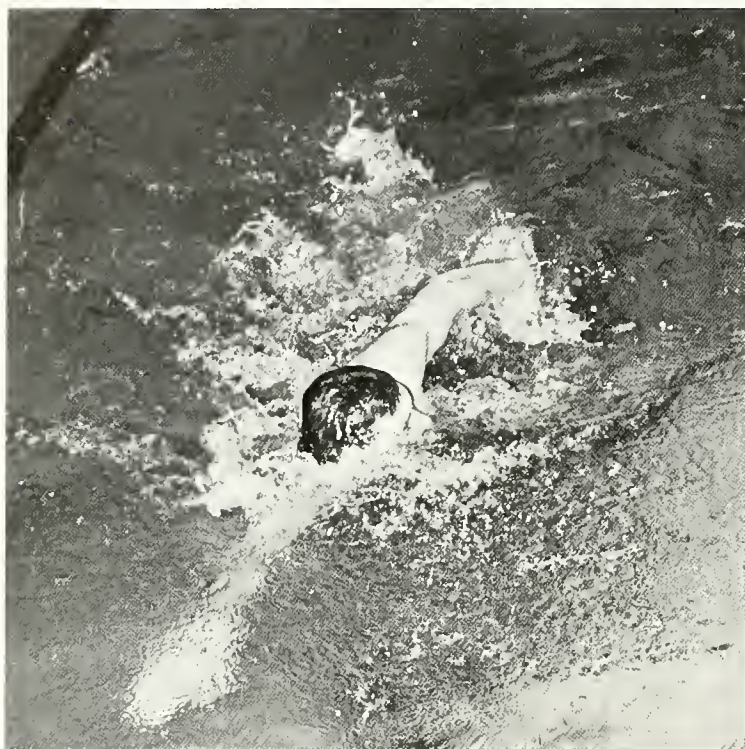

A solid core of rookies and returning performers got the Herd off to a fast 2-1 record as they took the measure of Canton Tech and Brockport while losing a heart-breaker to arch-rival RIT 7-6, despite Captain Dan Gorney's four goals. Fred Cohen, Day Hannah Jr., Tom Robertson, Kevin McCullough and Al Dever were outstanding performers for the Bulls.

Three straight defeats at the hands of Oswego State and Ithaca (twice) put Buffalo out of contention for the league crown as the second part of the season began, but they bounced back to whip Utica 13-5 and are looking forward to the remaining games on the schedule to get their record over the .500 mark.

Coach Day Hannah Sr. will have a strong nucleus of players returning next season and is looking into the near future when the hackey Bulls will gain varsity status and be able to compete on equal terms with the major hockey powers in the East.

The University of Buffalo mermen opened the season by swimming to a strong third place finish in the New York State Relays held at Geneseo. To accomplish this, U.B. qualified in 17 of 18 events, amassing a total of 69 medals.

During the past three seasons, the finmen have broken over 100 records. The relay team, anchored by Captain Carl Millerschoen, shattered the freestyle and medley records, while the outstanding senior on the team, Roy Troppman shattered the 200 and 500 yard freestyle marks.

Although Coach William Sanford will lose eight seniors from his best team in 17 years of coaching at U.B., next year should again be a banner year for the University of Buffalo water bulls.

BOTTOM ROW: R. Phillips, B. Kaider, W. Fleischmann, I. Puls, R. McMillen, M. Perkis, M. Canray, B. Butler. ROW 2: D. Tayntar, P. Hulburt, M. Mitzel, S. Ranis, M. Grashaw, C. Millerschoen, Captain. ROW 3: M. Clarcq, D. Walters,

For 25 years, Coach Sidney Schwartz, and his assistant coaches, Jules Goldstein, Mike Mearian, and Barry Benisch have had winning fencing teams, and this year is no exception. Led by All-American candidate, Joe Paul, the team has won 7 out of 9 matches. UB's performance has mainly depended on Bob Frey in Sabre (23-4), John Houston in Epee (17-8), and Joe Paul in Foil (26-3). Coach Schwartz has predicted a strong finish this year, culminating with the North Atlantic Championships at Paterson State in March.

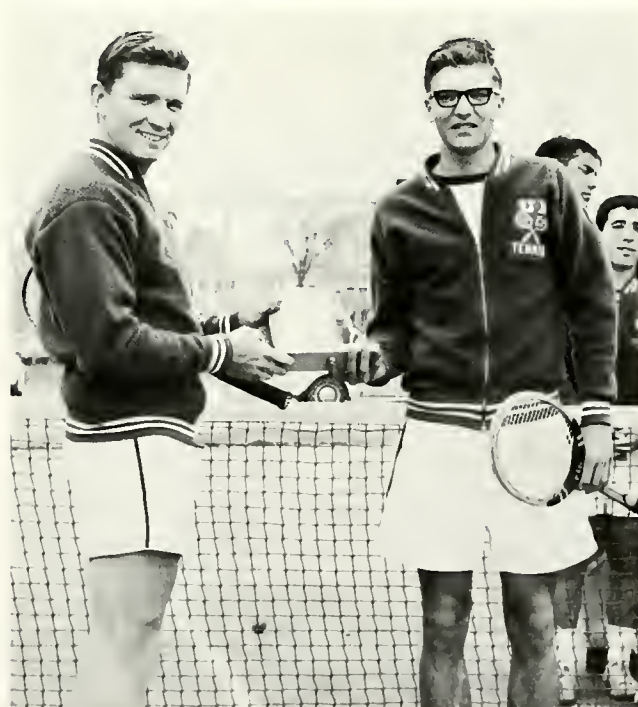

BOTTOM ROW: L. Glazer, Manager; D. Mingle, M. Yudhic, L. Schneider. TOP ROW: W. Mann, R. Barrett, W. William H. Sanford III, Coach; D. Bazezinski, R. Siegel.

TENNIS

With the loss of but one letterman, Bob Barrett, Coach William Sanford boasts a veteran squad which looks forward to a bright future. In view of last season's 10-3 record and 90-27 overall match score and the heavy graduation losses of prospective opponents, the outlook is optimistic. The addition of such talented newcomers as James Ripley and Darrell Carp complement the established stars: Denny Brzezinski, playing manager Larry Glazer, Wally Mann, last year's big newcomer, Lenny Schneider and Matt Yuschik. This year's team will look forward to meeting Syracuse and Colgate and others in competition.

BASEBALL

Victory at the Western New York Inter-collegiate Baseball Conference has become synonymous with the University of Buffalo nine. 1965 marked the seventh straight year that Jim Peele's diamond men have accomplished this feat. During the period, U.B. has amassed a truly remarkable 55 and 8 won-lost record.

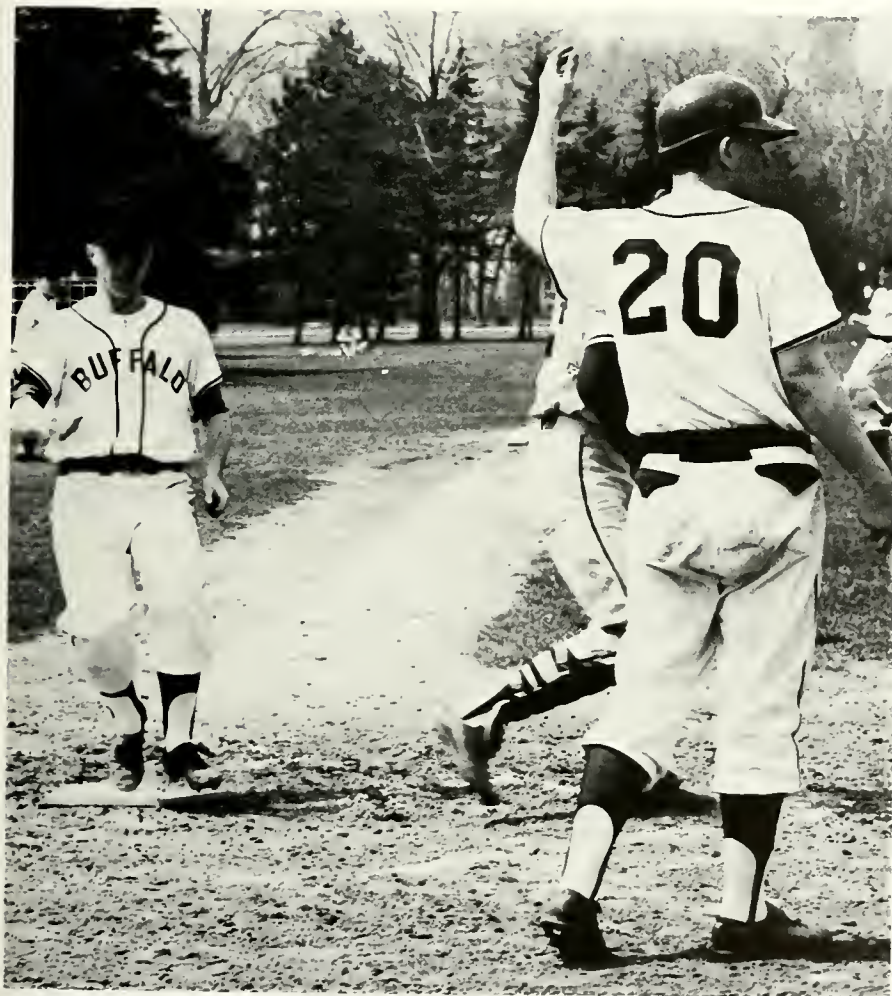

There were many reasons for last year's success. The most notable of these is Earl Tomkins, the league's leading hitter (.563) and most valuable player. In addition to Earl, four U.B. players were distinguished by selection for the All-Star Team.

Although four lettermen have left us due to graduation, the return of the Barto brothers, Gordie Shaw, Robert Pusateri, Ron Leisser and Don Potowora, has left a nucleus of potential. Complimenting these veterans will be many members of last year's highly successful freshman team. All indications lead to the eighth successive Conference Championship.

TRACK

The graduation of U.B.'s captain and most valuable track star, Ron Reiber, will leave a formidable gap in this year's team. Bert Ernst, Mike Eagan, Pete Reese, and Dick Genau have also left the team upon graduation. Coach Emery Fisher's squad finished with a 1-1 record in dual meets with a 1-0 in triangular meets. The highlight of the track season was a third place finish at the U.B. invitational. The prognosis, however, is excellent with newcomers such as Captain Larry Elsie, Mel Spelman, and Larry Nevikaum, last year's frosh record breaker.

The expectations of this year's team rests heavily upon the ability of these most promising sophomores.

PROFESSOR OF AEROSPACE STUDIES

The sole reason for the existence of the Air Force Reserve Officers Training Program is to produce young officers who, immediately upon graduation and being commissioned, can assume important positions as leaders and supervisors in a space-age Air Force; it is to produce men committed to the defense of their country, men who can be developed into the leaders that will be entrusted with the heavy responsibility which modern weapons and the maintenance of freedom entail.

The AFROTC space in this year's *BUFFALONIAN* is dedicated to those 55 or so AFROTC graduates from SUNYAB who will be voluntarily assuming this great responsibility during this academic year.

It is only appropriate as these custodians of the nation's defense set sail in a turbulent sea of international problems that they have the brightest of beacons to guide them to their destination. There is no brighter or more appropriate navigational aid than those three hallowed words, "Duty, Honor, Country," used by General of the Army Douglas MacArthur as the theme of his address to the cadets of the United States Military Academy on May 12, 1962. A part of this address is requoted at this time for the reflection of the AFROTC class of 1966.

Yours is the profession of arms, the will to win, the sure knowledge that in war there is no substitute for victory, that if you lose, the nation will be destroyed, that the very obsession of your public service must be duty, honor, country.

Lt. Colonel THOMAS L. HUDDLESTON
BS University of Southern California

Others will debate the controversial issues, national and international, which divide men's minds. But serene, calm, aloof, you stand as the nation's war guardian, as its lifeguard from the raging tides of international conflict, as its gladiator in the arena of battle. For a century and a half you have defended, guarded, and protected its hallowed traditions of liberty and freedom, of right and justice.

Let civilian voices argue the merits or demerits of our processes of government: Whether our strength is being sapped by deficit financing indulged in too long, by Federal paternalism grown too mighty, by power groups grown too arrogant, by politics grown too corrupt, by crime grown too rampant, by morals grown too low, by taxes grown too high, by extremists grown too violent; whether our personal liberties are as thorough and complete as they should be.

These great national problems are not for your professional participation or military solution. Your guidepost stands out like a tenfold

beacon in the night: Duty, honor, country.

You are the leaven which binds together the entire fabric of our national system of defense. From your ranks come the great captains who hold the Nation's destiny in their hands the moment the war tocsin sounds.

The long, gray line has never failed us. Were you to do so, a million ghosts in olive drab, in brown khaki, in blue and gray, would rise from their white crosses, thundering those magic words: Duty, honor, country.

FRESHMAN ORIENTATION

The Freshman Orientation Program in September of 1965 presented a diversified calendar of events to the incoming students. The program was planned so that the academic, social and cultural sides of university life were all presented.

The highlights of the program were the Academic Convention and the Festival of the Arts. For the Academic Convention a series of panels composed of prominent faculty members were set up. The panels discussed America's role in Viet Nam, academic freedom, civil rights, the population explosion, moral issues in literature and cinema and the roles of males and females in society.

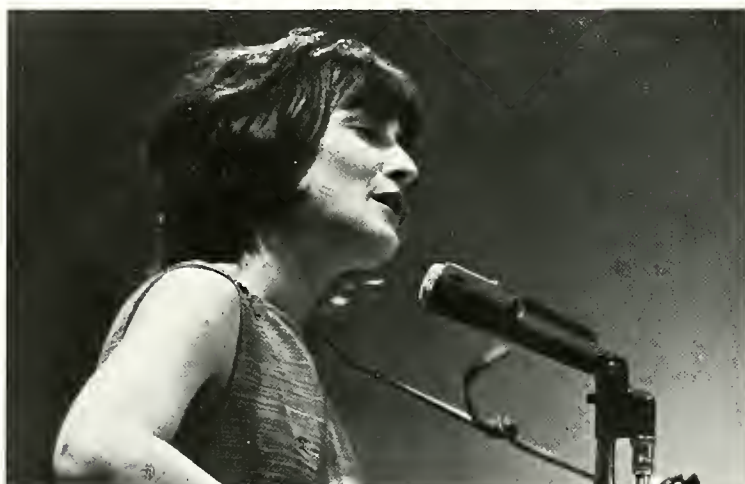

The Festival of the Arts presented Patsy Reese, a local folksinger; a concert by the creative associates, musicians at the university under a grant from the Rockefeller Foundation; two dramas, "The Zoo Story" and "Rouge Atomique"; and a movie, "Raisin in the Sun."

Academic Convention
Civil Rights—For Whom?

"The Zoo Story"

Patsy Reese

In addition to these programs the freshmen were given the chance to talk with faculty members and get their views on the learning process. In the Opportunities and Goals Program, a representative of each department informed the students as to what each course of study had to offer.

On the social side, a Norton Union Open House was held for the freshmen. The Tiffin Room and Rathskeller were at their disposal for most of the evening.

To climax the orientation program, the freshmen were addressed by Clifford C. Furnas, the Chancellor of the University, at the Academic Convocation.

In addition to this, a special program was carried out for transfer students during which they were addressed by the Dean of Students, Richard A. Siggelkow.

Homecoming 1965 started new traditions, initiated in the form of homecoming competitions. New contests revolved around this year's Indian theme. They included human totem pole contests, watermelon eating and Indian costume contests.

Old traditions were maintained as well. The stars of the mass pep rally held in Clark Gym were Camille Severin, the new homecoming queen, and Jay Katz, Tau Kappa Epsilon's winning Ugly Man.

Saturday evening, following a memorable UB-Boston University football game, the weekend was climaxed at a dinner dance at the Cordon Bleu, where Camille was presented with a plaque from the student association.

Pi Lambda Tau
Overall Winner

Chi Omega
Fairy Tales Can Come True.

Mr. Formal Voting.

During the week prior to Spring Weekend 1965, there were several events which provided a warm up for the traditional activities. They included jazz concerts in the center lounge, entertainment in the Rathskeller and several films.

On Friday the weekend's activities began with the heralding cavalcade. Following this, a "tricycle grand prix" was held around the library circle "speedway." The afternoon was highlighted by the colorful float parade which was, as always, a popular event. The days festivities concluded with a concert by the Kingston Trio at Kleinhans.

On Saturday, May 1, the U. B. Karne-Bull opened. It was an enjoyably successful innovation with many amusements and carnival games. All the proceeds were donated to the John F. Kennedy Memorial Library Fund. Saturday night at the Spring Weekend Ball held at the Town Casina, Rasalyn Brothman and the winners of Mr. Faculty and the float Parade were announced.

The annual event sponsored by the sororities and fraternities on campus, Greek Weekend, was held this year on November 12 and 13. Sigma Phi Epsilon was honored by placing first in Greek sing and Theta Chi's Janet Shelly was crowned Greek Queen.

The weekend was climaxed by Greek Ball, held in the Mary Seaton Room at Kleinhans.

Greek Weekend, an annual event sponsored by the Sororities and Fraternities on campus, was held in the early part of November. The events highlighting the weekend included election of a queen, a competitive sing, and Greek Ball.

Sigma Phi Epsilon won the overall sing competition and Theta Chi Sorority's Janet Shelly was crowned Greek Queen for 1965-1966 at the Greek Ball.

GREEK BALL

SILVER BALL

Winter Week 1966 took place December 12—18. The "Winter Fantasia" was highlighted by Mr. Formal competition, a mixer featuring the Maniacs, a carnival and free night, the student faculty basketball game, and the showing of the movie, "One Potato Two Potato."

The winner of the Mr. Formal competition, Mike Couture, of Sigma Phi Epsilon fraternity, was announced Saturday night the 18th at the Silver Ball. Theta Chi won the Winter Week Trophy.

TRIVIA

In December of 1965 WBFO offered the first in a series of monthly Trivia Tournaments. The purpose of the tournament is "the dissemination of totally useless and banal facts in an attempt to pollute as many minds as possible."

The contest is structured after the GE College Bowl format, with two opposing teams competing to answer trivial questions, and audience participation if neither team is able to answer the question. The questions covered such subjects as early radio programs, T.V. and movie Westerns, silent movies, comic book characters and other such vital trash.

The tournaments proved to be very successful and attracted much interest as evidenced by attending audiences of over 500 students.

DISEASE

This year's epidemic had its golo opening on September 2, when over 200 students were stricken with food poisoning as a result of eating shrimp salad served in Goodyear Cafeteria.

Although the commuter participation was very disappointing, it is understandable in light of the circumstances. We are hoping for a bigger turnout next year.

The events, which lasted until Oct. 1, included such activities as fever, sore throat, nausea, diorrhea and the effigy burning of Ptomaine Tilly the Goodyear cook.

Seriously though, the dedicated help from students, the Health Office, the Erie County Department of Health, the Housing and Maintenance staffs and the Schools of Nursing and Medicine along with the quick action of the Food Service in confining and controlling the epidemic should not go unnoticed.

Quoting from some of the unfortunate victims, "After hearing the constant cries of apathy on the UB campus, one only has to witness the undaunted help which we know we could never repay, to see that sometimes, at least, they ore unfounded."

The Inter-Residence Council, on behalf of the resident students, enacted a resolution thanking all these people who gave of their time and energy to help the stricken students.

It is hoped that the participation of the shigilla and streptococcus organisms which were infamously identified as the insidious villains of this year's event will not become an active tradition on our campus.

INDIA WEEK

Professor Powers
Lecture on Indian Music

Ali Akbar Kahn
Indian Music Concert

Indian Dance Recital

The SUNYAB India Festival, held from October 3rd to October 9th, 1965, sponsored by numerous university and cultural groups, consisted of concerts, lectures, exhibits, slides and a film pertaining to Indian culture.

Ali Akbar Kahn, master musician of India and artist in residence for the week, gave lectures, demonstrations and recitals on the sarode, an ancient Indian string instrument.

Two preliminary lectures by Dr. Harold Powers, "On the Structure of Indian Music" opened the festival. The formal program began with a performance by Ali Akbar Kahn and his group. Dr. Sherman Lee lectured on "Creative Aspects of the Art of India" and during the festival art exhibits from private and museum collections were on exhibition along with a photographic display. A modern Indian film was shown as well as a demonstration of ancient Indian dances. A panel discussion on "Indian Thought" was also held during the course of the week.

The festival marked the first time for both the University and the city of Buffalo, that so many aspects of a foreign culture were presented so fully.

CONCERTS

The Kingston Trio

The Reverend Gary Davis

Joe . . .

and Eddie

Phil Ochs

Anita Sheer

The Green Briar Boys

In the past few years many performers have been brought to our campus. Peter, Paul and Mary; Joe and Eddie; Joan Baez and The Serendipity Singers to name a few.

This year the first annual U.B. Folk Festival took place at Clark Gym on the nights of October 1st and 2nd. On the opening night the Green Briar Boys, a spiritual blue grass ensemble, opened the show and the stunning Buffy St. Marie performed after intermission. The second night featured Eric Anderson, The Reverend Gary Davis, and Phil Ochs. The two evenings of concerts were accompanied by three daytime workshops which were enthusiastically attended.

SPEAKERS

This year SUNYAB has been the fortunate host to many fine speakers.

The Convocations Committee in conjunction with the International Club presented a series of lectures, directed at answering the question "What is China?" Students had an opportunity to hear three noted experts, A. Doak Barnett, Zbigniew Brzezinski and Mary Wright illuminate this vital topic.

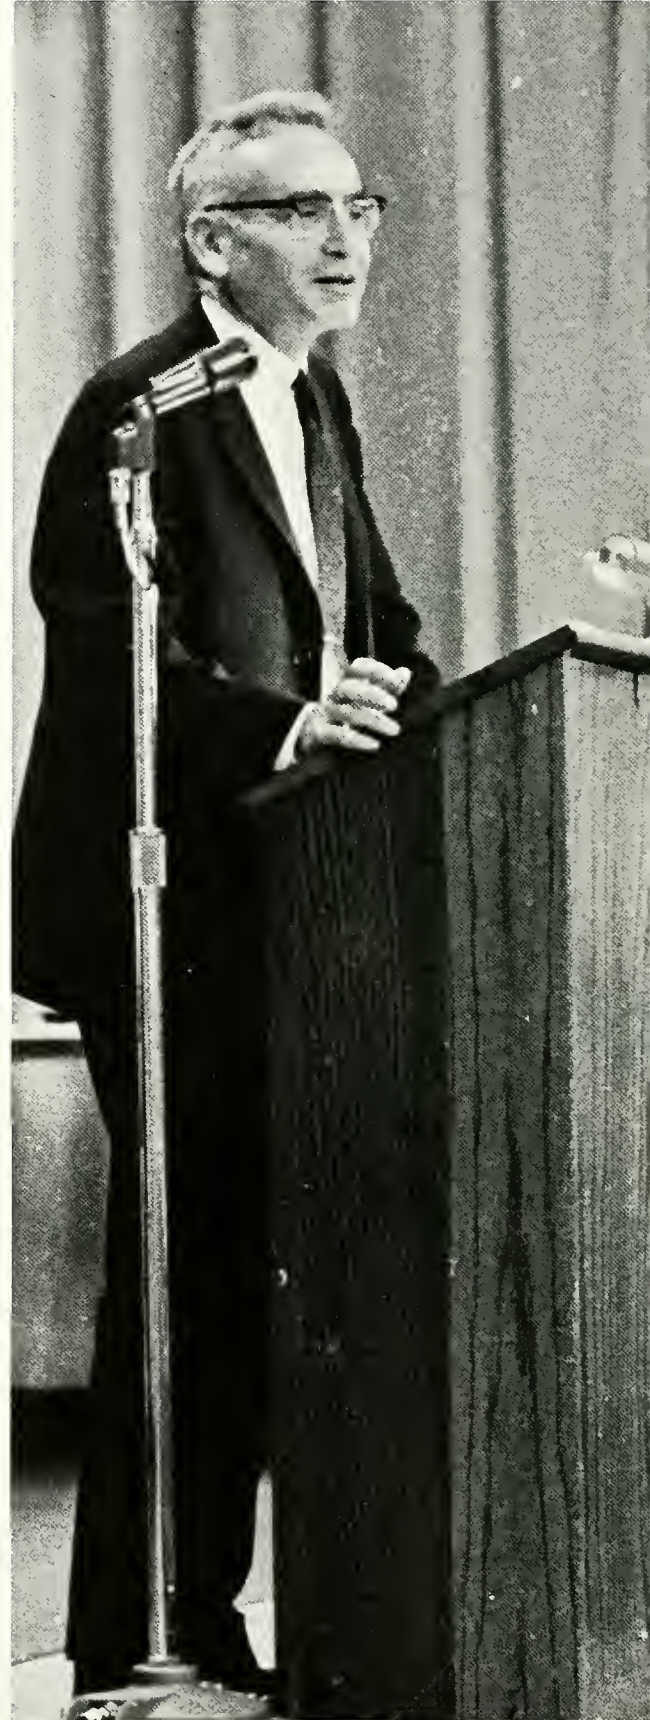

The topic of this year's Fenton series of lectures was "Government of Science." The series presented lectures given by five distinguished men in this field.

The Convocations Committee also presented Nobel Prize winner Linus Pauling who urged "Concern for Humanity," as well as sponsoring a three speaker philosophy series and six lectures by visiting professor Dr. Edward Teller seeking to explain the basic concepts in the "Large World of Albert Einstein."

Through these programs of lectures on many diverse topics the University has provided the student with many opportunities to develop and cultivate his academic interests outside the classroom.

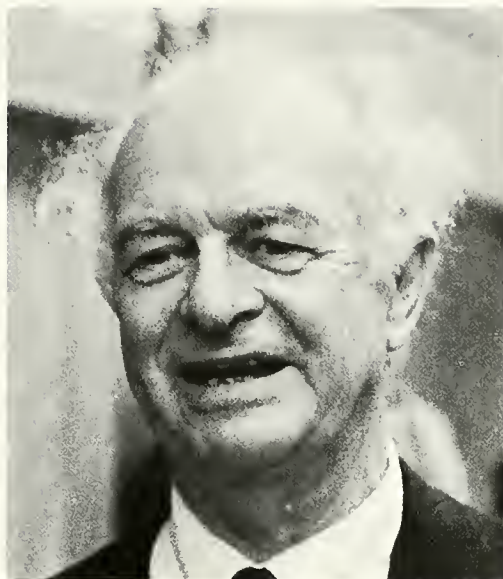

Assistant Secretary of State Unger

THE BUDAPEST STRING QUARTET

The Budapest Quartet, consisting of Boris Drach, Joseph Raisman, Alexander Schneider, and Mischa Schneider, are interpreters of chamber music.

The quartet's pre-eminence goes back a good many years. They first played in America in 1930 and they have since become closely identified with musical life in this country.

They gave up their long time headquarters in the Library of Congress to become the resident quartet here in 1962. The performers' deep affection for the late Cameron Baird, was a strong motivation in the group's decision to come to Buffalo.

During their residence here, the Quartet has not only performed its famous six program cycle of Beethoven Quartet, but has performed as well with visiting artists, and taught master classes to students in the area.

Since their arrival, the Quartet has received much enthusiasm from Buffalo audiences and has "Set a standard which will be hard to equal in our generation."

Music washes away from the soul
The dust of everyday life—

Bertholt Auerbach

DRAMA

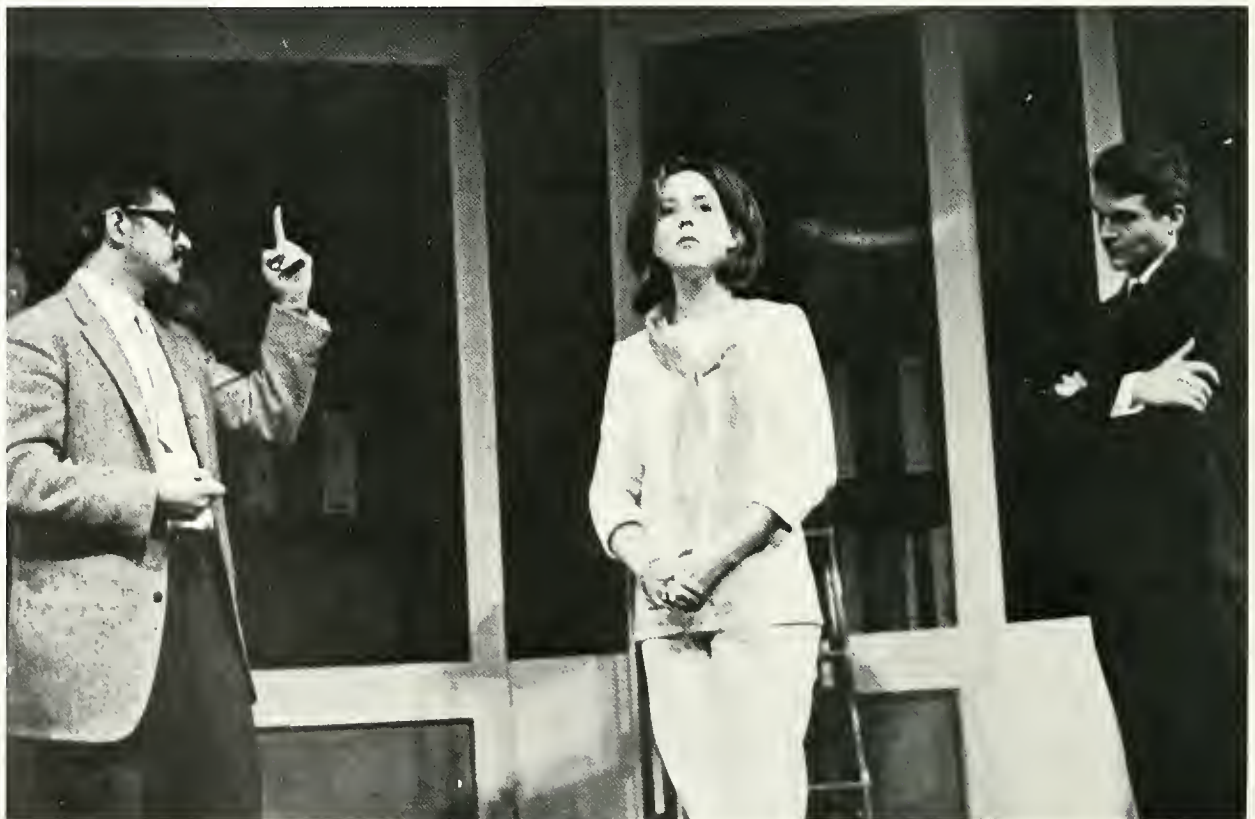

Three of the major productions offered on campus this year were the Drama and Speech department's "The Lady's not for Burning" by Christopher Fry, the Music department's production of the Fantastics and the Free Southern Theater's presentation of Assie Davis' "Purlie Victorious."

To promote interest in dramatic activities on and off campus, and to give opportunities to acquire skills in the dramatic arts, are but two of the goals set by the Student Theatre Guild.

The Guild, formerly the Student Dramatic Society, aims at presenting at least one play a month. This year, it has met with success in such productions as Edward Albee's "Zoo Story," "Return Journey" by Dylan Thomas, and "Servants of the People" by Lawrence Ferlinghetti.

Offering new playwrights a chance by producing their plays is another one of the Guild's activities. Ruth Swayze's "You Haven't Suffered Enough" was presented not only at U.B., but it was the Guild's contribution to Saint Bonaventure's drama festival.

This year, in accordance with its new policy, plays were presented free of charge to students, and the Guild's major production of "Oh Dad, Poor Dad, Mama's Hung You in the Closet" and "I'm Feeling So Sad" were the first of its productions to be student directed.

The purpose of the Interfraternity Council on the University of Buffalo campus is to promote a co-operative effort of brotherhood, scholarship, and service for the betterment of the fraternity system and the whole student body. During the current period of expansion and transition on our campus the I.F.C. is being called upon to provide direction and leadership to the entire fraternity system. The realization of the potential of the fraternity system rests with the Interfraternity Council.

ALPHA EPSILON PI

SEATED: S. Davis, H. Glazeroff, B. Goldstein, B. Cohen, J. Laurence, D. Zolin, S. Schulman, S. Smith. ROW 2: A. Morrus, G. Harrison, J. Schneider, K. Erbstein, D. Schneider, B. Winnick, S. Blumberg, E. Ingerman, M. Yosha. ROW 3: S. Frankel, B. Colo, W. Weinstein, B. Stein, P. Butler, E. Winarsky, R. Cohen, B. Brotman, D. Braun, A. Melmeo, R. Schwartz. ROW 4: L. Pohl, C.

Lusthaus, J. Soffer, J. Gershen, M. Castro, S. Ratick, A. Gerson, S. Gordon, S. Nule, J. Unterman, A. Prywes, J. Wasson, A. Scholom, E. Snyder, A. Soldman. ROW 5: D. Colbert, M. Nunen, J. Alpha Epsilon Pi has reached its 50th year. It has prospered and grown to a fraternity of predominant leadership. Over 24,000 men have worn the pearled badge of membership since the day when eleven collegians formed the bonds of fellowship and fraternalism which have lasted these many years.

Upsilon Beta, which entered the gold and blue in 1958, has grown along with its national parent. In the words of our founders, we are "organized for the purpose of inculcating and promoting deep seated friendship; to courage; to inaugurate a healthy spirit of cooperation and helpfulness; and to create a better understanding among our fellow men . . ."

All of our Brothers are well aware that time will pass; friends will be made, and brethren shall depart; but Alpha Epsilon will live on.

ALPHA KAPPA PSI

SEATED: F. Fohl, J. Burt, M. Sonnenreich, T. Rogers, H. Recklinghausen, D. Mackay. ROW 2: R. Conrod, K. Deal, S. Farbmon, L. Kwiatkoski, R. Frey, S.

Borowiec. ROW 3: F. Canto, S. Schrulein, W. Comp, D. Taylor, B. Rolph, J. C. Brummer, J. Lombard.

Alpha Kappa Psi has flourished at the University of Buffalo for nearly 35 years, and the 1965-66 year has been no exception in upholding the high ideals of the fraternity.

Alpha Kappa Psi enjoys the distinct advantage of being able to combine the professional aspects of business with the social aspects of the strictly social fraternity to give it a dual purpose for functioning. The Beta Iota Chapter of the Blue and Gold has held numerous banquets this year at which prominent area business have spoken.

Due to the diligent work of the brothers, Alpha Kappa Psi has been able to put a greater stress on social and athletic events this year than ever before. In the fraternity's first year of full-scale athletic competition, Alpha Kappa Psi has more than held its own in the Inter-Fraternity League.

For many of the brothers, things actually began rolling a week before classes resumed in September, when they participated in the Alpha Kappa Psi National Convention in Denver for a memorable four days. Other highlights of the year have included the Halloween Party, the Christmas Party and the Closing Affair.

"Alpha Kappa Psi recognizes that we live in deeds, not years; in thought, not breath; in service, not in figures on the dial." As long as these words from the fraternity creed are carried out, Alpha Kappa Psi will continue to thrive as it has this year.

ALPHA PHI DELTA

SEATED: D. Calquhoun, J. Cacuzzi. ROW 2: S. LaRosa, J. Muffoletta, T. Peca, Sgt. at Arms; T. Thalner, Pres.; M. Pecarella, W. Chamberlain. ROW 3: G. Mitinas, M. Piecuil.

Alpha Phi Delta Fraternity, founded in 1914 at Syracuse University, was established at the University of Buffalo in 1921. Aside from achieving high scholastic achievement, Epsilon Chapter continues to support all campus activities and participate in all major interfraternity sports.

The social season began in late summer with a picnic in Evans Town Park. During the academic year the highlights of campus activity included participation in Homecoming Weekend, Greek Weekend, the Annual Halloween and Christmas parties, and Spring Weekend festivities. APD closed another successful year with the Annual Alumni Dinner Dance honoring the distinguished alumni of Epsilon Chapter.

Alpha Phi Delta will continue as in the past to be a moving force of fraternalism, scholarship and recreation for its members.

ALPHA PHI OMEGA

SEATED: R. Garrecht, Service Chair.; H. Gondree, Treas.; R. Adamski, Pledge-master; P. Yaviene, Pres.; S. Weiss, Social Chair.; J. Edwards, Sec. ROW 2: J.

Ferrara, J. Trent, J. Boffa, A. T. Sherrad, J. Kugler. ROW 3: R. Huver, D. Beckett, R. Kalbas, F. Allen, R. Tanner, M. Roach.

Since 1948, Epsilon Sigma Chapter of Alpha Phi Omega has grown and prospered on the State University of New York at Buffalo Campus. Brotherhood through a program of social activities and a program of service to campus, community and nation have traditionally characterized our history.

This past year has given us many memorable moments. Moving the girls into the dorms is one event we shall not forget. It was not only a service to our fellow students but a service to ourselves.

Our Annual Ugly Man On Campus Contest not only enables us to provide enjoyment for other organizations on campus but to promote and instill the thought of giving to a worthy charity which this year was Father Kelliher's Working Boy's Home.

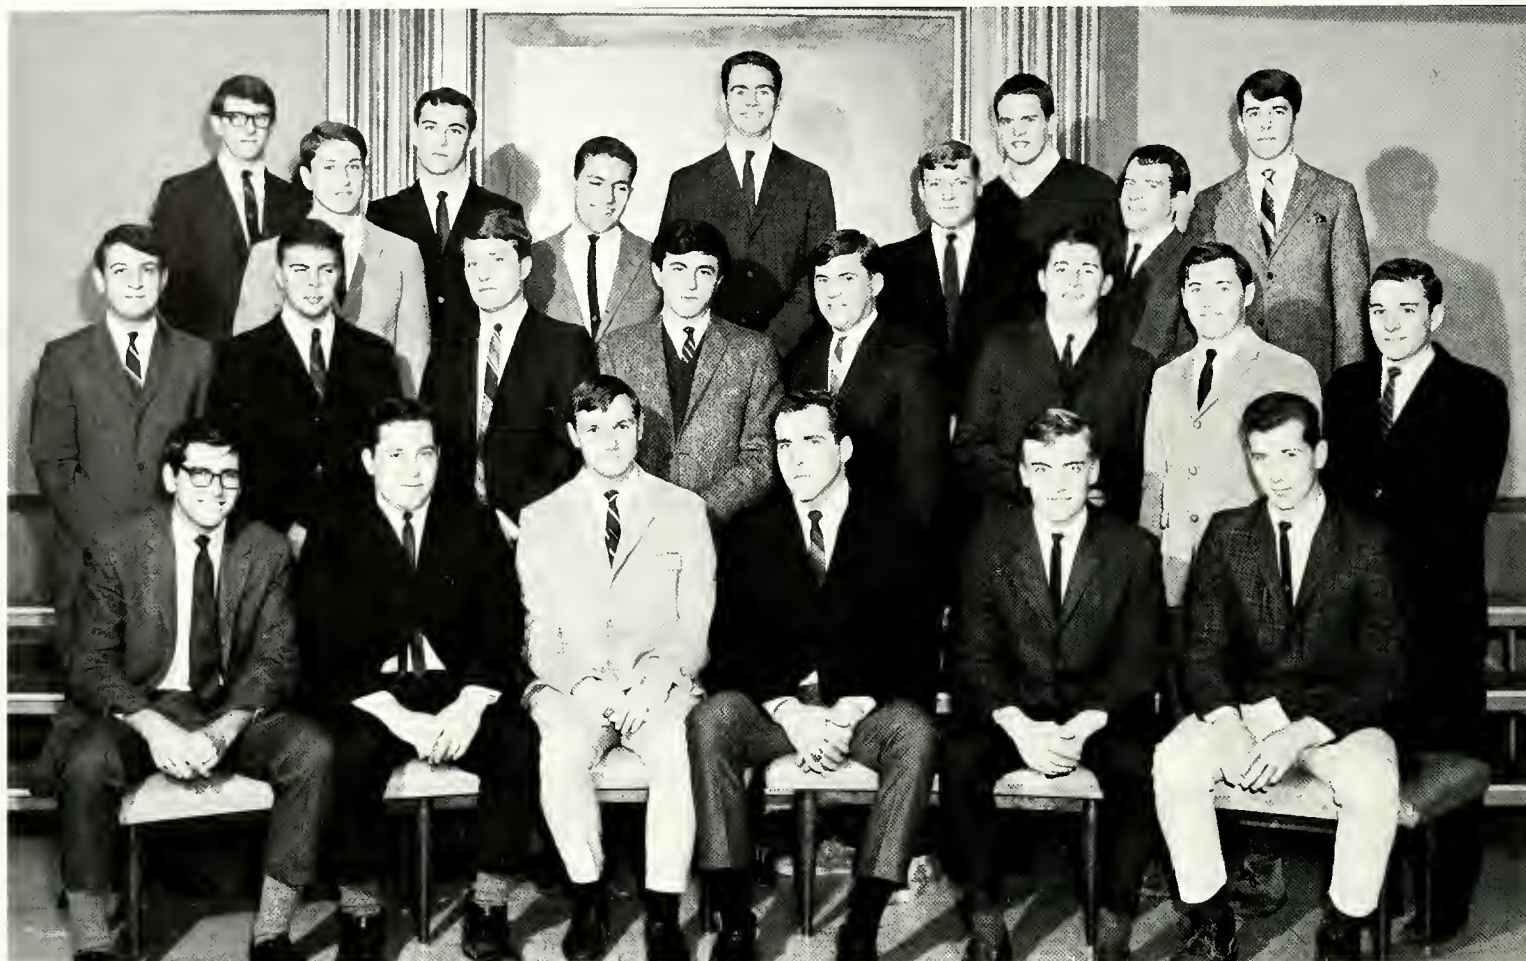

Remember change of registration day at Clark Gym? Yes, we were there, too. Besides working for registration we also had to find time to change our own schedules.

This year also saw Alpha Phi Omega become a member of the Inter-Fraternity Council and distribute a campus and surrounding area information desk blotter to all students.

The Epsilon Sigma Chapter of Alpha Omega remains a fraternal organization of young college men with high ambitions.

ALPHA SIGMA PHI

SEATED: P. Tropman, Sec.; E. Black, Marshal; D. Cawen, Pres.; K. Guth, V. Pres.; D. Oliver, Carr. Sec.; M. Andalina, Sgt. at Arms. ROW 2: P. Destro, D. Alais, R. Planavsky, A. Alessi, P. Tennant, P. Bennett, G. Falk, M. Insalaca.

ROW 3: A. Laurita, T. Milonda, E. Dessaffy, J. Drew. ROW 4: M. Swenson, J. Ryan, W. Schaeffer, C. Batula, W. Yahwak.

Alpha Sigma Phi prides itself in the deeply binding spirit of its Brotherhood. SPIRIT. Spirit through individuality, selflessness, determination and respect. It is precisely this spirit that has made 1965-66 a very good year.

SPIRIT! The kind of spirit that has pervaded every activity—every endeavor.

In sports Alpha Sig began the year big. By capturing the Fraternity Football Championship and by finishing first in the gold tournament, Alpha Sig chalked up valuable points in its quest for the sports trophy. SPIRIT!

A determined rush program resulted in the largest pledge class of any fraternity. SPIRIT!

Numerous and varied social events highlighted this memorable year. Parties at the legendary "Flying E." Parties! Casual parties, cocktail parties, pajama parties, "scuby" parties. There were always parties! Every shape and form—planned and spontaneous; evening and afternoon; here and there—everywhere. Our parties had it—THE SPIRIT!

When it was time to work—we worked. "That Man" Karl Guth was our Mr. Formal candidate and many "all-nighters" were spent during the campaign. SPIRIT!

Our intense effort to improve our academic standing resulted in one of the highest cumulative indexes the Fraternity has enjoyed in years. SPIRIT!

The Brothers of Alpha Sigma Phi refuse to be fitted into any pre-determined category, any stereotype. Each frater enjoys his own interests and pursuits and has an intellect and personality that is distinct from any other. Yet it is precisely through this personal autonomy and the respect—both for self and other—that the Brothers of Alpha Sigma Phi remain so closely bound to one another.

At the "Black and White," our annual semi-formal affair, alumni and actives get together to renew and reaffirm the spirit of the "Old Gal." The SPIRIT that has made this year—like others before and like others to come—a very good year.

BETA PHI SIGMA

SEATED: I. Wechsler, A. Cardoni, A. Bonacci. ROW 2: T. Pachlo, D. Rohlin, D. Burns, G. Mulcahy, A. Levitt, L. George. ROW 3: S. Siskin, G. Skolski, R. Walnicki.

The oldest fraternity on campus and the oldest greek letter pharmaceutical fraternity in the United States, Beta Phi Sigma, was founded at the University of Buffalo by Dr. Henry G. Bentz on December 15, 1888. The purpose of the brotherhood is to advance its members both professionally and socially on campus and in the community after graduation.

As a professional-social fraternity, Beta Phi Sigma is active in many of the affairs on campus and in the School of Pharmacy. On campus, we are the only greek pharmaceutical organization that is a member of the Interfraternity Council, participating in the I.F.C. projects, Greek Weekend, and intramural sports. In the School of Pharmacy, we participate in APHA events, the annual Pharmacy School Open House and other professional activities.

Each year is climaxed by our annual dinner-dance where our alumni, who make up the majority of pharmacists in western New York, return far an evening of joy and reminiscing.

Beta Phi Sigma is composed of individuals who are different in many ways, but who are all striving for a common goal: brotherhood, friendship and continued professionalism in their chosen field. We are continuing in our tradition of maintaining the balance between social and professional life within the fraternity. Each plays a vital role in the development of the individual.

BETA SIGMA RHO

SEATED: S. Litvok, V. Worden; R. Rubenstein, Worden; L. Druss, Auditor; M. Edelstein, Chancellor; P. Conrad, V. Chancellor; S. Kesend, Rec.; K. Ritz, Inner Guard; G. Cantor, Hist. ROW 2: M. Rubin, D. Wenke, S. Morcus, H. Gerst-

man, B. Cohen, P. Reinstein, R. Zachory. ROW 3: R. Miller, R. Miller, T. Doy, I. Sandler, S. Friedman, R. Nisenson, H. Bender, E. Fixler, J. Kone.

Delta Chapter of Beta Sigma Rho Fraternity was founded on the University of Buffalo campus in 1917. The purpose of the fraternity was then, and still is, the promotion of fraternal spirit and good fellowship among its members, the diffusion of liberal culture, and the advancement of scholarship. Essentially, Beta Sigma Rho is a social fraternity and prides itself in its social affairs. One of the highlights of the fall semester is the fraternity's annual "Autumn Nocturne." Beta Sigma Rho is justifiably proud of all its campus activities and has had its share of success in all fields of endeavor.

GAMMA PHI

SEATED: P. Jenkins, Corr. Sec.; E. Reynolds, Treas.; B. Caldwell, Pres.; J. Killian, V. Pres.; T. Riggs, Rec. Sec. ROW 2: A. Luck, A. Sacks, L. Elsie, A.

Kahn, S. L. Mills, Hist.; R. Russell, R. Zessis. ROW 3: D. Patter, J. Anderson, G. Cushing, K. Starabin, J. Dailey, S. Mass.

In 1959, Gamma Phi Fraternity became officially recognized on the University of Buffalo campus. Since that time it has enjoyed phenomenal growth in both achievement and membership.

Gamma Phi pledge classes have brought to the Brotherhood active members of the Student Senate, the Student Publications Board, the Varsity Debate Team, and Varsity athletics. More recent pledge classes have brought further political and scholastic recognition to Gamma Phi. Presently, we count two Brothers in U. B. Dental School, three Brothers in leading graduate schools across the country, and two Brothers in the Advanced Corps of Air Force R. O. T. C. Our President, Bryan Caldwell, was recently chosen as a Distinguished Air Force Cadet officer for 1965-66. This honor is based on scholastic achievement and leadership ability.

Looking to the Social aspect of our fraternity, Gamma Phi's parties are well attended by the Brothers, the pledges and the Alumni. The Gamma Phi Sweetheart Ball and Greek Olympiad are recognized annual events on the campus.

In inter-fraternity athletics, Gamma Phi does not always reach the pinnacle in achievement, but we are proud of our record of participation and good sportsmanship.

In the future, as now, Gamma Phi will continue to support and uphold the University which strengthens us and the Fraternity system which unites us.

KAPPA PSI

SEATED: R. Napierala, Sec.; J. Delaney, Regent; L. Kudla, V. Pres.; R. D. Matthys, Treas. ROW 2: D. Vogel, T. L. Knowlton, G. Amidan, C. Bainbridge, M. Manka, R. Ersing, G. Reynolds. ROW 3: J. Graham, S. Eckert, J. Kawalski,

E. Mraszczak, R. Ameele, R. Van Slyke, K. Witte, A. Panzica. ROW 4: R. Calasima, A. Pulcina, R. Lamb, D. Goldstein, C. Milbrandt.

Kappa Psi Pharmaceutical Fraternity was founded on May 30, 1879, as a literary fraternity. Later, the organization evolved into a medical-pharmaceutical fraternity, and in 1924, the two professional sections formed separate fraternities. The medical half became Theta Kappa Psi, and the pharmaceutical half, Kappa Psi.

The professional fraternity offers much the same benefits to a man as the social fraternity does, with the addition of meeting many others with common vocational goals.

One of our annual athletic events includes the football game with another pharmacy fraternity. We won this year, as we always do. Another is a basketball game with our graduate chapter.

Socially, in addition to the numerous informal get-togethers of the fraternity, Kappa Psi actively participates in the planning and support of Pharmacy School events, such as the Fall Picnic, the Christmas Dance, Open House, and the student exchanges with other schools of pharmacy.

The "Good Time Charlie" parties, held each month after the meetings of the American Pharmaceutical Association, offer an informal atmosphere for discussion between students and faculty.

The highlight of our annual social activity is our Dinner Dance. Last year, we had this at the Executive Motor Inn, in Cheektawaga, New York.

The brothers of Kappa Psi are justly proud of their past record, and will continue to advance the fraternity and the profession of Pharmacy through ambitious programs of academic and extra-curricular endeavor.

Pharmacy School picnic.

PHI EPSILON PI

SEATED: L. Sacks, N. Sapin, R. Fink, B. Epstein, A. Seigel, S. Ronis, B. Bienstock. ROW 2: R. Beck, M. Cohen, M. Weem, J. Steinberg, R. Weitz, S. Linker, A. Minkoff, B. Adler, P. Morotta, C. Nottingham, R. Reiss. ROW 3: J. Bornett, M. Weiner, J. Green, S. Weiner, N. Ringler, S. Lomell, L. Shatoff, P.

Tenser, S. Findel, D. Freundlich. ROW 4: M. Chertok, G. Holob, M. Kobrin, J. Brodrick, S. Ruch, S. Michaelson, R. Altman, J. Rosenberg, M. Fish, M. Grashow.

The Brothers of Phi Epsilon Pi Fraternity consider themselves responsible for a positive contribution to the primary functions of the University and, therefore, under an obligation to encourage the most complete personal development of its members. In keeping with these ideals, Phi Ep has undertaken and participated in a variety of projects and events.

This year, as in the past, Phi Ep has undertaken volunteer work at the V.A. Hospital and has spread joy and good cheer at the Children's Hospital under the guise of Santa Claus and his little helpers.

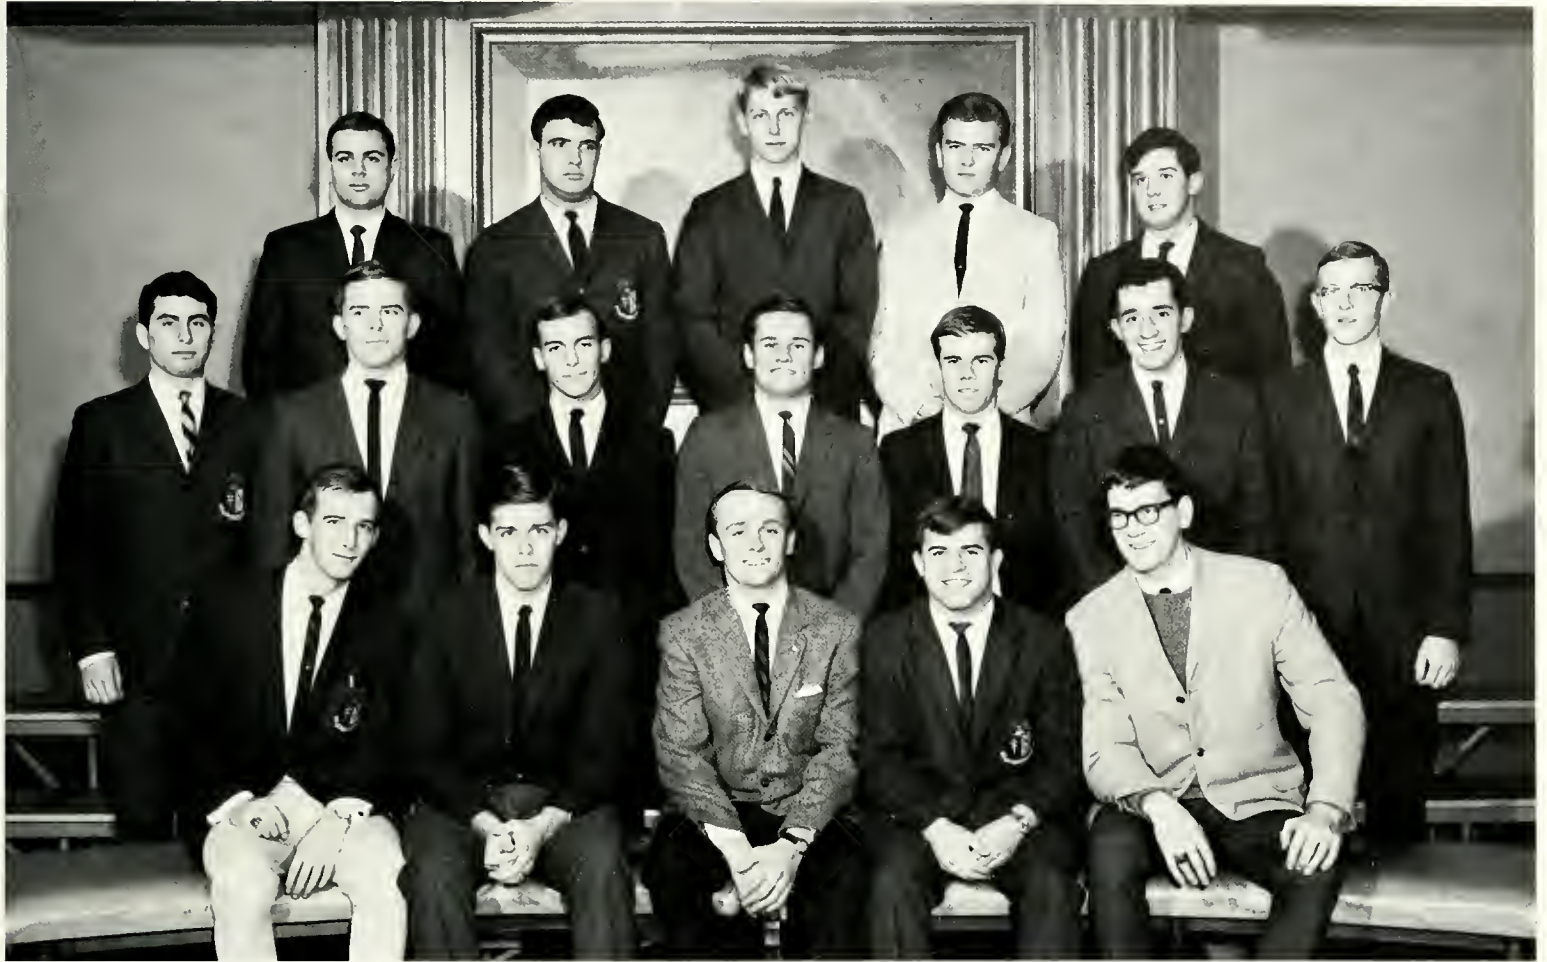

Athletically speaking, Phi Ep has made a good showing in all events, always striving to better last year's second place finish in the Pahlawitz Trophy standing.

This year's social calendar was highlighted by our champagne party and Spring Weekend closing affair.

In closing, the Brothers would like to extend best wishes for success and happiness to the graduating seniors who have helped Phi Ep in its endeavors to attain its ideals and strengthen its fraternal bonds.

PHI LAMBDA DELTA

SEATED: G. Soehner, Social Chair.; K. Brodie, Treas.; B. Hammond, Pres.; G. Ehresman, V. Pres.; R. Holland, Sec. ROW 2: D. Lyons, J. Culbert, M. Erl, P. T.

Hammond, D. Darling, D. Jahn, L. Kinnick. ROW 3: M. Marino, L. Pampi, R. Dixon, J. Sigourney, A. Gaurin.

The school year was closed at Letchworth . . . celebration and relief . . . a flashing red light . . . "Hey, who the hell's McNeill?" . . . and maybe a tinge of sorrow . . . initiation.

Summertime . . . not too long . . . not too hot . . . three months and three weddings later . . . the reuniting begins . . . changes and adjustments . . . still harmony, unity and brotherhood . . . rushing and pledging . . . somehow the same, yet always different . . . "The Last Blast" . . . planning . . . work . . . and more work . . . Comstock and Ballantine . . . the joy of success.

Parties . . . variety . . . differences of opinion . . . Suma wrestlers and "T.F." . . . The Bowl-a-Drome or the "stud farm" . . . "Far be it from me" . . . a literary award . . . "That's poor!" . . . The pinning songs . . . the pinning parties . . . new traditions.

Phi Lambda Delta . . . a tangible group, an intangible feeling . . . changing and being changed . . . we call it "Brotherhood."

PHI KAPPA PSI

SEATED: L. Schweichler, Sec.; D. Franko, Pres.; P. Longo, Sec. ROW 2: A. Capozzi, J. Fetto, T. Videon, D. Warren, J. Grod, J. Sansone, B. Hays. ROW 3: R. Fredricks, R. Schmidt, G. Sommer, J. Rich, Jos. Rich, J. Wolf. ROW 4: R.

Shields, B. Kennedy, C. Millerschoen, B. Bevilacqua, D. Clements, A. Helfenstein, J. Campagnolo.

Phi Kappa Psi emersed itself in many activities this year. We proved ourselves to be a power in the intramural sports program this year by placing third in faatball and by capturing first place in swimming. Our brathers also contributed outstanding members ta varsity teams: Brather Gilbert in faatball; Brather Millerschaen in swimming; Brather Donahoe in wrestling; Brather Bevilacqua in basketball; and Brather Daherty in hackey.

Hawever, Phi Psi has directed its overall effart toward the Spirit af Brotherhaad. Our energy and will has striven ta build a strang fraternity. By making ourselves strang, we realize that the entire Greek papulation will be strengthened, in a time when they need ta be.

PI LAMBDA TAU

SEATED: W. Pomerhn, Rec. Sec.; R. Allen, First V. Pres.; D. Licherelli, Pres.; T. Herlehy, Second V. Pres.; M. Petz, Treas. ROW 2: F. Coppo, J. Wescott, R. Present, S. Simon, J. Present, G. Seaward, C. Adam. ROW 3: R. Boller, J.

Dervay, J. Krovec, R. Stearns, J. Bolton, E. Cole. ROW 4: W. Winship, D. Terhaar, D. Smith, W. Gould, N. Love, G. Tittmore, M. Morrell.

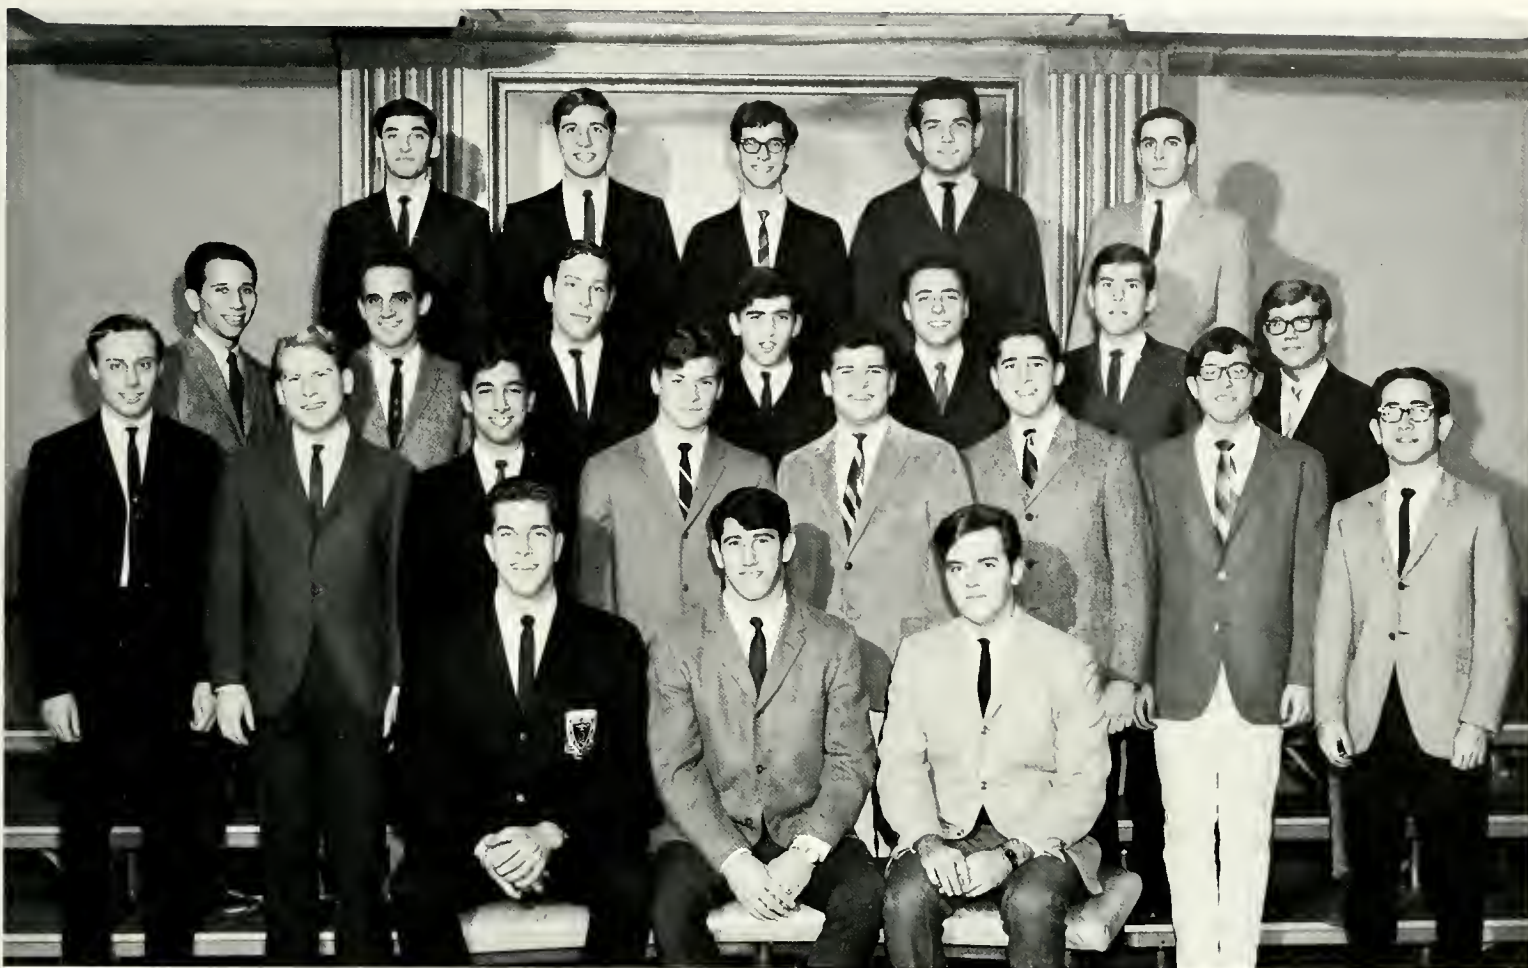

Pi Lambda Tau was organized as a local professional fraternity in 1952. The status of the fraternity was changed in 1961 to make it a social fraternity. As such, the brothers of Pi Lambda Tau engage in a wide variety of social and intramural activities.

The motto of Pi Lambda Tau is "Spectenus Agenda"—we are judged by what we do. The brothers of the fraternity incorporate this idea into their daily activities by attempting to promote the ideals of scholarship and fellowship. That they are successful in this endeavor is evidenced by the fact that they have won the I.F.C. Scholastic trophy twice.

The brothers of Pi Lambda Tau are proud of their past record and will continue to advance the fraternity thru a conscientious program of academic quality and extra-curricular leadership.

SIGMA ALPHA MU

SEATED: A. Schaen, R. Siegel, D. Sadawe. ROW 2: J. Krasner, R. Haber, R. Segan, H. Maier, C. Arnold, R. Levitt, S. Cahen, D. Seiman. ROW 3: M.

Geller, M. Schweiger, S. Blumenkrantz, V. Fradin, I. Arans, R. Stein, S. Frankfurt. ROW 4: R. Kalish, M. Schultz, R. Lubasch, S. Sunshine, B. Krahn.

The Founding Fathers of Sigma Alpha Mu Fraternity described the purposes and ideals of the fraternity in part "to foster and maintain among its sons a spirit of fraternity; a spirit of mutual moral aid and support." To the brothers of Nu Chapter, who are celebrating our Fiftieth Anniversary this year, these are the guiding ideals of our chapter.

In 1964-65 the brothers of SAMMY participated in every intramural sport; we have for the fifth consecutive year run the Ernie Davis Leukemia Fund Drive; we have participated in all interfraternity activities and many of our brothers actively work for the Student Senate, civil rights, and for the betterment of the community.

We at Nu Chapter of Sigma Alpha Mu are looking forward to the coming year with high hopes that it will be as rewarding to the Chapter as the past years.

SIGMA PHI EPSILON

SEATED: R. Mills, Corr. Sec.; D. Chown, Sec.-Hist.; E. Marek, V. Pres.; A. Holmon, Pres.; L. Costanzo, Comptroller; M. Thompson, Rec. Sec.; S. Ramba, Chaplain. ROW 2: M. Mochwald, C. Messina, R. Flynn, N. Colletta, J. W. Baker, J. E. Orsini, J. Deegan, P. Marsella, G. Loreface, E. J. Norman, J. T. Marino, R. C. Benton. ROW 3: S. Martin, D. Fischer, G. Parry, T. Pepperman,

Brasington. ROW 5: D. Eldredge, F. Schoellkopf, R. Valdov, J. Kasper, D. Gruber, B. Capell, T. Robinson, T. Calnon, R. Fick.

1966—another year in which Virtue, Diligence, and Bratherly Love, combined with able leadership and strang caopera-tion, gave the Sig Eps another successful and satisfying year.

Even though the pajama parties, nurses socials, "house warmings," the FSC and Queen of Hearts will stick in our minds, the thing that we will always remember is the satisfaction and enjoyment experienced by warking together. This is the Spirit of Bratherhood, which is traditionally Sig Ep. The wark that goes into such activities as Queen of Hearts, Greek Sing, Mr. Farnal, Sparts and Dinner Dance contribute to this spirit. Success, which is measured in terms of Bratherhood, gives life to the adage, "Unity through Diversity."

Half the mob.

The drunken folksinger.

We got hopes.

THETA CHI

SEATED: E. Shorkey, Librarian; W. Walluk, T. Hines, V. Pres.; H. Willett, Pres.; P. Segert, Sec.; P. Fischer, Chaplain; T. Swanson, First Guord. ROW 2: E. McGuinness, R. Agoglia, J. Pucholski, M. C. Boumansour, B. Underhill, R.

Allen, T. Stratton, M. R. D'Arcangelo. ROW 3: T. Hosie, J. Kenyon, G. McGovern. ROW 4: G. Fadale, T. Kenjarski, K. Swortz, P. Schwiegerling, G. Bruno, B. Ransam.

The brothers of the snake and the swords have resided at 2 Niagara Falls Blvd. since 1949. We have been able to maintain a fraternity house through the hard work and dedication of our brotherhood. We have always tried to take part in campus activities to show fine school spirit, such as the fire-dragon and Mr. Formal. We take pride in having the best parties on campus. Our closing function, "The Dream Girl," furnishes us with lasting and stirring memories of the year.

TAU KAPPA EPSILON

SEATED: J. Dahlberg, Chaplain; K. Hoffman, Treas.; A. Glassman, V. Pres.; R. Carmen, Pres.; J. Maloney, Sec.; P. Reese, Pledgemaster. ROW 2: J. Campbell, P. Balcarn, Sgt. at Arms; D. Pillsbury, M. Berenbach, R. Wood, B. West,

J. Cunningham, J. Kershner, D. Mingle, J. Schmid. ROW 3: R. Hall, R. Anderson, D. Neory, B. McAllister, J. Goodyear, J. Ringler, D. Hens, R. Preston, D. Richardson, F. Scirto.

This was a year of renewed spirit and greater unity of action. Under the very capable leadership of President Dick Carmen, the ball was rolling early in the year with the overwhelming success of TKE, and our candidate, Jay Katz, for "Ugly Man." For Winter Weekend, it was Denny Hens, "Man of Fire," who was our Mr. Formal Candidate.

The annual Parent's Day was again a memorable social affair which promises to be a long-standing tradition. The TKE's also placed a valiant third in Greek Sing, while their witty verses were well received by the audience. The Greeks also saw Dan Mingle win the seat of IFC president.

TKE's participated energetically in all intramural athletics and although not shining in any one sport, always exhibited the spirit of healthy competition.

In a year when our national affiliation was threatened, and in an era when some said that the spirit of fraternities was declining, TKE was on the move.

PANHELLENIC COUNCIL

SEATED: P. Adams, M. Graf, G. Moreno, Treas.; M. Bouer, First V. Pres.; C. Perl, Pres.; C. Andersen, Second V. Pres.; E. Greenberg, K. McGee. ROW 2: E. Kwitowski, J. Goldin, J. Leslie, H. Olson, S. Bouck.

The Panhellenic Council is the coordinating body of all sororities on our campus. Eighteen members, three from each sorority, work together to supervise and unify these sororities. The Council stands for good scholarship, for guarding good health, for whole-hearted co-operation with our college's ideals, for student life, for the maintenance of fine social standards, and for the serving, to the best of our ability, of our college community. To the Panhellenic Council, fraternity life is not the enjoyment of special privileges but an opportunity to prepare for wide and wise human service.

ALPHA GAMMA DELTA

SEATED: M. Pieri, Rec. Sec.; C. Lowden, Corr. Sec.; J. Salwicz, First V. Pres.; A. Wittenberg, Pres.; T. Stabb, Treas.; D. McGee, Second V. Pres. ROW 2: M. Lawryk, C. Lang, R. Impellitteri, M. Berberian, B. Caniglio, D. Lissan, M.

Graf, K. Kayson, G. Moreno. ROW 3: M. Nelson, A. Meogher, M. Busack, L. Holt, L. Wilder, C. Scheurer, K. Kurrikoff, M. Gugino, H. Olson, J. Sgrai, J. Camp.

1965—A fun-filled adventure for the sisters of Alpha Gamma Delta. With "Daisies do Tell, It's Joan," we whirled into the Spring Weekend queen campaign. Our float, "Wish I May," afforded us many hours of work and satisfaction. Joanne Sgrai sparkled as TKE's Playmate while Brownie Shaul reigned as queen of the Military Ball.

Despite the rush parties, socials, and campus activities, we had time to sing Christmas carols at the Veteran's Hospital, to participate in the Bunny Hop for the Easter Seal Foundation and to win the Panhellenic Scholarship Bowl for overall sorority average.

In Alpha Gam we have found the spirit of co-operation, mutual assistance and true sisterhood!

CHI OMEGA

SEATED: J. Zidow, Sec.; C. Andersen, V. Pres.; C. Harrison, Pres.; J. Boumgartner, Treas. ROW 2: D. Kile, J. Leslie, B. Pericola, J. Hastings, L. Forstcij, P. Iacuzzo, L. Letta. ROW 3: J. D. Scholl, P. Dray, B. Witzel, A. Donovan, I.

Knapp, S. Duffy, M. Checco, C. DeKramer. ROW 4: J. Armenia, J. McEvoy, C. Ulbricht, B. O'Hern, V. Hawe, P. Hemink, M. McConky, C. Seifert.

The sisterhood of Epsilon Chapter of Chi Omega is bound with a common history, traditions, activities enjoyed together, but most of all with sincere friendship.

Chi Omega was founded on April 5, 1895 at the University of Arkansas and today numbers 89,000 members. Epsilon Chapter here at the University of Buffalo joined the national fold December 14, 1940 and this year is celebrating its 25th anniversary on the campus.

The purposes of Chi Omega, high standards of personnel, friendship, sincere learning and creditable scholarship, vacations, participation in campus activities, and social and civic service give meaning to the lives of the sisters and are carried out through our activities.

Epsilon Chapter has distinguished itself this year by taking first place in the Alumni Homecoming Publicity Cantest and the small division of Greek Sing, and last year the cumulative average of the sisterhood ranked second among the six sororities on campus.

Another important date on every Chi Omega's calendar is the annual April Showers Dinner Dance, at which departing seniors are bade farewell as they leave their will to the remaining sisters.

Spring float, 1965.

Rush party.

Pledge class, Fall 1965.

"Chi Omega Fellowship is worth more than gold.
It's not had for the asking, no place is it sold.
You can't find it by looking in a book on a shelf.
You've just got to be a Chi Omega yourself."

Pledge skit.

On February 24, 1966, we, the Sisters of Sigma Koppa Phi Sorority, celebrated our second anniversary. We feel we have accomplished much in the past two years and we are looking forward again with enthusiasm to the coming ones. But now let's remember . . .

How about Spring Weekend 1965 and Penny, "Whirl thru the Highlands," the bag pipers, pattern #6903, the Trike Roce, Greek Sing, Sigma Phi Epsilon's Queen of Hearts, Kedro Debrindt, the sow dust, and, gosh, all this bills, our new Cap and Gown members Jane Goldin and Monica Bouer, the Freshman Ring awarded to Sue Schillo, the Neewellah Greek party, the hectic rummage sale, the Apache Re-loy and Homecoming, the grand old rush parties, the talk by Dr. Plesur, the pledge teas and shoe shines, the Alumni Christmas party, the Military Ball, ushering at the Studio Theatre, the committees for Academic Honesty and, best of all, those roast beef on wick dinners at the apartment ond, a little more farmally, our annual dinner dance!

But, closest to our hearts, is the bond of friendship and responsibility that we share; the bond that always reminds us exactly whot Sismo Kappa Phi Sorority is.

Shoe shine.

Whirl through the Highlands.

THETA CHI

SEATED: M. Leonard, Treas.; J. Baumgart, Rec. Sec.; D. Brodnick, First V. Pres.; S. Bouck, Pres.; L. Miskell, Second V. Pres.; G. Pardo, Corr. Sec. ROW 2: D. Demmerle, C. Kennedy, A. Incorvio, M. Zaccarine, P. Hanlon, B. Tycha, J. Savanyu, S. Gunsalus, J. Chimera. ROW 3: J. Woodruff, M. Merker, B.

Theta Chi was the first sorority to be founded on this campus in 1921. The achievements of our sorority lie in the strong bonds of Sisterhood which have been created. To the sisters of Theta Chi scholarship and individualism are most important. Working together as a group with our individual ideas, beliefs and responsibilities strengthens the ties of friendship. Sorority opens many new doors for the University woman—academically, socially, and through participation in the various aspects of college life.

Flowers and more flowers . . .

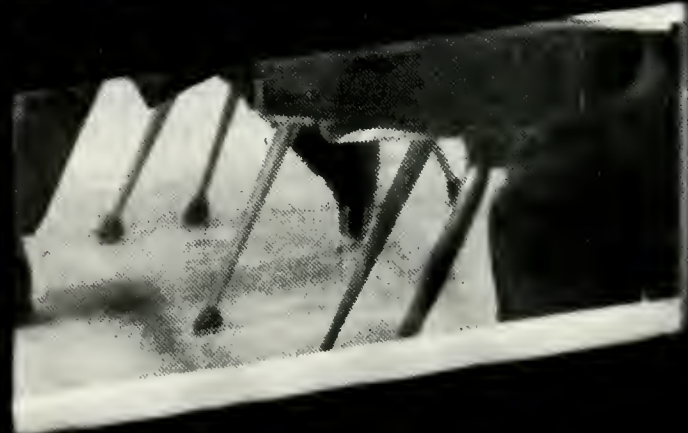

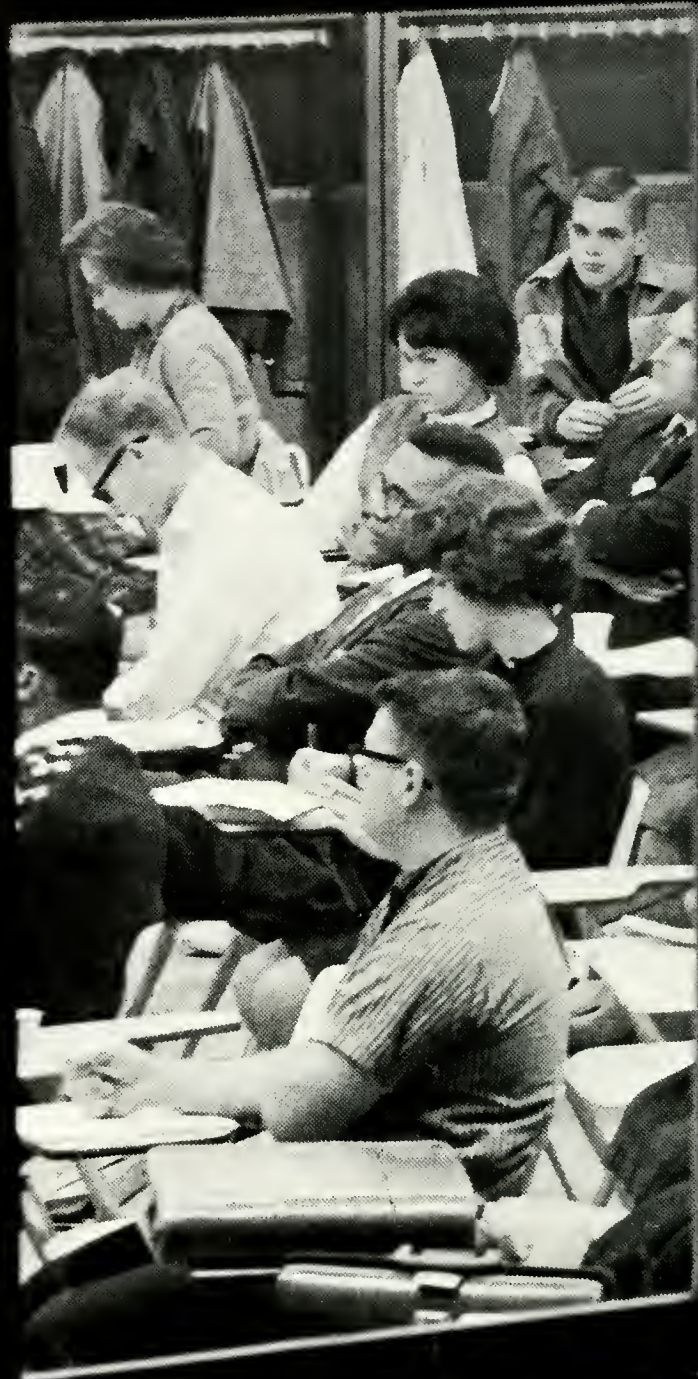

Janet Shelly, 1965 Greek Weekend Queen.

The spaghetti dinner . . . caroling at Buffalo State Hospital . . . gifts to the children in Liberia . . . the Christmas slumber party . . .

ORGANIZATIONS ORGANIZATIONS ORGAN

ATIONS ORGANIZATIONS ORGANIZATIONS

The University Union Board, since its inception in 1957, has aimed to give the student what he does not get in the classroom. This is done through the programming of social, cultural, educational and recreational activities, both in and out of the union. The enhancement of fellowship among the students of the University and the development of social responsibility and leadership among the members of the U.U.B. is another of its purposes. The board, as a whole, is the policy-making body. It sets up general rules to be followed, acts as a method of communication for the committees and tries to solve major problems of the entire organization. To carry out its purposes and aims the U.U.B. has set up a network of committees to plan its programs and activities. Coordination of these committees, along with the handling of every day problems and business, is assigned to the executive committees. This committee is made up of the officers of the U.U.B. and the chairman of the personnel committee.

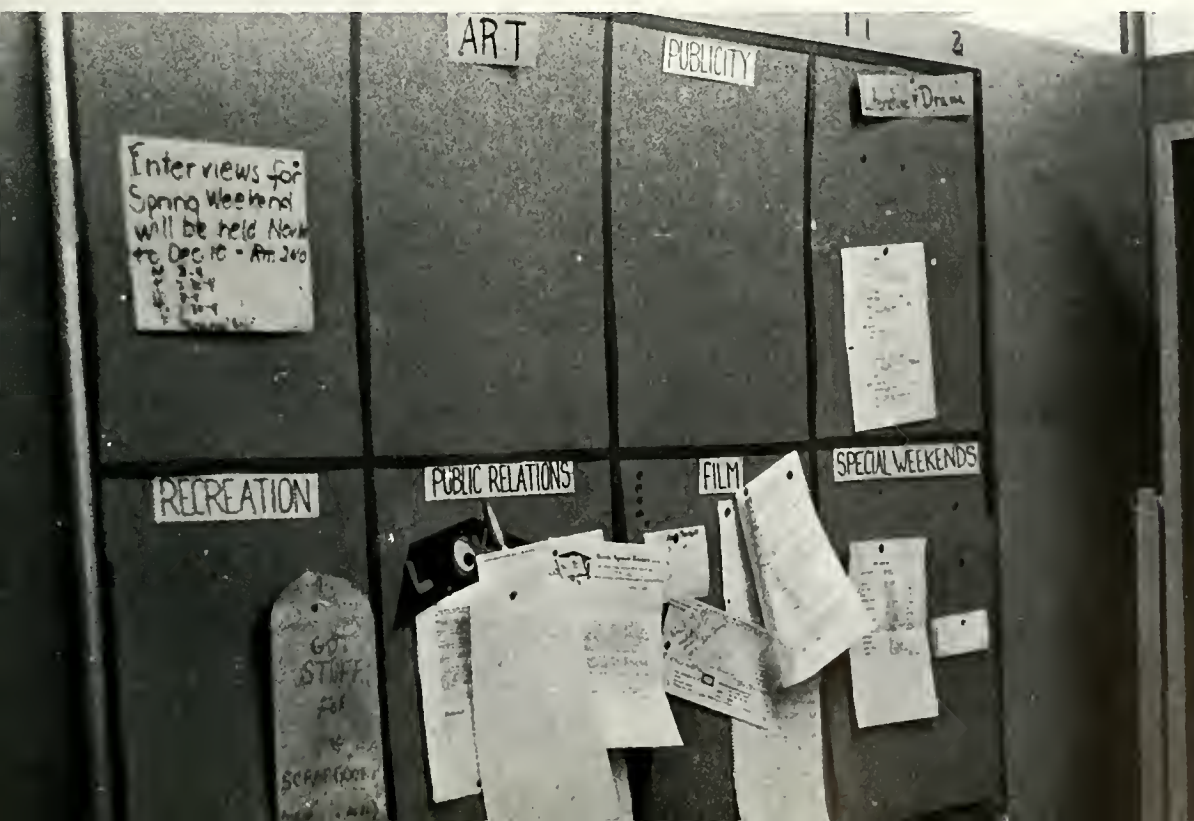

UNION BOARD—SEATED: F. W. Thomas, Adviser; J. Mantin, 1st V. Pres.; J. Osypiewski, Pres.; R. From, 2nd V. Pres.; S. Atlas, Sec.; A. Hicks, Adviser.

ROW 2: A. W. Burden, M. Tracten, M. Edelstein, Treas.; L. Menter, R. Czerniejewski, K. Roberts, R. Gellman.

UNION BOARD

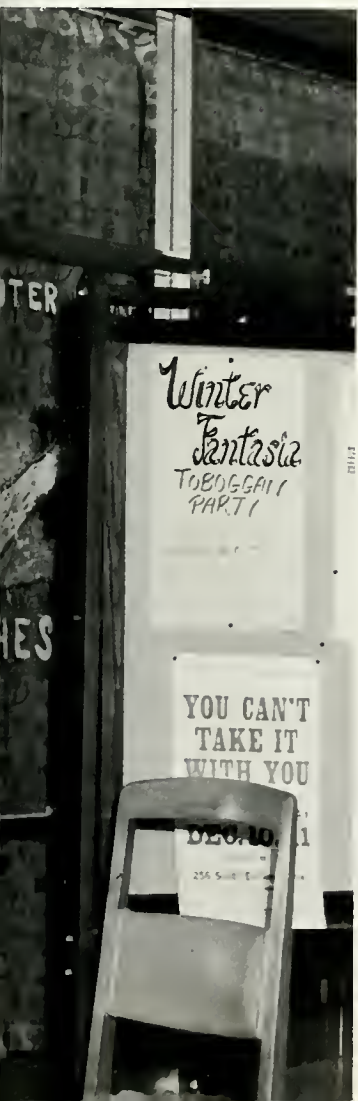

Social activities are programmed mainly by special committees and the mixer committee. The Mixer Committee plans informal dances in Norton Union along with events like the Annual Christmas Party and a roller skating party to allow the students to inter-act in a social rather than an academic environment.

PUBLICITY COMMITTEE—R. Inskip, J. Benedict, J. Lundquist, M. Tracten, Ca-Chair.

EXECUTIVE COMMITTEE—SEATED: J. Mantin, 1st V. Pres.; J. Osypiewski, Pres.; L. Menter, R. From, 2nd V. Pres. ROW 2: M. Edelstein, Treas.; S. Atlas, Sec.

Homecoming is the first big weekend of the school year. The weekend was started with a pep rally on Rotory Field. A large crowd was on hand to see Terry Neal of Sigma Kappa Phi, crowned Homecoming Queen.

MIXER COMMITTEE—SEATED: H. Bedell, Corr. Sec.; R. Gellman, Chair.; P. Cohen, V. Chair.; S. Belfor, Rec. Sec. ROW 2: N. Shores, S. Prab, B. Law, M. Goldberg, L. Grass, S. H. Bergman, L. Reiss, A. Volpe.

The poster making contest was won by Chi Omega; Theta Chi fraternity won the Fire Dragon contest, and Dan Katz of Tau Kappa Epsilon won the Ugly Man contest and skit. On Saturday the homecoming dance was held at Kleinhans Music Hall where an enthusiastic crowd of 800 assembled to see the presentations of the trophies, and this enthusiasm has continued throughout the year.

Silver Ball is evidence of the flow of enthusiasm from Homecoming since it was more successful than it has been. The dance and faculty reception at Kleinhans Music Hall were both well attended and well enjoyed by all. The Mr. Formal contest was won by Michael Couture of Sigma Phi Epsilon with the theme of "C'est Moi." In the Mr. Formal contest a record 3,000 votes were cast for the five candidates.

MUSIC COMMITTEE—H. Bob, D. Schroeder, F. Weisbrot, Chair.; J. Brown.

SILVER BALL COMMITTEE—T. Hines, Chair.; C. Cooper, A. Ardonowski, J. Mock, R. From, J. Glockner.

Spring Weekend is the last big weekend of the school year. Last year the dance was held at the Parkway Inn in Niagara Falls. The dance drew an over capacity crowd of 1400, and it set a record attendance for all university dances. The concert at Clark Gym featured the Serendipity Singers and Joe and Eddie, both popular folk singing groups. The weekend was highlighted by the annual float parade down Main Street, along with the queen and Mr. Faculty Contests. The float contest winners were: Alpha Epsilon Pi "Meeting of the Giants" \$800 division; Sigma Phi Epsilon "Once in a Life Time" \$400 division; Sigma Kappa Phi "Damit" \$100 division. The Spring Weekend Queen was Pat Silfer of Sigma Kappa Phi and her theme was "Pat, Portrait in Pastels." Mr. Faculty was won by Dr. Stout of the anthropology department.

Recreation is handled by two standing committees with the help of a third. The recreation committee organizes the game nights in the basement of Norton Hall, pigskin parties and other events where the students can relax and enjoy themselves. The recreation committee also sponsors an Association of College Unions Tournament each year. This tournament has competition in bowling, billiards, table tennis, and chess.

HOMECOMING COMMITTEE—SEATED: R. From, Choir.; J. Coplin. ROW 2: S. Schillo, N. Simonoff, J. Montin.

FILM COMMITTEE—M. Sadoff, Pres.; S. Kavnat, B. Howard, R. Gellman, C. Aiken.

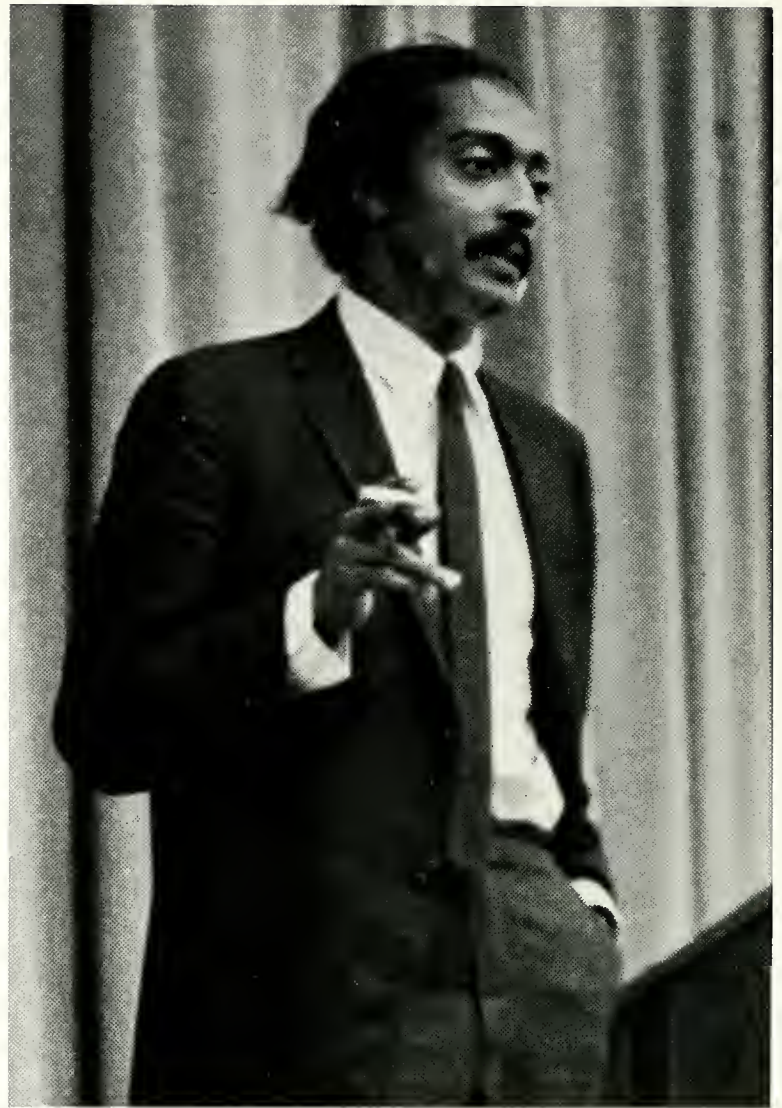

LITERATURE AND DRAMA COMMITTEE—P. Blatt, Chair.; R. Gellman, P. Cohen, V. Ganzalez, Sec.; R. Bredhaff, V. Chair.

ARTS AND CRAFTS COMMITTEE—J. Dunham, J. Chiswell, Chair.; N. Button.

The music committee also does programming in this area by scheduling informal concerts by local jazz and folk talent in the center lounge. The music committee also sees to it that the music room is well stocked with records which the students request. They can control the scheduling of the music in the room.

The film committee programs in both recreational and cultural areas. This committee believes that the motion picture is the most important media of communication as well as serving as a means of relaxation. The committee programs foreign, domestic, experimental, and silent films.

Dr. Clifton
Literature and Drama Lecture

HOUSE COMMITTEE—A. Burden, Chair.; S. Atlas, Sec.

It is the intent of the film committee to supplement the university goal of a well rounded curriculum by making every type of film available.

The literature committee endeavors to provide activities which allow students to develop their interests in literature. The programs they present include lectures and reading by faculty members, such as Dr. Clifton and Mr. Posner. The committee also sponsors the paper book exchange and the browsing library contest in the browsing library.

The Art Committee takes pride in the quality of the exhibits which it presents. These exhibits are usually acquired from the Albright-Knox Art Gallery or one of the local Museums. The exhibits include all styles and schools of painting along with sculpture and hand craft.

There are two other committees which also operate in this area. The Open House Committee is organized to introduce the students to the U.U.B. and Norton Hall at the beginning of each school year.

PERSONNEL COMMITTEE—SEATED: B. Witzel, L. Menter, Chair.; J. Sherman. ROW 2: T. Folino, J. Kaelen, E. C. Sull, S. Zatcoff.

The Open House Committee first semester and the Activities Drive Committee second semester both share the responsibility of drawing new students into the U.U.B. committees, as well as all other student organizations on the campus. They accomplish this by having each organization present events which show the purpose of that organization along with members of each organization being available to discuss its purposes and functions with prospective members.

There are three other committees whose functions are not in programming of events. The first one is the Publicity Committee. The Publicity Committee of the U.U.B. was set up to provide Board Committees with publicity for any events which they may hold.

PUBLIC RELATIONS COMMITTEE—SEATED: C. Mogavero, Sec.; C. Roberts, Chair. ROW 2: J. Doren, J. Borkowski, B. Valenti, D. Wilbur.

SPRING ARTS COMMITTEE—P. Janes, Chair.; M. Vannucci, B. Masan, S. Israel, A. Meyers, J. Benedict.

ART EXHIBIT COMMITTEE—SEATED: P. Reid. ROW 2: R. Walker, R. Czerniejewski, D. Wilbur.

The committee was given the control and responsibility of room 307 in Norton Hall for this purpose. The facilities, outside of materials, are available to organizations outside the Board, and assistance is given to them, if necessary. The committee publicizes events through the use of posters, oilcloths, and special effects.

The biggest cultural event of the year is presented in April when the Board holds its Annual Spring Festival. The Spring Arts Festival was designed in order to create, stimulate, and encourage interest in the Fine Arts. The committee hopes to increase student and faculty participation in and appreciation of the various cultural dimensions of our times and to raise the cultural tradition of the University. To accomplish these goals, the committee concentrates on dance, literature, drama, music, and art.

Students are allowed to express their own talents in the Crafts Shop in the basement of Norton Hall. The Arts and Crafts Committee has the responsibility of operating the Crafts Shop. The committee has been well occupied this year with several interesting and valuable workshops. The workshops including silver casting, enameling on metals, and leather work.

Not all the committees of the U.U.B. are oriented alone toward student welfare. The Public Relations Committee has as its purpose the promotion of student-faculty relations, and the presentation of U.U.B. activities to the campus community. Most outstanding of the committee's accomplishments are its monthly student-faculty discussions, the Union Board Activities Calendar, the Ride Board, Fine Arts Film Brochure, and the Spring Weekend Dance Booklet.

The second committee is the Personnel Committee. The Personnel Committee has as its main function the securing of personnel to head the steering committees for the special weekends, to appoint . . .

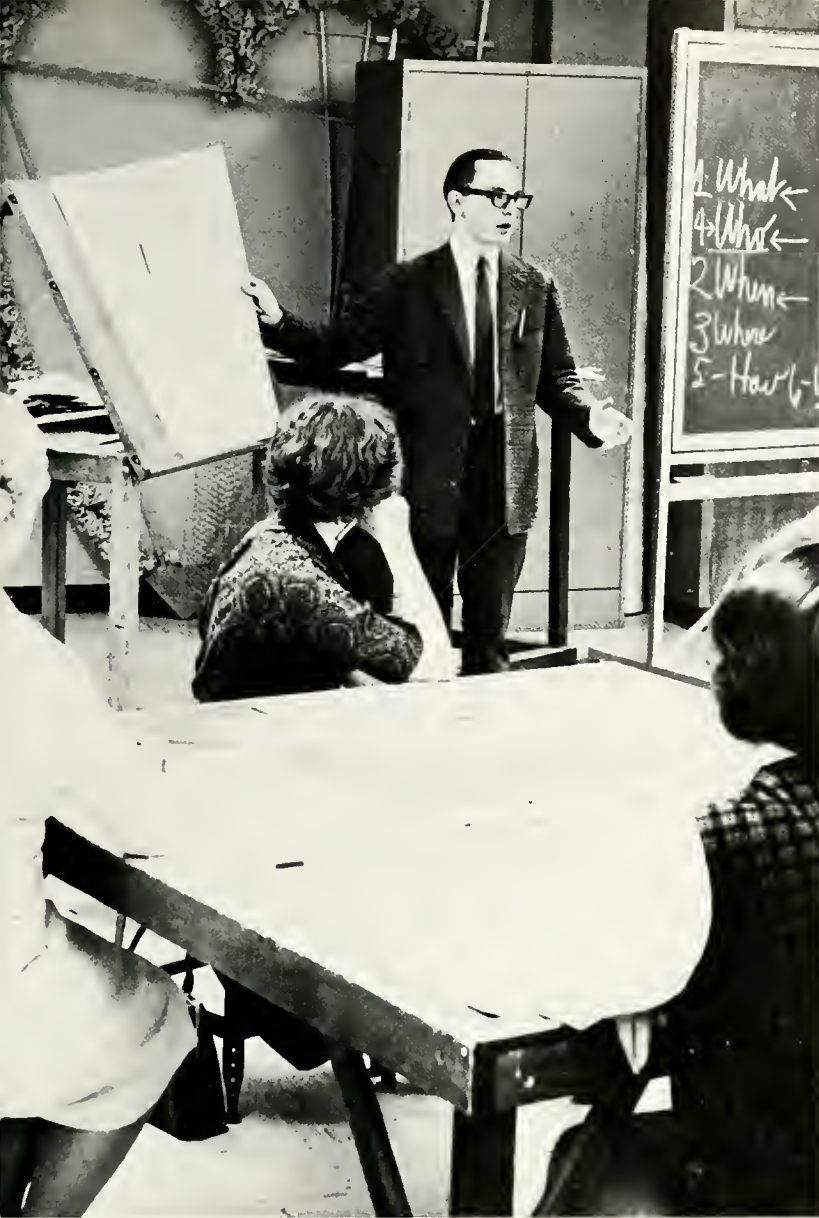

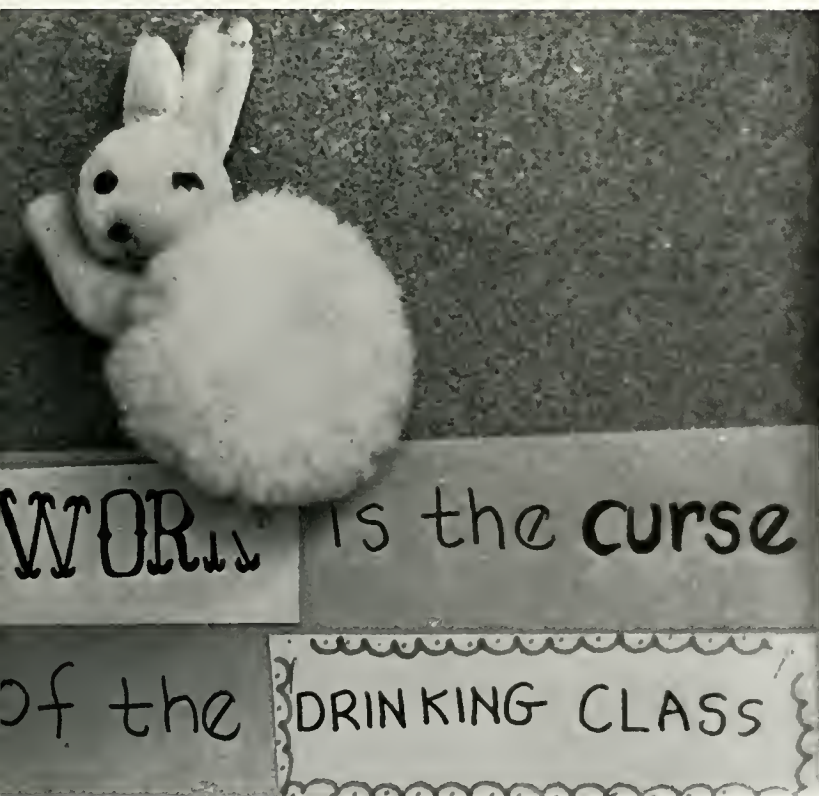

COMMUNITY RELATIONS COMMITTEE—SEATED: J. Lundquist, Chair.; J. Martin, P. Jones, Sec. ROW 2: J. Edelman, J. Coplin.

The Personnel Committee puts out applications for chairmen of the committees for the big weekend, interviews the applicants and recommends its choices to the Board for their approval. The events interviewed for are Homecoming, Silver Ball, Spring Arts Festival, Spring Weekend, Program Council, Variety Show, House Committee, Personnel Committee, and any other special event which may arise. The committee also provides evaluation forms for the U.U.B. and maintains a file of students who have worked on U.U.B. committees in any capacity.

The last committee, but considered the most important, is the House Committee. The House Committee formulated rules and policies for operating the Union and assigns rooms in the Union to recognized student organizations according to need and the facilities available. The committee also reviews and checks rooms to guard against misuse of the Union's facilities and to insure that the needs of the organization for space are satisfactorily met.

FOLK FESTIVAL COMMITTEE—F. Weisbrot, Co-Chair.; R. Lawrence, Co-Chair.

SPRING WEEKEND COMMITTEE

SEATED: N. Simonoff, J. Kerr, L. Menter, General Chairman; R. Abrams. ROW 2: T. Folino, S. Baco, V. Riley, T. Hines, J. Fox, J. Glockner, D. Sondburg.

STUDENT SENATE

STUDENT SENATE—BOTTOM ROW: S. Seide, E. Cordone, C. Deveau, R. Brown. ROW 2: D. Mingle, R. Volpe, K. Pietroszek, E. Weinrub, B. Grossman,

M. Obers, D. GiaQuinto, C. Levine, C. Montgomery. ROW 3: R. Martin, R. Rodley, G. Bodner, C. Zeldner.

The Student Senate is the legislative body of the Student Association. Its job is to be concerned with the needs of the students on this growing campus and to act as the voice of that ubiquitous group. The Senate tries to fulfill this responsibility through its various committees which investigate and make recommendations to the body.

This year the move to the University's new campus was announced, one of the most significant developments in the University's history. The Senate, upon consultation with the Dean's Office, immediately formed a Campus Expansion Committee for the purpose of adding to the input of information going to the architects.

STUDENT ASSOCIATION OFFICERS

OFFICERS—SEATED: E. Cordone, C. Deveau, R. Brown. STANDING: S. Seide.

EXECUTIVE COMMITTEE—SEATED: R. Brown, C. Deveaux, E. Cardone. ROW 2: G. Bodner, B. Grossmon, D. GioQuinto, S. Seide.

NSA COMMITTEE—SEATED: M. Michael, K. Gollivon. ROW 2: G. Bodner, D. Rotholz, C. Levine, C. Deveaux, R. Weiner.

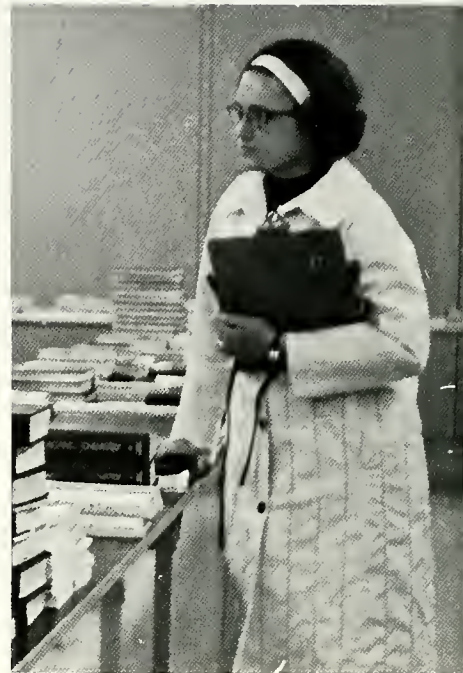

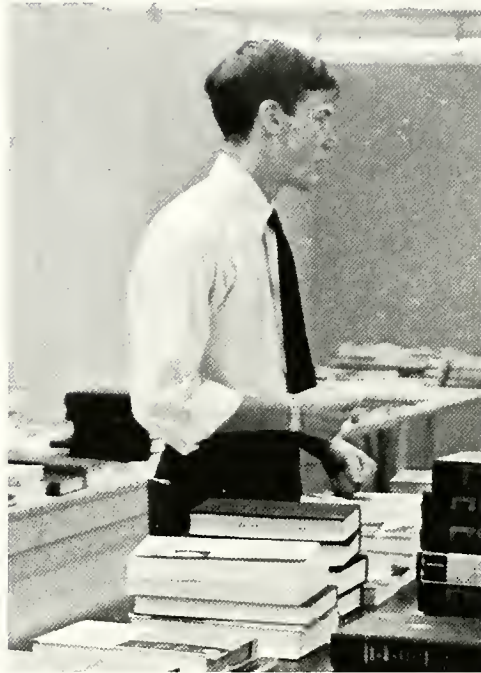

INTERNATIONAL STUDENT AFFAIRS COMMITTEE—SEATED: B. Shinde, R. Jaross, Chair.; R. Esacaf. ROW 2: C. Deveaux, J. Rebello, C. Levine, M. Nicalou, B. Weiner, J. Lynford.

This is particularly important, for in the last analysis, it is the student who uses the facilities more than anyone else, and he is consulted less on matters of this sort than anyone else in our academic community. The committee has made concrete suggestions in the areas of housing, the student union, classroom buildings, and the general orientations of emphasis in design.

We fought a long and hard fight to amend the constitution of the Faculty-Student Association, the organization that runs the bookstore, vending machines, the athletic program, and various recreational facilities. The amendment was directed at procuring a seat for a student on the Board of Directors. We felt that an organization which derives the preponderance of its income from student fees and bookstore receipts should be progressive enough to listen to the needs of the students on a level that is significant, the decision-making level. The Board of Directors, presently constituted of the top administrators of the University, rejected our motion to amend and tabled it indefinitely.

BOOK EXCHANGE COMMITTEE—SEATED: P. Cohen, Chair.; M. Feinrider, C. Levine. ROW 2: J. Lewis, R. Weiner.

STUDENT DISCOUNT COMMITTEE—SEATED: C. Levine, M. Feinrider, Chair. ROW 2: J. Doren, J. Lewis, D. Rotholz, P. Cohen, R. Weiner.

BOOKSTORE SUBCOMMITTEE—D. Rotholz, M. Feinrider, Chair.; R. Weiner.

The Senate has been involved in various other activities throughout the past year, activities too numerous to discuss at length. Among these was the completion of the speaker series "The Political Spectrum of a Contemporary World," which culminated with the appearance of Dr. Aptheker. This accentuated our current policy of maintaining academic freedom on this campus, which we originally manifested in our condemnation of Feinberg Law, the firing of Paul Sporne, and any others who refused to recognize the inalienable right of every human being to uncompromising freedom.

The Senate brought both Senator Keating and his opponent, Robert Kennedy, to campus during the past New York Senatorial race, as well as other prominent individuals. We also provided funds for the various campus clubs and organizations that are recognized by the Senate with the hope that the students' lives would be enriched by these organizations' various autonomous programs.

Above all, the Senate wishes to see the University take its place among the other great universities of our nation and the world.

ACADEMIC AFFAIRS COMMITTEE—SEATED: T. Carrall, Chair. ROW 2: D. Rathalz, R. Weiner, S. Edelstein, D. Hall, K. Darrow, P. Shapira.

One of the ways in which this may be accomplished is by the encouragement of an atmosphere in which meaningful dialogue can exist in an academic community that is secure in the belief of the search for knowledge, truth, and wisdom.

STUDENT ACTIVITIES COMMITTEE—SEATED: G. Bodner, V. Chair.; J. Lewis, Choir. ROW 2: P. Cohen, M. Feinrider.

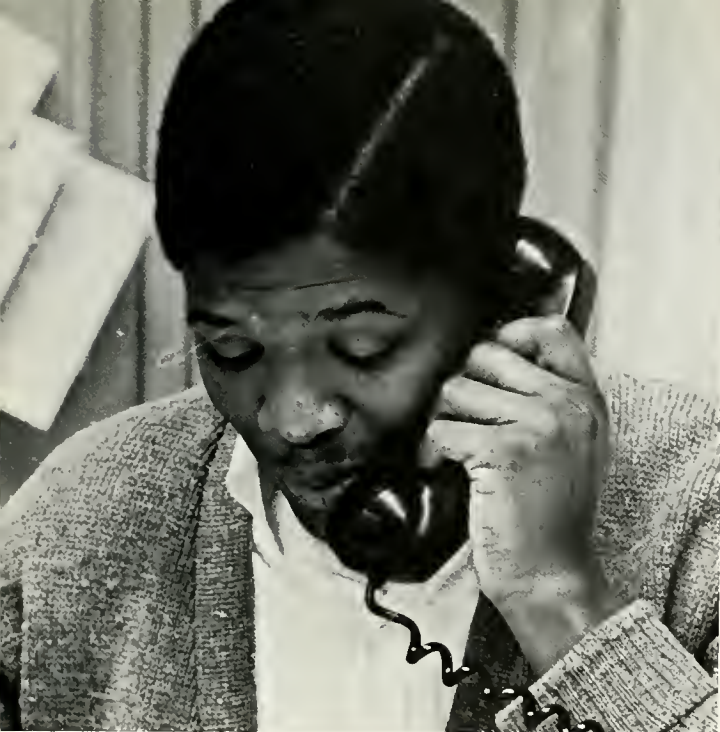

CONVOCATIONS COMMITTEE—N. Marchelos, G. Matross, Choir.; G. Kesselmon.

NEW CAMPUS COMMITTEE—SEATED: G. Bodner, Chair. ROW 2: D. GioQuinto, L. Menter, C. Zeldner, C. Montgomery, B. Grossmon, P. Cohen.

PUBLIC RELATIONS COMMITTEE—SEATED: R. Fisch, Chair. STANDING: P. Greenfield.

One way in which this may be accomplished is through the encouragement of an atmosphere in our academic community in which meaningful dialogue can transpire; a community that rests securely in the belief that the search for knowledge, truth, and wisdom will manifest itself in self-fulfillment, unfettered by political, moral, and social bias. We feel that the students and faculty are committed to this above all else, and we hope that we, oriented to this, have made and will continue to make a meaningful contribution to the academic milieu in which we function.

STUDENT JUDICIARY—SEATED: S. Weinstein, R. Jaross, Chair.; J. Epstein, V. Chair. ROW 2: P. Simmons, Adviser; S. Ratick, J. Reiss, Sec.; P. Murray.

SEATED: K. Asher, A. Penn, A. M. Seigel. ROW 2: R. Tabaczynski, D. Mingle, D. Curtin, S. Ratick.

Bisonhead, the oldest tradition on our campus, is the senior men's honor society. This year the group has undertaken the study of the problem of Student-Community Relationships. A series of seminars with faculty and administrators was begun as the initial step in the program. Upon completion of the seminar series, panels will be formed to speak to interested community groups. The function of these panels will be to give the people in the community a better understanding of student life in the university community.

Carrying on the noble Bisonhead tradition, the 1965-1966 Bisonhead members were selected from the junior class. "As old as the University," Bisonhead will continue to follow its motto of "Leadership, Character, and Scholarship."

BISONHEAD

SEATED: H. Heitlinger, J. Botlan, Treas.; B. Witzel, Pres.; M. Bauer, V. Pres.; E. Fleysher. ROW 2: S. Atlas, C. Perl, L. Menter, R. Grobel, J. Goldin, C. Harrison, M. Linhardt, K. Morris.

CAP & GOWN

Cap and Gown, the senior women's society, each spring taps junior women who have been outstanding in scholarship, character, and service to the university.

Last spring at the Women's Formal Desert seventeen women were selected as exemplifying these ideals.

The first activity of the 1966 class of Cap and Gown was a panel discussion, "Freshman Experiences from a Senior Viewpoint," held in cooperation with the Freshman Forum. Other activities included a dessert-discussion hour for faculty women, joint sponsorship of the career planning conference under the auspices of the Office of the Dean of Women, and compilation of an informative booklet on graduate school and career opportunities for women.

UB MEN'S GLEE CLUB

MIXED CHORUS CONCERTS

STUDENT THEATRE GUILD

In 1965-66, the Student Theatre Guild (formerly the Student Dramatic Society) established a new precedent—regular campus theatre, free of charge to students. First semester productions included *The Zoo Story* by Edward Albee, *Rouge Atomique* by N. Richard Nash, *Servants of The People* by Lawrence Ferlinghetti, *Return Journey* by Dylan Thomas, *You Haven't Suffered Enough* by Ruth Swayze, and the Guild's first major production, Arthur Kopit's *Oh Dad, Poor Dad, Mamma's Hung You In The Closet And I'm Feeling So Sad*. With *Oh Dad*, the Guild premiered the first entirely student produced full-length production on the U.B. campus.

Besides campus theatre, the Student Theatre Guild annually participates in invitation festivals at other universities where the quality of its productions is further verified by the never-failing laurels with which it returns.

This Year's goal of free theatre of Quality to all students has been well achieved by the Student Theatre Guild.

SEATED: M. Henry, Editor; M. Merker, Art Editor; R. Raymand, Assistant Editor. ROW 2: D. Nadler, J. Auletta, R. Fisch, S. Adler, L. Menter, S. Zimpfer, S. Baco. ROW 3: J. Siman, V. Smith, J. Alpern, G. Giessert, M. Giglia, V.

Riley, G. Budzich, S. Wurstner. ROW 4: R. Alt, R. Stachnik, P. Kapycinski, J. Shteir, R. Sobieraj, D. Miller, R. Bentan.

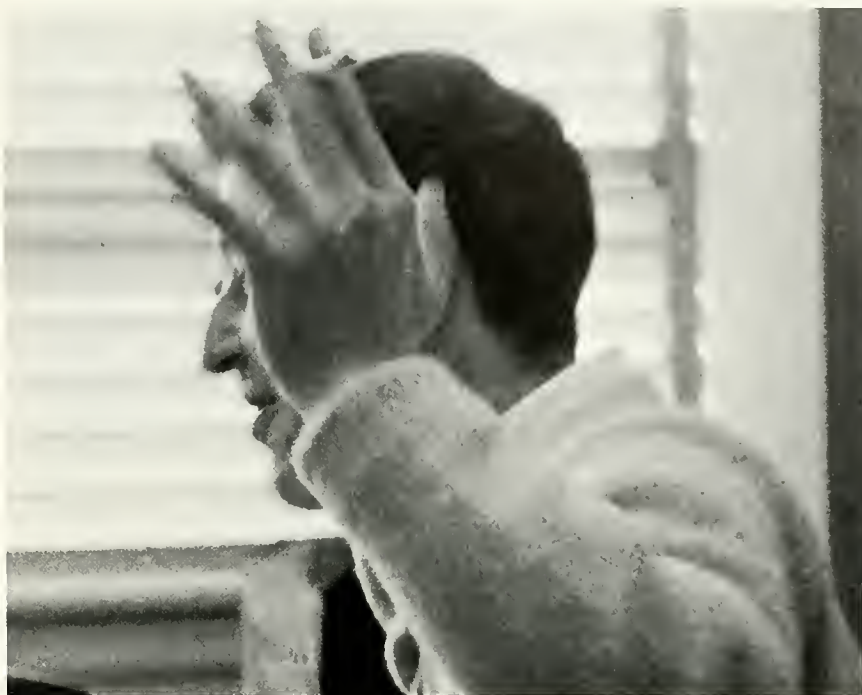

BUFFALONIAN?! What's that, asks a misinformed student at U. B. Asking an informed friend he might receive an answer such as that it is some esoteric student publication having its office in Norton Union, known only because of the picture of one of its female staff member's "posing" for our staff photographer. Asking a more informed friend (who just happens to be a "typical" Buffalonian staff member) he may evoke an answer such as, "we do lots more at the Buffalonian Office than just put together a yearbook. We hold many important staff meetings and gather during the evenings to discuss intellectual topics." He goes on, "Where else but in the Buffalonian office can you enjoy a peaceful lunch or study without distractions.

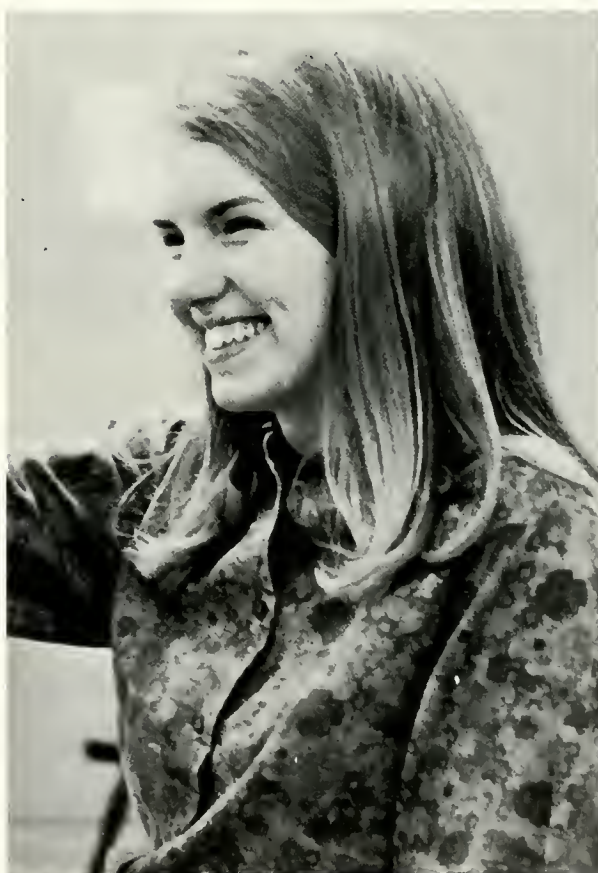

BUFFALONIAN

Mary Ann Merker, Art Editor

Frank Wladarczak, Business Manager

*Jeannie Halmes,
Circulation Editor*

With these words of wisdom one may wonder who is this "typical" Buffalonian staff member?

Mr. James Gruber, Advisor

DENNIS NADLER—Dennis beautified the office with a stunning portrait of our editor—and used it as a dart-board. If only those mean ol' maintenance men had not confiscated his darts!

PAUL KOPYCINSKI—Paul worked doubly hard on this year's book as he was two section editors in one. Strangely, Paul with a sad composure upon his face could often be heard humming the tune, "I Left My Heart In San Francisco." Paul probably was not the only person on the staff who had this strange "maledy."

JEAN HOLMES—Jean was this year's outstanding circulation editor who greatly appreciated the much help she received from her staff, but who had trouble keeping up with her staff's personal orders for yearbooks.

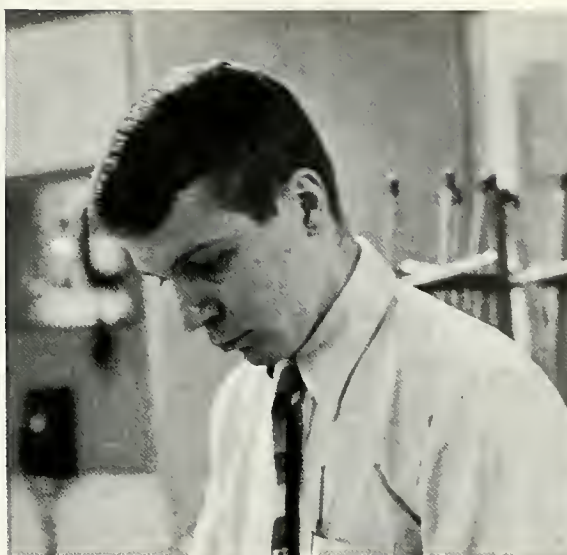

Robert Roymond, Ass't. Editor

Dennis Miller, Co-Advertising Editor

Dick Benton, Co-Advertising Editor

Marv Robbins, Sports Editor

Dennis Nadler, Publicity Editor

**SUSAN ADLER and
JOAN ALPERN**

Sue and Joan will for time immemorial be remembered for their "trivial" remarks; that is, their trivia questions which could stump anyone—even the Skanks.

**DENNIS MILLER and
DICK BARTON**

they were known by all the staff members and will ever be grateful to Mr. Ratica of Buffalo Textbook Inc. who gave them a square deal and taught them practices only the Better Business Bureau would espouse.

Joan Alpern, Special Events Editor

Sandy Baca, Copy Editor

Mike Henry, Editor-in-Chief and Frank Włodarczak, Business Manager.

Vincent Smith, Greek Editor

MARY ANN MERKER—Mary Ann as our art-editor was also the author of a little known book entitled "How to See San Francisco in Six Hours."

BOB RAYMOND—Bob next year will be able to erase "assistant" from his present title. Who else but Bob could sleep on a non-stop jet all the way from New York City to San Francisco.

FRANK WŁODARCZAK—Who else but Frank would lock up candy bars in his desk yet leave his daily cookie ration in the "bill basket" for all to grub. Frank's time and effort on this year's book will be long remembered (especially if his books show a profit).

MARV ROBBINS—Marv was always the most prompt section editor to make his deadlines. Some of the staff members felt his vocabulary was a bit different as the only words he ever uttered were, "where are my pictures," or "has anyone seen Ivan or Pete."

Rena Fisch, Comparative-Living Editor

Joel Shteir, Organizations Editor

Susan Adler, Academics Editor

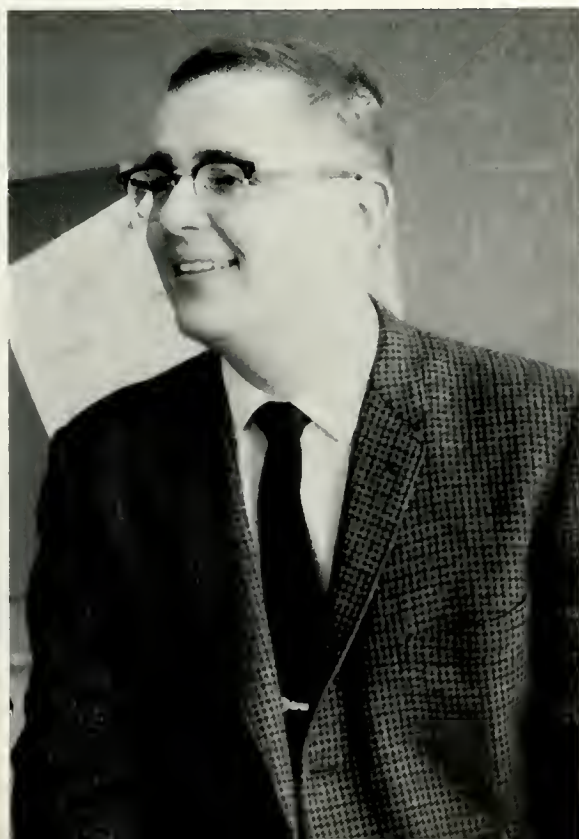

Loni Levy, Literary Editor

And there are more—VINCENT SMITH, RENA FISCH, JONI AULETTA, JOEL SHTEIR, SANDY BACO and LONI LEVY . . . these, too, were "typical" Buffalonian staff members.

Last but not least was our own little "Big Boss" MIKE ("do it my way") HENRY, our Editor-in-Chief. Who else but Mike could harness all these "typical" students personified by the 1966 Buffalonian staff to a task easily beyond the awareness of our misinformed student. To that student and all his other misinformed friends—yes, the Buffalonian is the university yearbook produced in that room known by too many for its cover-girl on the door; yet, to the "typical" 1966 Buffalonian staff members it is and always will be something more.

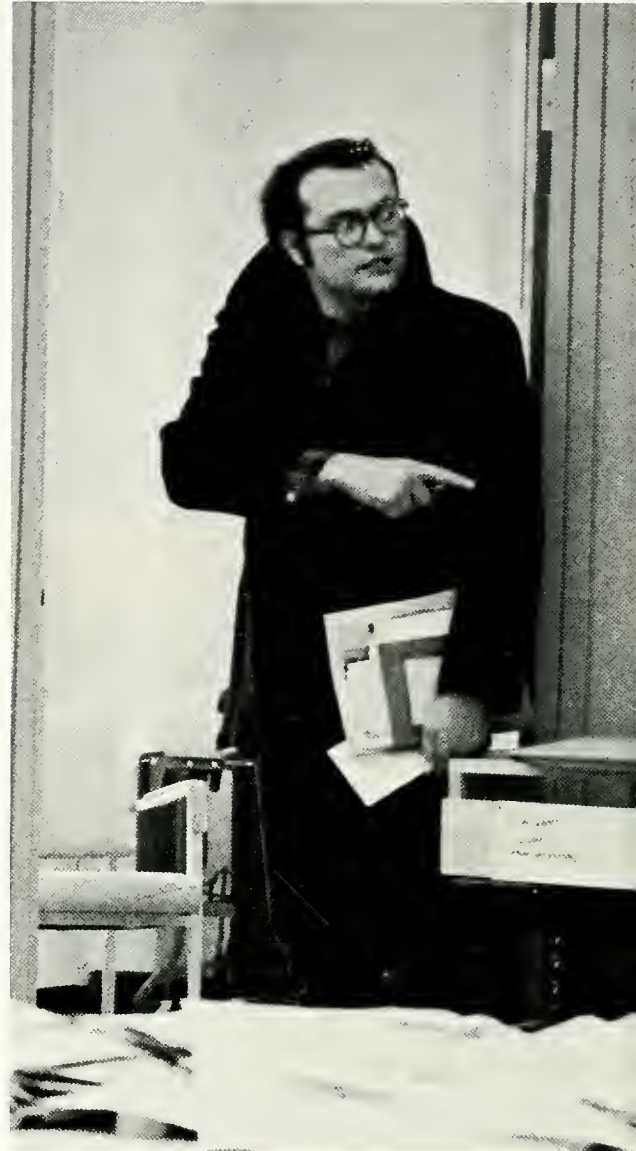

Poul Kopycinski, ROTC and Senior Editor

The flowing line. The balance of form. A feeling for the written word. Expression which reflects reality and imagination. The idea of its author. Creativity liberated through communication.

Although the *New Student Review*, campus literary and opinion magazine, is a relatively new publication, in its first four years it has evolved into a journal worthy of national recognition. In the Third Annual Student Literary Magazine Contest sponsored by the *Saturday Review* and the U. S. National Student Association, it received honorable mention in the category of Outstanding Literary Magazine.

The winning issue marked a distinct departure in the magazine's format. The new staff, anxious for a cohesiveness that is often lacking in college literary magazines in general, chose to experiment with the idea of building their ma-

terial around one theme instead of selecting a variety of subjects. The result was a magazine devoted to "alienation"—a careful, yet varied, examination of a timely concept, through non-fiction, fiction, Poetry, art and photography. The effect of all this? "The stated theme of the magazine, good old "Alienation" comes down to earth in poetry that crawls up your spine and in photography that opens you up where you live—if you happen to be a student currently livestocking a multiversity." (S h e r m a n B. Chickering, "Where have all the Young Writers Gone?", *Saturday Review*, October 9, 1965).

If the future can come up to the excitement and positive change that 1966 has brought the *New Student Review*, the magazine should be rated first in the nation in a very short time!

NEW STUDENT REVIEW

FRESHMEN ORIENTATION

SEATED: E. Fleisher, Co-Chairman; M. Thompson, Co-Chairman. ROW 2: T. Folino, N. Colletta, C. Cooper, M. Henry, M. Chilcott, S. Rambo.

This year's Freshman Orientation Committee began its planning and preparations to welcome the 1969 class last spring. Committee meetings were held once a week throughout the spring semester so that, by summer, the program was well on its way.

The committee planned several programs to be presented throughout a three day orientation period. The Festival of the Arts program presented a variety of productions. There was a movie, a local folksinger, a concert by the Creative Associates and two plays.

The Academic Convention provided a series of panels composed of faculty and administrators who discussed current world problems.

Through arrangements with the Norton Hall Food Service department, every one of the 2300 freshmen was given a box lunch on his first day at SUNYAB.

The committee aims at orientating the freshmen to the cultural, academic, and social aspects of college life through a wide variety of programs and activities.

OCCUPATIONAL THERAPY CLUB

The Occupational Therapy Club is a recognized student group on campus, under the guidance of its advisor, Miss Nancie B. Greenman. It is open to all students and welcomes all those who are in any way interested in occupational therapy. The club provides its members with an opportunity for friendship with fellow members; access to the dynamics of occupational therapy through field trips, speakers, and movies; and a chance to participate in good-will projects for members of the community.

The club not only functions on a local level, but is active in a newly formed national group, the National Student Occupational Therapy Association. The O.T. Club has taken part in the formative steps of this association. The club sent two representatives, its president, Sharon Pillsbury, and a member, Judy Chiswell, to the national meeting which was held in conjunction with the National American Occupational Therapy Association Conference. Judy Chiswell was chosen as co-ordinator for the national student group.

As a concluding event for the year, the O.T. Club has a student-faculty banquet, which is sponsored by an annual candy sale.

SEATED: P. McCarthy, Corr. Sec.; S. Pillsbury, Pres.; R. Meikle, V. Pres. ROW 2: J. Drowne, J. Harradine, C. Sullivan, M. Yotes, M. Zinsley, M. Brand, D. Watsky, R. Overbeck.

ENGINEERING STUDENT COUNCIL

The Engineering Student Council is the student government for the Engineering School. Its delegates are elected from each undergraduate class, which, in addition to the senatorial representatives and professional club representatives, comprise the complete council.

The council provided a job placement program with alumni returning to give speeches on their experiences in industry.

In addition, the council will hold a Faculty-Student social in March. Later in the spring, the council will hold its Annual Open House.

The functions of the council are to promote student welfare and interest in the school and to provide a sounding board for individual complaints.

SEATED: J. Bolton, Pres.; G. Seaward, V. Pres.; T. Herlehy, Treas.; N. Love, Carr. Sec.; P. Michael. ROW 2: R. Wolynech, R. Helbig, P. Morlin, C. Adam, M. Moy, W. Gould, V. Pres.; R. Boller, J. Rollek.

AMERICAN SOCIETY OF CIVIL ENGINEERS

SEATED: G. Seoward, Pres.; R. Chapmon, V. Pres.; W. Reiter, Corr. Sec.; D. Paterson, Rec. Sec.; D. Moore, Treas. ROW 2: D. Prott, M. Goff, H. Wildmon, T. Dalrymple, L. Wojtkowski, S. Brock, R. Cipolla, M. Nicolau.

The American Society of Civil Engineers is an organization for undergraduate civil engineering students at the University, sponsored by the Buffalo chapter of the A.S.C.E.

The program of the A.S.C.E. is intended to emphasize the professional development of the civil engineering student. The main points of the program include the following events:

Each month, the society presents one formal meeting at which a guest speaker relates the application of engineering principles to the type of work that a man in his particular field of engineering encounters. Such topics as the modern railroad system, the importance of contracts and specification and stock market trends were covered to give the student a better overall picture of his place in the engineering field.

Field trips are organized to help co-ordinate classroom instruction with actual practice. A trip to Detroit last spring to the Ford Motor Co., Mustang division, gave a well-rounded view of automobile construction. The G-M test center was also visited on this trip.

A well-rounded Engineer must have a good social life which is provided by the annual picnic, parties, and intramural sports between divisions of the Engineering School. The A.D.C.E. is seen to be an integral part in the development of the Civil Engineer.

AMERICAN SOCIETY OF MECHANICAL ENGINEERS

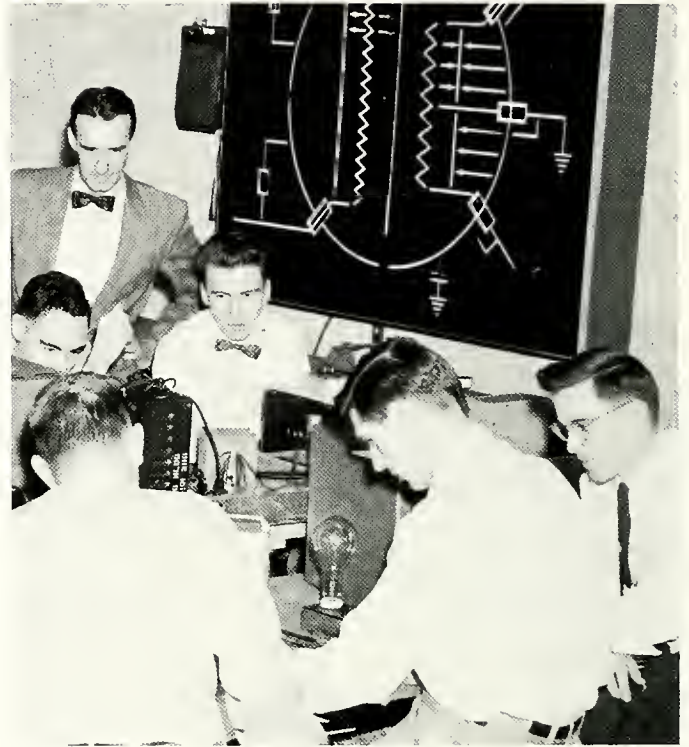

Since the Mechanical Engineering School received accreditation this year the organizational name of the Mechanical Engineering Society was changed to the National American Society of Mechanical Engineers known as A.S.M.E.

A.S.M.E. is organized to promote the skills and further the technical knowledge of mechanical engineers. Meetings are held every two weeks with guest speakers from all facets of engineering. This year A.S.M.E. attended the regional conference at Union College in Schenectady.

Enthusiasm of the members towards organizing the A.S.M.E. chapter on campus has been overwhelming and undoubtedly will continue to grow.

The National Vice-President of A.S.M.E. presented the charter to our student chapter at a joint meeting of the Buffalo chapter and the student chapter. Our chapter has been the guests of the local chapter on several occasions for dinners and technical lectures.

The efforts of the entire mechanical faculty and especially Professor Strauss, as faculty advisor, has been extremely helpful in reorganizing this organization.

SEATED: M. Flannery, Sec.; C. Miller, Chairman; J. Bower, Vice-Chairman. ROW 2: R. Mates, Advisor; D. Humphrey, G. Schlattner, C. Willby, R. Snedaker, G. Glessner, D. Dodge.

ACCOUNTING CLUB

J. Sommer, Sec.; W. Christensen, Pres.

Through our advisor, Mr. Herbert Cassel, the Accounting Club carries on a program that tries to better acquaint the business student with the accounting profession and help the student find out what it has to offer for him. Representatives from area business and accounting firms and government agencies are asked to appear to speak about the accounting profession and how it relates to their particular firms. Membership is made up of all the accounting majors and those business students with an interest in accounting. The social side of life is not neglected either as the annual Accounting Club Banquet is a highlight of the spring semester.

INTER RESIDENT COUNCIL

SEATED: G. Roberts, Chairman; M. Kayes, Vice-Chairman; P. Bahnen, Sec.; A. Roth, Treas. ROW 2: S. Beeman, S. Wadsworth, J. Hart, J. Feinman, J. Mair, K. McDonald, D. Becker, S. Gottlieb, A. Fried.

The 1965-66 Inter-Residence Council was called to order amidst a flourish of activity and has never slackened its pace. The first item on the Council's agenda was the acquisition of the IRC Office on the first floor in Tower Hall. Having a base of operations, the IRC set itself in motion to establish and financially support the *Prism*, a bi-weekly residence newspaper. Its next accomplishment was the inclusion of residence students local addresses and telephone numbers into the general student directory.

Following this came the IRC Resolution expressing appreciation to all volunteers in the Shigella outbreak. A blood drive in conjunction with the American Red Cross was held to support the American soldiers in Viet Nam. This drive met with such success that a repeat performance was necessitated. To indicate its recognition of the residence hall as the home-away-from-home for the dormite, the IRC embarked on two projects to promote the relaxed home atmosphere. A Code of Dress was adopted which placed responsibility upon the individual and removed the formal standards. An attempt was made to eradicate curfews for senior women and a two-hour extension was the effect.

Working very closely with the University Food Service, the IRC succeeded in opening the residence hall snack bars and offered much assistance in solving the financial problems of the Food Service. Activities sponsored by the IRC have included free weekly movies, subsidized concert tickets, dances and buses to various athletic events. The Spring Semester saw the formation of a centralized residence student judiciary and a complete constitutional revision to incorporate this judiciary.

IRC meetings are rotated among all residence halls to bring the resident and his government into a closer working relationship. The present IRC is guiding its activities toward increasing its authority and power when it will become the governing body of about 10,000 resident students in the new SUNYAB campus.

SEANY

The Student Education Association of New York State is the professional organization for college and university students preparing to be teachers. Founded in 1956 by eight chapters, it has grown to include 30 chapters, chartered jointly by the New York State Teachers Association and the National Education Association. Also included are local student NYSTA units and some individual members.

The major purpose of SEANY is the development of professionalism, accomplished by statewide and regional workshops, conventions, conferences, speakers, panels and other programs geared to the interest and needs of the individual teacher-to-be. Through SEANY the student is introduced to the services, policies and program of NYSTA and the NEA and through intercollegiate cooperation is provided with the opportunity for the exchange of ideas. Prospective teachers, through membership and participation, may keep abreast of current trends and issues in education.

SEATED: K. Shokan, Treas.; S. Taub, Pres.; N. Dembo, V. Pres.; B. Miller, Sec. ROW 2: S. Goldberg, Publicity Chairman; J. Trent, Program Chairman; A. Parent, Membership Chairman.

SEATED: E. Abelsan, Sec.; C. Liarakas, V. Pres.; R. Bragone, Treas. ROW 2: T. Beringer, R. Staber, D. Easer, G. Rennels, G. Payne.

DEBATE SOCIETY

The Debate Society at the State University of New York at Buffalo is supported by the Student Senate as a recognized student activity whose main purpose is inter-collegiate debate. Each year a general topic of national or international concern is selected by a consensus of college debate coaches in the United States and argued by collegiate debaters throughout the United States. In this capacity, undergraduate debaters at the University of Buffalo compete on campuses throughout the eastern and mid-western United States. We have visited such schools as Columbia, Brooklyn College, Michigan State and Notre Dame, to name a few.

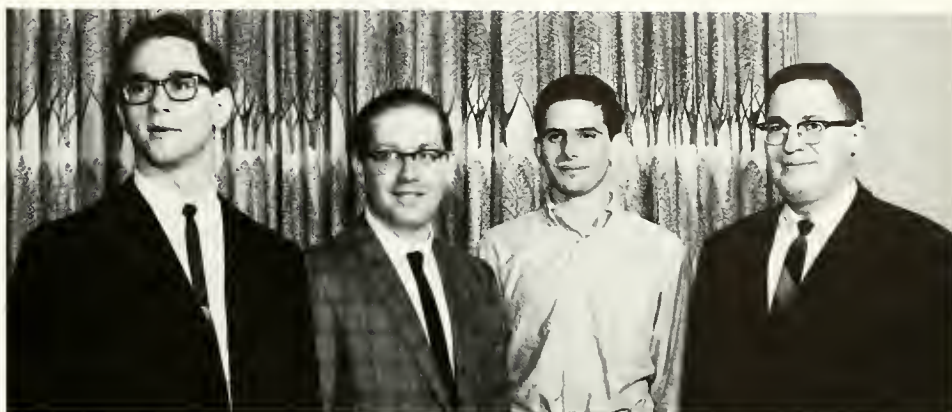

In February of each year, the Debate Society sponsors its own varsity tournament here in Buffalo. This year we played host to 21 schools for five rounds of debate covering two days. The topic of discussion was, Resolved: That Law Enforcement Agencies In The United States Should Be Given Greater Freedom In The Investigation And Prosecution Of Crime.

All in all, debate is an ideal activity for anyone interested in contemporary problems, people, travel and the stimulation provided by a lively exchange of ideas.

BRIDGE CLUB

SEATED: S. Berke, Treas.; N. Felsinger, L. Brown, Director; E. George.

This year was the most successful in the history of the University of Buffalo Bridge Club. We had a total paid up membership of 60 people. Each week we had a duplicate game where fractional master points were awarded to the winners in accordance with the American Contract Bridge League rating system. The Bridge Club also conducted a series of twelve lessons for all those who wished to learn how to play bridge. The lessons were given by Bobby Lypsity, who has achieved the highest rank in bridge, that of Life Master.

Besides this regular schedule of events we have also held many special events. The second Tuesday of each month we hold a Masterpoint Night, where the winners won a whole masterpoint. The club also held the annual Student-Faculty Bridge night where students and faculty met in an informal setting to play bridge. In February we held the National Intercollegiate Bridge Tournament sponsored by the Association of College Unions. This was especially interesting because it was a "par hand" tournament in which your bidding and play were judged by a panel of bridge experts.

The Bridge Club also participated in a couple of Intercollegiate Tournaments at other schools. At the University of Rochester we unsuccessfully defended our title but still managed to finish in third place. Our first attempt at the University of Waterloo Tournament was more successful, as we took home all the trophies for first place. The first University of Buffalo Intercollegiate tournament was also held early in April, but the results were not known at this writing.

MEDICAL TECHNOLOGY ASSOCIATION

The State University of New York at Buffalo Student Medical Technology Association is a newly formed organization open to any student interested in Medical Technology. The purpose of this organization is to inform and unite these students through educational and social activities, to create a spirit of initiative among the students and to raise the prestige of the Medical Technologist on the college campus.

Activities for the year have included an Orientation Picnic, speakers on the subjects of Medical Technology and Medicine, and a seminar day on which the Association played host to other area Schools of Medical Technology.

We hope this year is but a preview of an eventful and satisfying future directed toward the fulfillment of the interests and ambitions of those interested in a career in Medical Technology.

PHARMACY SCHOOL STUDENT COUNCIL

BOTTOM: J. Meahl, Sec.; P. Bell, D. GiaQuinto, V. Pres.; D. Goldstein, R. Ameele, Treas.

UKRAINIAN CLUB

The purpose of the Ukrainian-American Student Association at the University of Buffalo is to foster, cultivate, and encourage further study in Ukrainian and East European cultures, foster educational interests, in particular, in the study of the Ukrainian languages; to work for the good of America and to offer moral support to the suppressed Ukrainian nation for the liberation of Ukraine from Communist-Russian oppression.

The lecture on "Communism, Captive Nations, and Viet Nam" by Dr. Dobriansky, professor at Georgetown University and president of the Ukrainian Congress Committee of America, highlighted our educational program.

The color film "Treasure of the Ukraine," the Ukrainian Art Display, demonstration of painting Ukrainian Easter Eggs, and participation in the International Fiesta was part of our cultural program to present the beautiful Ukrainian traditions the Russians have not been able to suppress to the present time.

This year's extensive social program provided an opportunity for the development of a closer personal acquaintance among the members. Part of the social program consisted of the Fall Dance, St. Andrew's Eve Party, Caroling, Valentine-Toboggan Party, Tea Party, Numerous Pizza Parties, and the Spring Dance.

TRIDENT — UKRAINIAN
NATIONAL EMBLEM

SEATED: C. Dziuba, Sec.; Dr. M. M. Hreshchyshyn, Advisor; L. Zabniw, Pres.; R. Stasiw, V. Pres.; R. Waly nec, Sec. ROW 2: G. Bendz, G. Soldyt, T. Kujowa, Z. Didoshak, O. Mochnocz. ROW 3: G. Korol, I. Makuch, G. Kuzmycz, G.

Kryzaniwsky, B. Bejger, T. Tornowsky. ROW 4: L. Dushenko, G. Bilynsky, C. Woschuk, L. Paszkowskyj, M. Schwec, O. Aleksiewicz, M. Grega, A. M. Slobodion.

The International Club of the State University of New York at Buffalo exists to encourage closer cooperation and to promote mutual understanding among the people of the world and to foster the intellectual, social, and cultural ideals among the total University community.

Founded six years ago by foreign and American students and faculty, the International Club has over 200 members. In full recognition of the advantages of cross cultural activities, and desires of foreign and American students, the planning of the overall program is constantly reviewed and carefully analyzed.

Speaker programs, such as the China Series, publications, cultural trips, and exhibits, such as India Week and Fiesta, are employed to provide a detailed study of other nation's culture. Various social and athletic activities also incorporated include tobogganing, skiing, winter season sports, picnics, exhibition soccer games and volleyball tournaments.

As far as the overall picture is concerned the International Club is undertaking a most definite role in promoting a more rigorous interaction among academic institutions in the U.S. which have expressed interests in international affairs.

However, despite all the academic and philosophical activities, the International Club continuously explores the depths of human feelings and harbors sincere friendships and cheerful comradeship. A goal yet to be achieved by the world community, but at least there is a start.

INTERNATIONAL CLUB

SEATED: M. Schefter, Exec. Sec.; M. Nicolau, Mrs. K. Petho, V. Pres.; A. Cabrera, Treas. ROW 2: T. Anderson, S. Stone, A. Stokes, P. Venkateswaran, K. Novado, S. Evoniak, J. Palmeri, R. Auletto, D. Wallace. ROW 3: A. Cedeno, S. Kay, J. Corey, C. Peutsch, K. Hughes, J. Auletto, P. Adama, J.

Schulze-Beckinghausen, J. Hang. ROW 4: R. Smith, M. Sam, B. Shinde, D. Nicotera, T. Said, N. Checkosky, R. Maronian, A. Thio, M. Shaostari, T. Shoostari. ROW 5: L. Carlson, F. Calero, S. Twal, R. Saona, V. Ciancio, W. Hua, R. Steinitz, A. Riquelme.

INDUSTRIAL RELATIONS CLUB

T. Hines, Pres.; G. Boyler, Sec.; R. Radley, V. Pres.

The Industrial Relations Club, which is the student chapter of the National Industrial Research Association (I.R.R.A.), has been a part of SUNYAB's campus activities for many years.

Its purpose is to promote, in the interest of the University community, a program of educational research projects and activities pertaining to the field of labor and industrial relations. We supplement the Industrial Relations program at the University with field trips, guest speakers, and group discussions. It is also our objective to aid the University in promoting its own reputation, by helping in producing more qualified graduates in the field of Industrial Relations.

Guest speakers from business, labor and government are invited to our informal meetings. Tours are arranged to industrial giants such as Bethlehem Steel and Sylvania Electric. Five members of our club are elected to attend, at the expense of the club, the convention held by our parent organization, which was held in New York City this year.

Students in any program of study are encouraged to become members.

SEATED: R. Munk, Sec.; N. Felsinger, Pres.; L. Eaton, Treas. ROW 2: S. Berke, C. Spirka, A. Hersca, B. Chilton, Faculty Advisor; R. Gritzke, J. Kohl, D. Pirrung.

MATH CLUB

The Mathematics Club tries to bring aspects of mathematics which are rarely found in the classroom to anyone who is interested. We have had faculty speak on topics which are no longer taught in courses. Students have spoken on topics they have been reading, which they have found to be both interesting and informative, but not available in the class. In addition to informal exchanges of problems between students, we have held problem solving contests. Tours of Cornell Aeronautical Laboratory in Buffalo, and Power Vista Building in Niagara Falls have demonstrated to us the value of applied mathematics.

We have held special meetings with prospective math majors, who are still in their junior and senior years of high school, to provide them with an insight into mathematics at the college level.

STUDENT BAR ASSOCIATION

The Student Bar Association has the following objectives: (1) To promote the general welfare of the Law School of the State University of New York at Buffalo and its aim of providing its students with the best possible legal education; (2) To cultivate social relations and cooperation with the Faculty and among the students of the Law School; (3) To secure the cooperation and goodwill of the members of the legal profession of Erie County and the State of New York and to interest them in problems of legal education; (4) To coordinate all student activities.

The membership of the Student Bar Association consists of all law students attending the Law School of the State University of New York at Buffalo. The Board of Directors is the governing body of the Association. It is composed of four members elected from each of the three classes, a president elected by the entire student body, and two student senators.

BOTTOM ROW: W. Sullivan, M. Sheedy, D. Pfalzgraf. ROW 2: B. Rhatican, V. Pres.; C. Mooradian, Pres.; R. Bogan, Sec. ROW 3: R.

Mariarty, D. Bolm, G. Randels, D. Volker, A. Paglia, J. Cirando, R. Aceto.

LAW REVIEW SENIORS—SEATED: J. O'Mara, Editor; S. Kellagg, Editor-in-Chief; T. Ward, Editor. ROW 2: C. Putrina, R. Keller, A. Ransom, D. Brawn, T. David, H. Poale, D. Jay, P. Murray.

The Buffalo Law Review is presently in its fifteenth year, publishing three issues annually. The most recent issue, Winter 1965, commemorates Chief Judge Charles S. Desmond's twenty-five years of service on the New York Court of Appeals, 1941-1965. Short tributes are offered by Mr. Justice Brennan, U.S. Supreme Court; Sir George Coldstream, Permanent Secretary, Lord Chancellor; Judge Stanley H. Fuld, New York Court of Appeals; and Dean Ray Forrester, Cornell Law School.

The authors of lead articles treat new and exciting areas of change in the last quarter-century of New York law; Associate Judge Francis Bergan on the New York Court of Appeals; Professor Joseph Laufer on Tort Law; Professor Monrad G. Paulsen on Criminal Procedure; Professor Delmar Karlen on Judicial Administration; and Professor J. D. Hyman on Home Rule. Professors Hyman and Laufer are from the State University of New York at Buffalo School of Law; Professor Paulsen from the Columbia Law School; and Professor Karlen from the New York University School of Law.

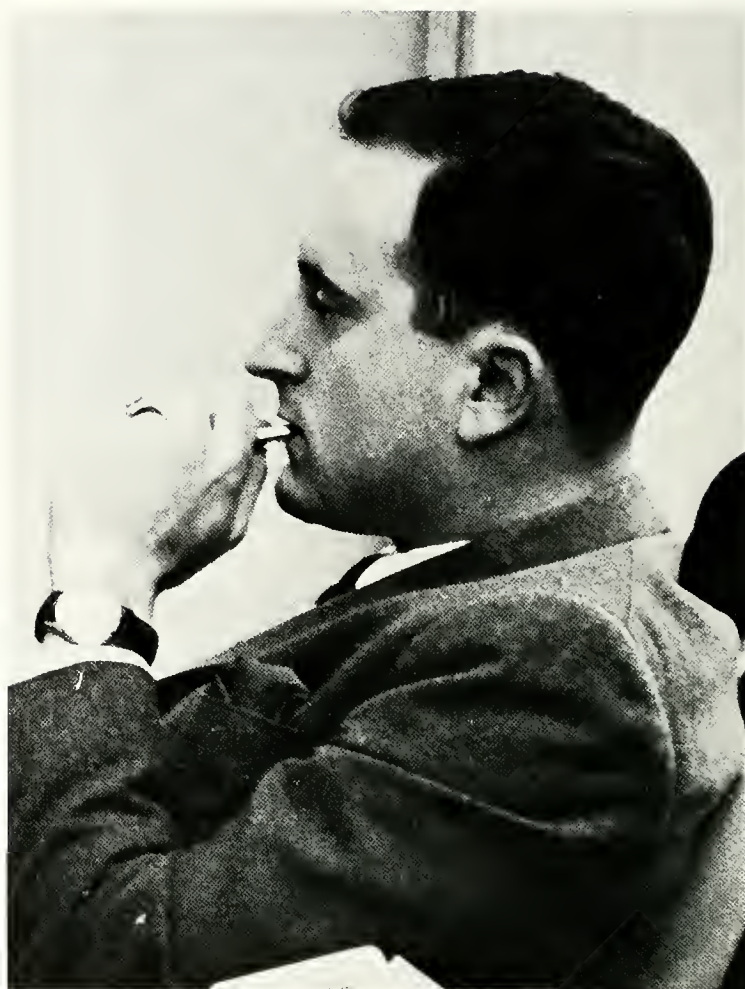

Other articles of major interest are: Professor Robert A. Leflar, University of Arkansas Law School, on Continuing Education of Appellate Judges; Robert E. Allard, American Judicature Society, on Judicial Selection and Tenure; and Professor A. Leo Levin, University of Pennsylvania School of Law on "The Teaching of Trial Advocacy."

Also, the book, *The Courts, the Public, and the Law Explosion*, by Harry W. Janes, is reviewed by Professor David R. Kochery of our Law School.

Student contributions make up the remainder of the issue, covering such areas as the rights of the imprisoned, and the recent case law developments in Civil Procedure, Conflicts, Constitutional and Insurance Law.

LAW REVIEW

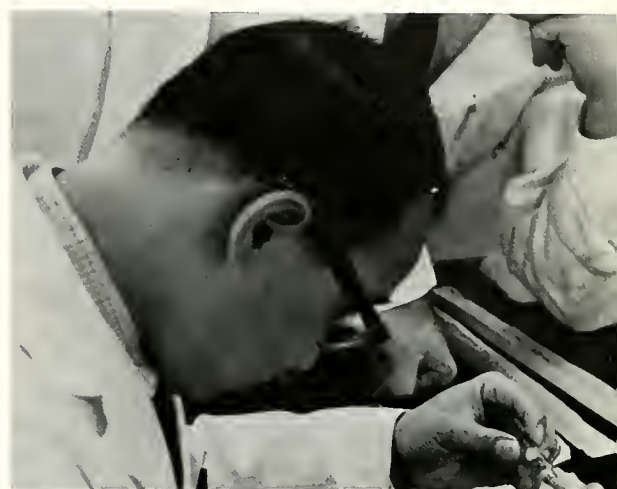

LAW REVIEW JUNIORS—FRONT ROW: R. Fisher, C. Milch, G. Wallach, D. Grzywno. ROW 2: M. Cohen, R. Thomas, G. Naschitz, A. Carlel, S. Biltekoff, F. Wolf, B. Troy, D. Dodge.

AMERICAN CHEMICAL SOCIETY

Executive Council, the governing body of the School of Nursing, consists of two representatives and the vice-president from each class, the Student Senate representative, and a representative from SNANYS. The Council coordinates activities between the classes and acts as a link between the students and the faculty. This year the Council has rewritten their constitution, effected a uniform change, and is now setting up a committee to lay the groundwork for a student exchange with a nursing school in Paraguay.

STUDENT EXECUTIVE COUNCIL, SCHOOL OF NURSING

SEATED: S. Pilon, V. Pres.; P. Bonneau, Treas.; L. Cholmer, Pres.; Mr. Donblena, Advisor. ROW 2: M. Soluri, R. Karcher, J. Strash, C. Smith, M. Cummins, W. Eisenbeis. ROW 3: I. Mokuch, W. Hua, R. Anderson, R. Wynne, J. Campos, J. Feyes.

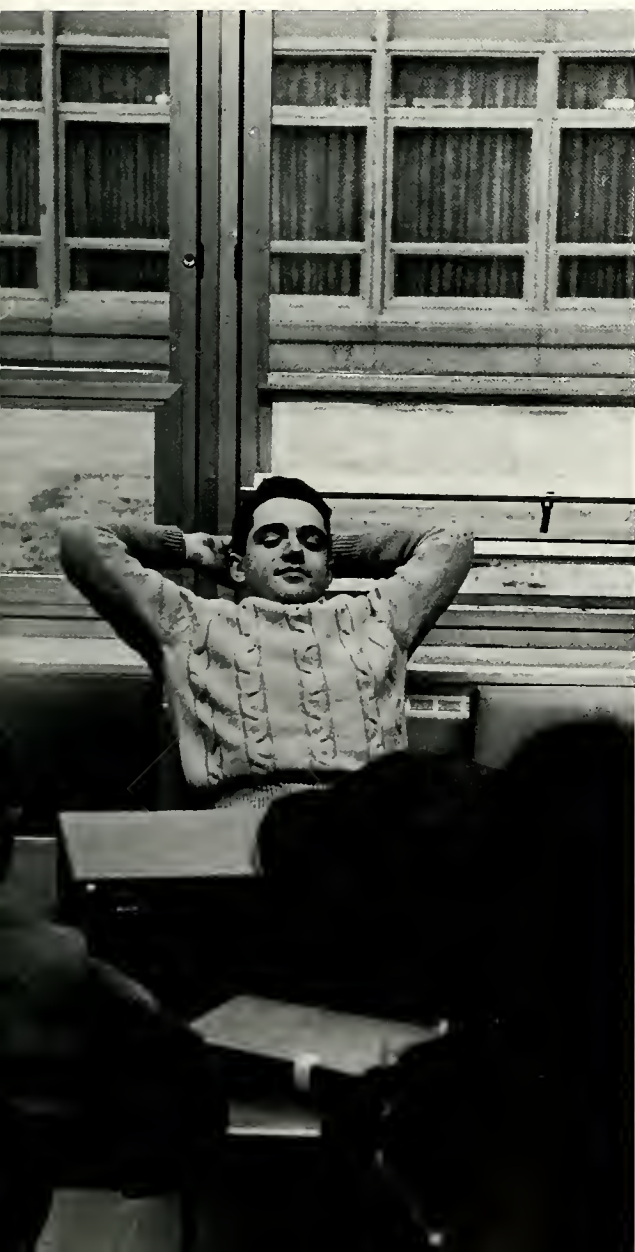

PHOTOGRAPHY CLUB

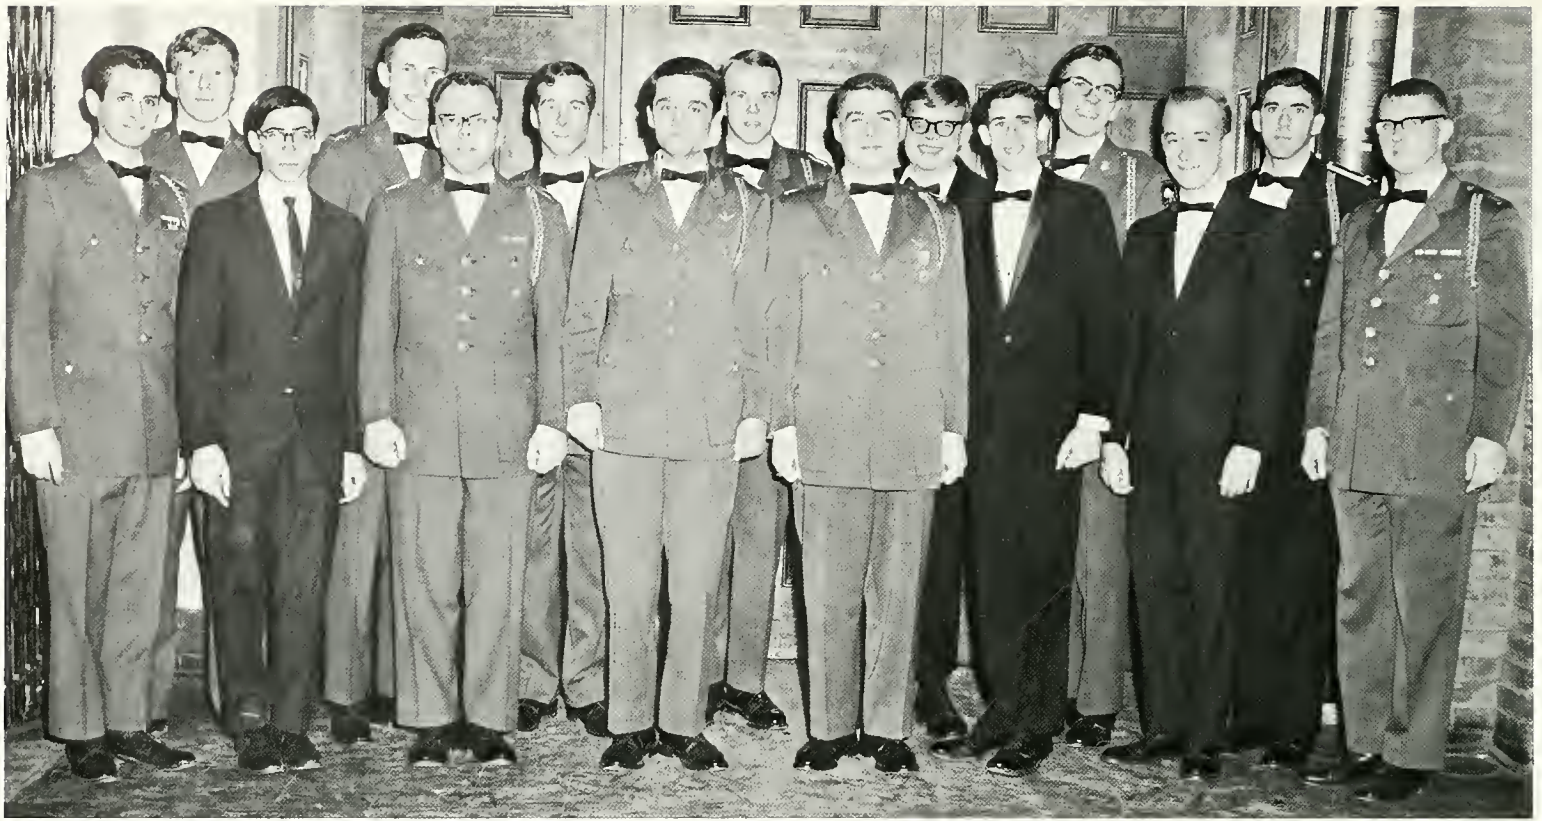

Primarily a group devoted to developing skills in the composition, development, and printing of photographic artwork, the University Photography Club nevertheless serves the school through its annual picture display and contribution to the Spring Arts Festival.

Photography Club's yearly functions include photographic excursions into western New York and Canada, varied lectures on all subjects by both professional and amateur photographers, workshops in darkroom procedure and technique, salon and model photography, and club sponsored school-wide picture contests.

This year marked Photography Club's first attempts at color processing by its own members. Hopefully the club will no longer be limited to expression in black and white alone, color being a rewarding highlight.

S.U.N.Y.A.B.'s Photography Club challenges you to become a part of a richly rewarding mode of expression.

The Arnold Air Society is a professional honorary service organization of selected AFROTC cadets from 170 of the nation's leading colleges and universities. The Richard C. Browning Squadron as representative of Arnold Air Society on this campus, sponsors many local projects. These include such activities as the annual blood drive with the organization recording the greatest number of donors being the recipient of a plaque; the annual military ball including the crowning of the queen and presentation of a rotating trophy to her sponsoring organization; presentation of aerospace education with prepared talks and films to acquaint incoming Freshman and the public with the Air Force mission; visiting under-privileged and orphan groups and volunteering of services to hospital groups; semi-annual encampments to acquaint our members with the principals of survival and escape and evasion; and participation in many other campus and community activities and drives.

ARNOLD AIR SOCIETY

SEATED: M. Fleming, Executive Officer; L. Ecker, Commander; K. Hanny, Administrative Officer; S. Irans, Camptraller. ROW 2: C. Severyn, K. Shaw, C. Ryll, J. Neumeyer, M. A. Orszulak.

ANGEL FLIGHT

The Angel Flight is a national honorary organization of college women who are interested in the United States Air Force, the Air Force ROTC, and their respective universities. The "Angels" of the local Richard C. Browning Flight sponsor an annual Aerospace Age Essay Contest in Buffalo high schools, support a needy family, and serve as official hostesses for military and university events. The social activities climax in the annual Area and National Conclaves. This year the flight flew to Dallas, Texas, at which such celebrities as Bob Hope and Gen. Lindley were present.

HILLEL

The B'nai B'rith Hillel Foundation is a national organization designed to meet the religious, cultural, and social needs of Jewish college students. Over 50 chapters of Hillel exist in the United States and overseas.

Hillel at SUNYAB has tried to implement the program of the organization by sponsoring many and varied events throughout the year. Among the highlights were: The Freshmen Mixer, the "Evening in Paris" dance, the High-Holiday Services, the "Break-the-Fast" supper, a series of lectures on "Tradition and Change," the One Day Institute, the "Music of the Faiths" series, the Annual South Sea Island Party (HASSIP), the Passover Seder, Passover lunches and suppers, and the Closing Affair.

Friday Evening Services were sponsored throughout the year. One series of sermon-lessons dealt with "Religious Objects of Judaism." The services were always followed by an Oneg Shabbat.

SEATED: V. Kuebler, Pres.; B. Ryder, Rel. V. Pres.; M. Zinsley, Educational V. Pres.; R. Wilgos, Treas. ROW 2: Rev. J. Streng, Moderator; C. Wilgos, Corr. Sec.; J. Langen, Rec. Sec.; P. Jordan, Board Member; C. Green, Chairman of the Board.

The purpose of the Newman Apostolate on campus is to enable students to know and to live the Catholic Church, to enkindle the way of Christ in those Catholics who have forgotten Him, as well as to bring others to Him. The Newman Apostolate accomplishes its purpose through a three-fold objective which includes the religious, educational, and social phases of life.

The most important role performed by the Apostolate is the providing of a program of daily Mass and frequent reception of the sacraments. "A Discussion About God," which attracted about 1,000 people, both Catholics and non-Catholics, is a good example of the educational opportunities provided by Newman. Frequent mixers, socials, and dinners fulfill the social aspect of the Newman Apostolate's three-fold purpose.

All these combined activities develop a Catholic student into a well-rounded individual involved in secular activities guided by religious principles.

NEWMAN APOSTOLATE

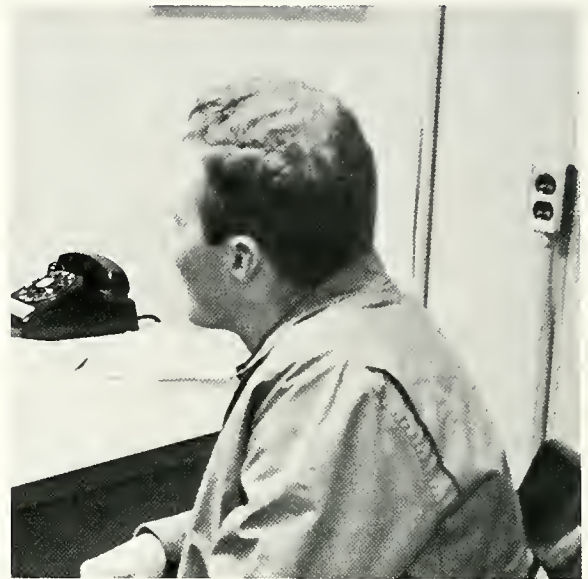

FRESHMAN CLASS COUNCIL

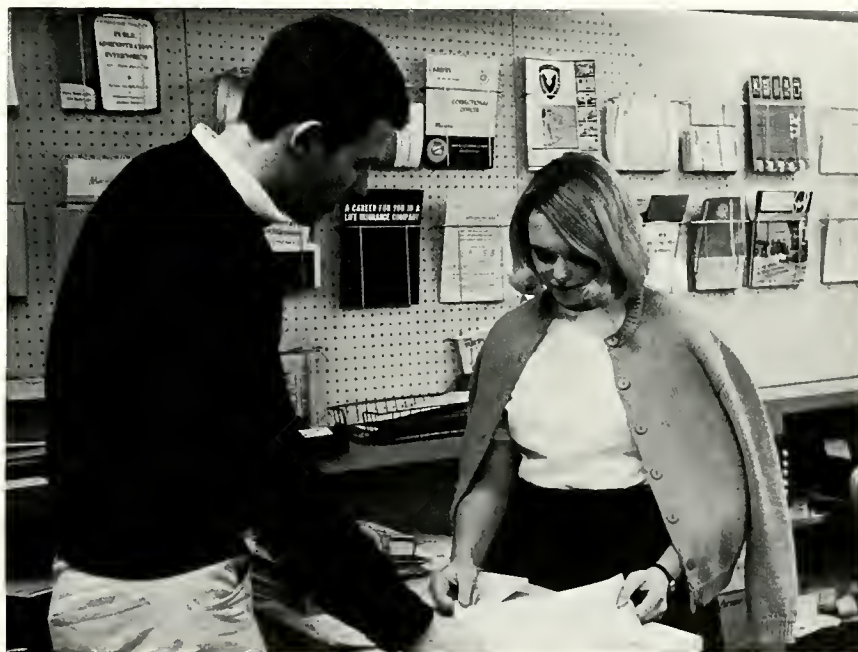

UNIVERSITY PLACEMENT SERVICES

The University Placement Services provide personalized professional career planning and placement services to both undergraduates and alumni in securing employment either locally, throughout the United States or abroad.

Under the direction of Dr. James C. Lafkiotes, the University Placement Services give assistance through its three main divisions. The first is the Educational Placement Division which assists both students and alumni in obtaining desirable public and private school teaching, as well as administrative and specialist positions in every field of education from the elementary grades through college.

Students anticipating study toward an advanced degree are assisted in locating and gaining admission to graduate schools throughout the country. The second is its Business and Industrial Placement Division which assists students and alumni in securing full-time employment in business, industry, and government. The division offers specific information concerning existing position vacancies and descriptive literature regarding potential employers. The third division is the Part-Time and Student Employment Division which provides assistance for students seeking temporary employment for on-campus or off-campus positions in degree or non-degree related occupations.

"SERVICE SINCE 1848"

COMPARATIVE LIVING COMPARATIVE LIVING

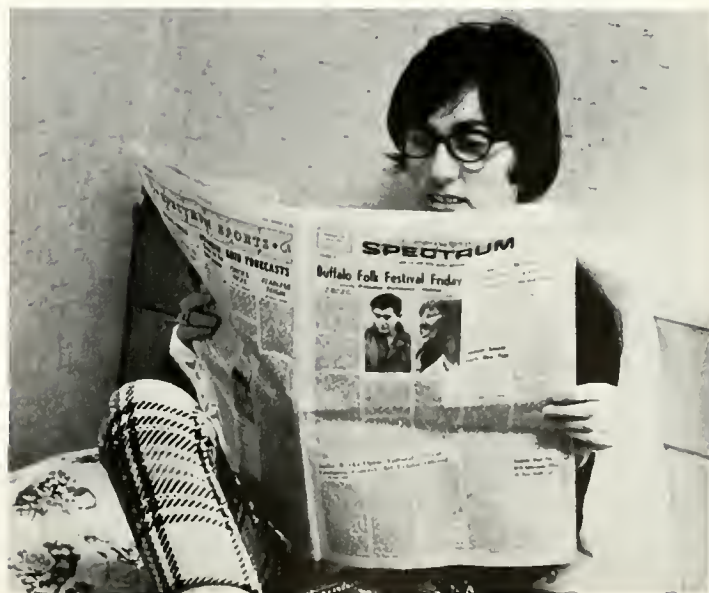

COMPARATIVE LIVING COMPARATIVE LIVING

"BUT WHAT ON EARTH IS HALF SO DEAR"

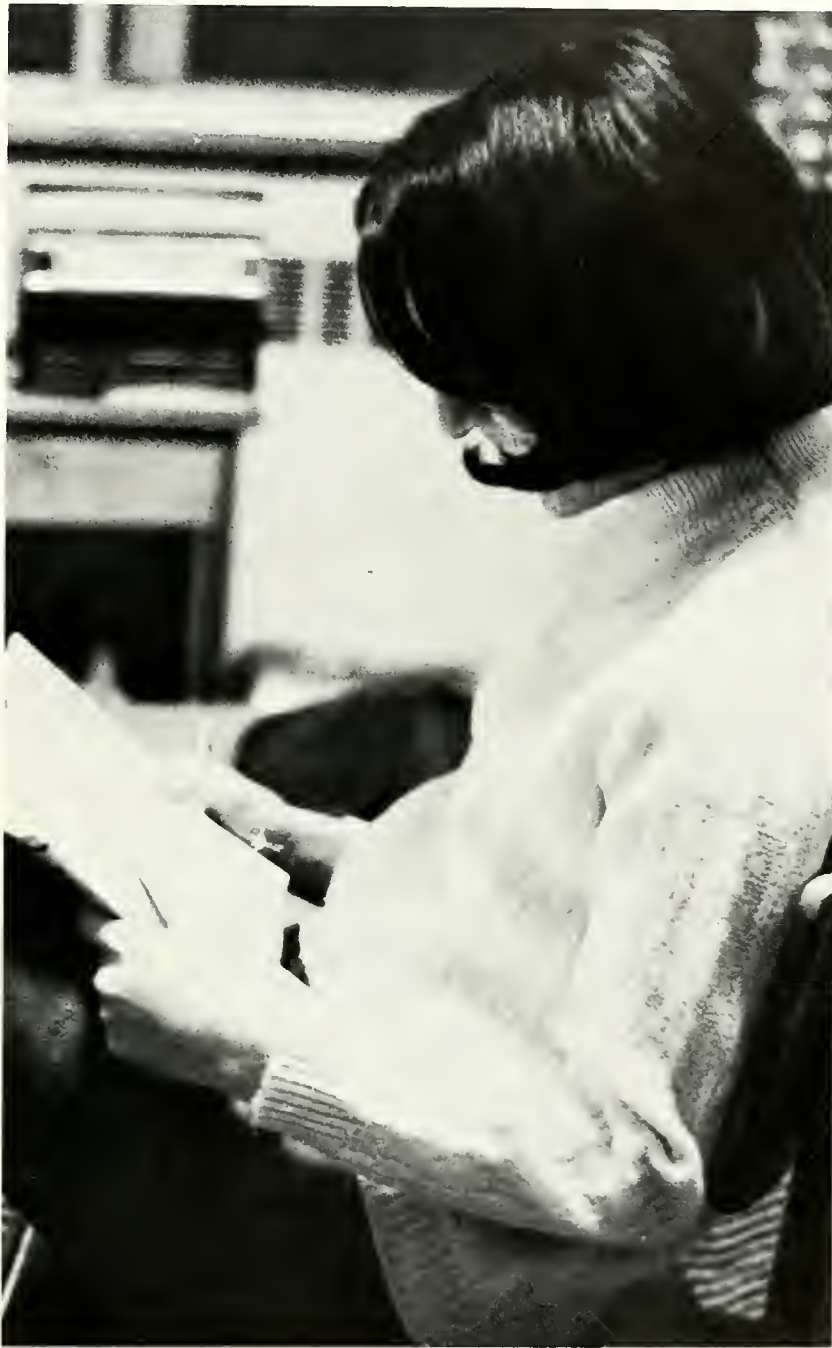

(John Payne)

Studying is a personal thing and it varies with the individual. Quiet and privacy are usually combined as a student seriously meets the intellectual challenges of the university. The place may be a lounge, the library or simply a room away from distractions of campus life.

Washing dishes, doing laundry, straightening up a room and even taking out the garbage are parts of life that no student can escape, no matter where or with whom he lives. These are just some of the less pleasing and possibly less rewarding activities that a student participates in at the University.

Much of a student's time is spent preparing to meet other people, and this is the one aspect of university life that usually passes unnoticed. Yet it is almost as important as getting to meals on time and attending classes to many individuals.

Food satisfies one of the basic needs of all university students and they approach it with the proper enthusiasm. For each student a well stocked refrigerator or a ready supply of snacks always makes hourlies, papers and other daily school problems seem a little easier to bear.

With the pressures of college life it seems that a student would have little or no leisure time. Yet each person somehow manages to secure time for himself each day. Groups of students manage to seek each other out and relax in a variety of ways. Pool is a welcome diversion for some, while bridge has become increasingly popular with others, and musical instruments, especially the guitar, mean leisure time for still others.

Life goes on in strikingly similar patterns for most students. Individual activities vary according to tastes and interests, but mainly the routine of university living repeats itself in each student whether he is living at home, in the dorms or in an apartment.

KLEINHANS CO. CONGRATULATES CLASS OF 1966

... Remember—Good clothing
might not make the man
but it certainly helps make
a successful one!

You will find clothes by
Kleinhans a good rule to
follow as you advance
through life.

MESSAGE

One year ago a group of disillusioned students took on the task of putting together a yearbook. There were visions of becoming creative geniuses, campus socialites; of meeting new people and forming new bonds of friendship.

During the course of the year, the pressures of publishing a yearbook combined with maintaining one's place in a multiplex university managed to crush some of these visions. Those who had been innocents the year before were slowly transformed into hard-core veterans. Those who had been united under the word "yearbook" became a single working unit striving to complete their creation. They became one through a mutual sharing of hard work, long hours, and an endless series of minor crises.

The work has just begun. Each year there is an increased effort to make the book better than its forerunners. This is the tradition of a yearbook—to increase its scope and provide the reader with memories of his university life.

Those who have labored to complete the 1966 BUFFALONIAN have not gone unrewarded. They see in this book a permanent bond between themselves and the university. "It is their bond of attachment and communication with which they hope to please the reader."

Michael B. Henry
Editor
